Emergency Preparedness

Safety Committee

Staff, student and visitor safety is a primary concern of the Governing Board and administration of College of San Mateo. The College strives to provide a safe working and learning environment at all times, and to comply with standards prescribed by applicable state and local laws and regulations.

CSM's Safety Committee promotes a safe institutional environment for staff and students. The committee assists with emergency preparedness, and responds to safety related concerns on campus.

Chaired by the Vice President of Administrative Services, the committee is composed of representatives from classified staff, faculty, students, and administration. Meetings are held once per month.

If you have any suggestions for the Safety Committee, please send them our way.
