1. Updates and special areas of consideration

   Susan: Accreditation overview, Deans' information/recommendations, Deans' position request criteria

   David: SLO Section. What do we need to include or revise? Automation update. How can we incorporate SLO reports?

   John: How can we go electronic with the forms and create a database?

2. Review past meeting notes/summaries and focus group comments

3. Consider sections to be removed, included, and/or revised.
   We will begin with Instruction, but we also need to be thinking about Student Services, Instructional Support Centers, and CTE.

4. Establish a timeline/work schedule for fall
