

## INTRODUCTION TO BASIC COURSE ARTICULATION

### College of San Mateo Curriculum Committee – 2019-2020 Academic Year

*Articulation (in the context of community college curriculum) is the process of developing formal agreements that identify courses at a "sending" college (the community college) as comparable to or acceptable in lieu of specific courses at a "receiving" college (a 4 year college/university). This is typically referred to as "course-to-course" articulation and is designed to facilitate the transfer process.*

#### CSM Curriculum Committee determines if a course is:

- ASSOCIATE DEGREE APPLICABLE
- LOCAL ASSOCIATE DEGREE GENERAL EDUCATION APPLICABLE
- CSU TRANSFERABLE (general transferability to the California State University system)

#### CSM Curriculum Committee does not determine if a course is:

- UC TRANSFERABLE
- APPLICABLE TO THE CSU GENERAL EDUCATION AREA
- APPLICABLE TO AN IGETC AREA (Intersegmental General Education Transfer Curriculum)

#### Articulation Process for UC Transferability

- Each JUNE College of San Mateo submits a list of courses, with the official course outlines, to the UC Office of the President Articulation Division.
- The courses are reviewed for UC transferability. Results are typically received by the Articulation Officer in early to mid August. (If the CSM catalog is already published before the results arrive it does not contain the most up-to-date UC transferability information. A catalog ADDENDUM is then needed.)

#### Articulation Process for CSU GE (California State University General Education), IGETC (Intersegmental General Education Transfer Curriculum) and AH&I (American History and Institutions for CSU) requirements

- College of San Mateo submits to the CSU/UC review committee each DECEMBER 1<sup>st</sup> a list of courses (with official course outlines) for review for CSUGE, IGETC and AH&I.
- Results of this review are received by the Articulation Officer in early MAY of the next year. (The results of the December 2019 submission are received in May 2020.)
- Articulation for the courses that have been approved for CSUGE and/or IGETC and/or AH&I becomes active in the next FALL term and thereafter.
- Courses cannot be approved retroactively. Articulation becomes active with the approval date. EXAMPLE: ESL 400 was approved for CSU GE Area C2 and IGETC Area 3B beginning Fall 2019. Any student who took ESL 400 prior to Fall 2019 cannot use the course to meet CSU GE and IGETC. Any student who takes the course in Fall 2019 or later CAN use the course for CSU GE and IGETC.

#### Course-to-course Articulation Process

- If a course is CSU transferable the Articulation Officer can submit the course to any CSU campus requesting course-to-course articulation.
- If a course is UC transferable the Articulation Officer can submit the course to any UC campus requesting course-to-course articulation.

#### TIME FRAME for the Articulation Process Example

1. LIT. 555 (a new course) is approved by CSM Curriculum Committee in NOV 2019.
2. LIT. 555 is part of the DEC 2019 submission for CSU GE Area C2.
3. In MAY 2020 we hear that LIT. 555 is approved for CSU GE Area C2.
4. **SO, in MAY 2020 we know that beginning Fall 2020 LIT. 555 is CSU transferable and applicable to CSU GE Area C2. However, we do not yet know if the course is UC transferable and we do know that it will not be applicable to IGETC since we cannot submit a course for IGETC until it has been approved for basic UC transferability.**
5. In JUNE 2020 LIT. 555 is submitted to UC for review for UC transferability.
6. In AUGUST 2020 we learn that the course has been approved for UC transferability beginning Fall 2020.
7. In DEC. 2020 the course is submitted for IGETC approval (because we now know it has basic UC transferability).
8. In MAY 2021 we learn that the course has been approved for IGETC beginning Fall 2021.

**SUMMARY – The course approved in Nov 2019 to be offered in Fall 2020 will not have complete articulation until Fall 2021.**

ASSOCIATE DEGREE IN ARTS (AA)/SCIENCE (AS) – GENERAL EDUCATION WORKSHEET

for 2019-2020 CATALOG RIGHTS (page 2 of 2 pages updated June 24, 2019)

**E – GENERAL EDUCATION REQUIREMENTS (E1, E2, E4, E5)** Courses listed in multiple areas can be used for one area only.

**Area E1: American History & Institutions, CA State and Local Government (AH&I)** 3 – 9 units

This requirement may be satisfied by completing either E1a or E1b below.

**E1a Complete one of the following courses.**

This is a list of courses that are approved to meet two of the three AH&I areas: US history (US-1), US constitutions (US-2) and California government (US-3). The student must complete the course in or after the term listed. The course completed for E1a cannot be used under the E5 area.

AT CSM – PLSC 200 (beginning Fall 2004) or PLSC 210 (beginning Fall 2010) or HIST 201 (beginning Fall 2012) or HIST 202 (beginning Fall 2017) or HIST 260 (beginning Fall 2015)

AT CANADA- PLSC 210 (beginning Fall 2004) or HIST 201 (beginning Fall 2004) or HIST 202 (beginning Fall 2004)

AT SKYLINE- PLSC 200 (beginning Fall 2004) or PLSC 210 (beginning Fall 2004) or HIST 201 (beginning Fall 2004) or HIST 202 (beginning Fall 2004) or HIST 108 (beginning Fall 2004) or HIST 235 (beginning Fall 2004) or HIST 244 (beginning Fall 2004)

**E1b Complete two or three courses.**

For E1b a student must complete the US History and American Ideals, US Constitution and California State and Local Government requirement as approved by CSU to meet CSU graduation requirements. The courses must have been completed at a CSU campus or a California Community College campus. One of the courses used to meet this area may also be applied to GE AREA E5 as appropriate. At CSM:

**US-1 US HISTORY**

HIST 201\* 202\* 260\*

ETHN 105 107 PLSC 210\*

**US-2 US CONSTITUTIONS**

HIST 201\* 202\* 260\*

PLSC 210\* 215 200#

**US-3 CALIFORNIA GOVERNMENT**

ETHN 101 HIST 310 PLSC 200#

PLSC 310

\*- course meets US-1 and US-2 #- course meets US-2 and US-3

**Area E2: Language and Rationality** 6 – 9 units

**E2a English Composition (if using ENGL 100 or 105 to meet E2a, select a different course to meet E2b)**

ENGL 838,848,100,105 ESL 400

**E2b English, Literature, Speech Communication (courses with an “\*” may be used to meet both E2b and E2c)**

**Catalog Rights:** Having "catalog rights" means a student is held to the course requirements listed in the CSM catalog at the time enrollment begins as long as the student maintains continuous enrollment. A student may choose to use catalog rights for any subsequent year of continuous enrollment at CSM or Cañada or Skyline. Continuous enrollment means attending at least one term (fall, spring or summer) each academic year. If a student discontinues enrollment and restarts then catalog rights begin with the new enrollment.

Name: \_\_\_\_\_ Date: \_\_\_\_\_ CSM G#: \_\_\_\_\_

### Important information for students!

1. If you plan to transfer to a California State University campus, ask about the Associate Degrees for Transfer (AA-T or AS-T).
2. Beginning with 2019-2020 catalog rights, for an associate degree you may choose to use the local GE pattern outlined below OR the California State University General Education pattern (CSU GE), OR the Intersegmental General Education Transfer Curriculum for UC pattern (IGETC/UC), OR the Intersegmental General Education for CSU pattern (IGETC/CSU).
3. If you have completed coursework at colleges/universities outside of the San Mateo County Community College District you must request an OFFICIAL TRANSCRIPT EVALUATION within the first semester of attendance to determine how prior coursework can be applied to AA/AS degrees, AA-T and AS-T degrees, CSUGE, and IGETC requirements. For more information go to [www.smccd.edu/transeval](http://www.smccd.edu/transeval).
4. For a course to meet AA/AS general education degree requirements, the course must have been completed at the time it was approved and appeared on the AA/AS Degree General Education Requirements worksheet or the CSU/GE, IGETC/UC or IGETC/CSU worksheet.

#### A – RESIDENCE

A minimum of 60 degree applicable units is required. At least 12 units must be completed in residence at College of San Mateo. (Also, see residence information listed under the MAJOR.)

#### B – SCHOLARSHIP

A minimum grade point average of 2.0 is required in all degree applicable coursework. A grade of C or higher in all courses applied to the major is required. Some subgroups of coursework may require a grade of C or higher or a 2.0 minimum cumulative grade point average.

#### C – COMPETENCY REQUIREMENTS

##### C1: MATH/QUANTITATIVE REASONING – MATH 120 INTERMEDIATE ALGEBRA.

This competency may be satisfied with any of the following.

- A. Completion of a course with a grade of "C" or higher: MATH 120, MATH 123 or Math 190, or a course with a MATH 120 or MATH 190 prerequisite.
- B. Score of 3, 4 or 5 on College Board Advanced Placement Tests (AP) in Calculus AB or Calculus BC or Statistics.
- C. Score of 4 or higher on International Baccalaureate Exam (IB) in Mathematics HL.
- D. Score of 23 or higher on ACT for Math or 550 or higher on SAT Math or 50 or higher on CSU ELM test.
- E. Grade of "C" or higher in a college course equivalent to MATH 120 taken outside of SMCCCD\*\* or in a college course with a prerequisite of college intermediate algebra or higher.\*\*

##### C2: ENGLISH – ENGLISH 100 or 105

This competency may be satisfied with any of the following.

- A. Completion with a grade of "C" or higher ENGLISH 100 or ENGLISH 105.
- B. Receive a score of 3, 4 or 5 on one of the following College Board Advanced Placement Tests (AP) – English Language and Composition or English Literature and Composition.
- C. Received a grade of "C" or higher in a college course equivalent to ENGLISH 100/105 completed outside of SMCCCD\*\*

##### C3: INFORMATION COMPETENCY

This competency may be satisfied with any of the following.

- A. Complete ENGL 100 or 105 completed at CSM or Skyline in Fall 2015 or later with a grade of "C" or higher.
- B. Complete with a grade of "C" or "P" in any of the following CSM courses: LIBR 100, CIS 110, DGME 100, 102, MATH 145, COUN 129, NURS 242 or in LSCI 100 at Skyline or LIBR 100 at Cañada.
- C. Receive a score of 70 percent or higher on the CSM Information Competency Proficiency Exam. Go to website [collegeofsanmateo.edu/library](http://collegeofsanmateo.edu/library) for more information.
- D. Receive a grade of C or higher in an equivalent course taken outside of SMCCCD that meets CSM standards for information competency. Use the Information Competency Equivalency Petition that can be found on the CSM Library website.

\*\*Courses taken outside SMCCCD must be completed at a college/university within the United States with CSM approved accreditation. For C1 and C2 seek approval through the Official Transcript Evaluation Service ([www.smccd.edu/transeval](http://www.smccd.edu/transeval)).

- D – MAJOR** Major course requirements are a minimum of 18 units. Use the CSM Catalog to find courses required for each major. Either 12 units or 50% of the units applied to the major, whichever is fewer, must be completed in residence at CSM. A grade of "C" or higher is required for each course applied to the major. Courses applied to the major may also meet GE requirements if applicable.

Name: \_\_\_\_\_ CSM ID#: G \_\_\_\_\_  
 Last name First name

**Some courses appear in more than one CSU GE AREA but can be applied to only one area.**

- This worksheet lists course options for meeting **GENERAL EDUCATION** requirements. For successful transfer, use [www.ASSIST.org](http://www.ASSIST.org) and/or the College Catalog to view courses required for your **MAJOR**. Also review **ASSOCIATE DEGREES** for **TRANSFER** in the College Catalog.
- If you have completed coursework outside of the San Mateo County Community College District, submit a Transcript Evaluation Request ([available in WebSMART](#)) to determine if any of the coursework can be applied to CSU GE certification.
- IMPORTANT!** There are instances when a CSM course is approved for CSU GE but the same course at Skyline or Cañada is **NOT** approved for CSU GE (or visa versa). Use **ASSIST!!** On ASSIST view the CSU GE list for the college in which you are enrolled in the course to confirm CSU GE applicability.

**U.S. HISTORY, U.S. CONSTITUTION, CALIFORNIA STATE AND LOCAL GOVERNMENT - CSU GRADUATION REQUIREMENTS**

Although not a transfer requirement, the CSU system requires coursework in U.S. History, U.S. Government, California State & Local Government for their bachelor degrees. Courses below meet CSU graduation requirements and may be applied to meet CSU GE Area D or Area C2 at all CSU campuses if the CSU GE is certified.

- Area 1: US HISTORY HIST 102, 201#, 202#, 260# ETHN 105, 107 PLSC 210# # meets Area 1 & Area 2
- Area 2: US CONSTITUTION HIST 201#, 202#, 260# PLSC 200\*\*, 210#, 215 \*\* meets Area 2 & Area 3
- Area 3: CA STATE & LOCAL GOVERNMENT ETHN 101 HIST 310 PLSC 200\*\*, 310

# CSU ADVISING FORM

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (CSU GE) 2019-2020

Due to periodic revision of transfer requirements, use [www.assist.org](http://www.assist.org) for the most current CSU GE info.

## Directions to students:

1. You must request an official CSU GE Certification to be sent with your final transcripts to your transfer destination in your last term of enrollment at CSM prior to transfer. Failure to do so may affect your transfer.
2. Use DEGREE WORKS AUDIT to identify how courses completed at CSM, Skyline, or Cañada are applied to CSU GE
3. **IMPORTANT!!** There are instances where a course at CSM is approved for CSU GE but the same course at Skyline or Canada is NOT approved for CSU GE (or visa versa). Use [www.ASSIST.com](http://www.ASSIST.com) and select the COLLEGE where you are taking the course to determine if that the course (at that college) is approved for GE!
4. **IMPORTANT!!** If you plan to complete your transfer requirements at CSM and have completed courses at other colleges or universities in the United States you must have an OFFICIAL transcript evaluation via the SMCCCD Transcript Evaluation Service. For more information go to [www.smccd.edu/transeval](http://www.smccd.edu/transeval). You can submit a REQUEST for an official transcript evaluation in your WebSMART .

## Important information regarding CSU GE

1. Courses listed in more than one area can be used to satisfy only one area, **except** courses completed to meet the U.S. History, U.S. Constitution and California State and Local Government requirement may also be applied to a GE area.
2. Completion of CSU GE does not guarantee admission to any CSU campus.
3. A maximum of 39/40 units of lower division general education units required by CSU can be completed at College of San Mateo. Of the 39/40 units, a maximum of 30/31 can be certified in Areas B, C, D, and E.
4. Courses applied to meet areas A1, A2, A3, and B4 must be completed with a grade of C- or higher. Outside of Areas A and B4, it is up to the specific CSU campus to determine if they will accept a grade of D for CSU GE. However, if the campus or major in which you wish to transfer is competitive or selective, grades of D could negatively affect your admissions.
5. Transfer students pursuing a high unit major that requires extensive lower-division major preparation may not be able to complete all lower division general education requirements prior to transfer. Speak with a counselor about course selections.
6. Students who have completed coursework at colleges or universities outside of the San Mateo County Community College District but within the United States must use the SMCCCD Transcript Evaluation Service ([www.smccd.edu/transeval](http://www.smccd.edu/transeval)) within the first semester of attendance to determine how prior coursework can be applied to CSU GE certification. You can find all California Community College transfer course information on [www.assist.org](http://www.assist.org).
7. PASS ALONG policy: CSM can certify coursework completed at another California community college, or at an independent institution that participates in certifying GE coursework to the CSU, or at a CSU campus, only if the courses are on the approved certification list at the college when and where they were completed. Coursework from other accredited colleges/universities that do not have established articulation with the CSU system may be approved as long as the courses meet CSU GE standards. However, the Critical Thinking requirement (Area A3) is a course developed with collaboration from the CSU, UC, and CCC systems and, typically, out of state courses will not be considered equivalent.
8. CSU campuses urge transfer students to complete all lower division general education and pre-major courses prior to transfer. Use [www.assist.org](http://www.assist.org) and [www.csumentor.edu](http://www.csumentor.edu) as resources.
9. **BE ADVISED—what you don't know WILL HURT you! It is your responsibility to do necessary transfer research!** To successfully transfer be sure to use Transfer Services, attend "how to transfer" workshops, and meet with a counselor to develop an educational plan for your SPECIFIC transfer destination and major!

Name: \_\_\_\_\_ CSM ID#: G \_\_\_\_\_  
 Last name First name

Major: \_\_\_\_\_ Transfer destination: \_\_\_\_\_

- Some courses are listed in more than one IGETC AREA but can be applied to one area only!
- This worksheet outlines course options to meet GENERAL EDUCATION requirements. Use [ASSIST.org](http://ASSIST.org) and/or the CSM Catalog to identify courses required for your MAJOR.

IGETC Worksheet Update 8/14/2019

- USE [www.ASSIST.org](http://www.ASSIST.org) for the most ACCURATE list of approved IGETC courses and LOWER DIVISION MAJOR requirements for transfer.
- There are instances when a CSM course is approved for IGETC but the same course at SKYLINE or CAÑADA IS NOT approved for IGETC. Use ASSIST to confirm!
- If you have completed course work outside of CSM, CAÑADA, and/or SKYLINE, submit a TRANSCRIPT EVALUATION REQUEST FORM on WebsMART. With an official evaluation, in your Degree Works you will see if/how prior coursework completed outside of SMCCCD will be applied to IGETC CERTIFICATION.

NOT PART OF IGETC - CSU GRADUATION REQUIREMENTS

Although not required for transfer, the CSU system requires for graduation courses in U.S. History, US Constitution, and California State & Local Government. Courses used to satisfy this CSU graduation requirement may also be applied to IGETC Area 3B or Area 4 requirements as noted above.

Area 1: US HISTORY HIST 102, 201#, 202#, 260# ETHN 105 107 PLSC 210#  
 Area 2: US CONSTITUTION HIST 201#, 202#, 260# PLSC 200\*\*, 210#, 215 # meets Areas 1 & 2  
 Area 3: CA STATE/LOCAL GOV. ETHN 101 HIST 310 PLSC 200\*\*, 310 \*\* meets Areas 2 & 3

**IGETC ADVISING FORM**

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) 2019-2020 EDITION

Due to periodic revision of transfer requirements, use [www.assist.org](http://www.assist.org) for the most current IGETC info.

1. You must request an official IGETC Certification to be sent with your final transcripts to your transfer destination in your last term of enrollment at CSM. Failure to do so will affect your transfer admissions status.
2. Use DEGREE WORKS in WebSmart to view how courses completed are applied to IGETC requirements.
3. **IMPORTANT!** There are instances when a course at CSM is approved for IGETC but THE SAME COURSE at SKYLINE or CAÑADA is not approved for IGETC (or visa versa). Remember to look at the IGETC list for the college at which you are enrolled in the class to confirm IGETC applicability.
4. If you request IGETC Certification at CSM and have completed courses at colleges outside of the San Mateo College District, you must have your transcripts officially evaluation by the SMCCCD Transcript Evaluation Service. For more information go to [www.smccd.edu/transeval](http://www.smccd.edu/transeval).

**Important information regarding completing IGETC**

1. **Remember—IGETC meets GENERAL EDUCATION REQUIREMENTS for transfer. Students must also complete lower division MAJOR requirements for successful transfer.**
2. IGETC Certification permits students to transfer from College of San Mateo to any campus of the California State University (CSU) or University of California (UC) systems without having to take additional lower-division general education after transfer.
3. Completion of IGETC is not an admission requirement or guarantee for transfer to CSU or UC, nor is it the only way to fulfill lower-division general education requirements for CSU or UC prior to transfer. Engineering students and students completing majors with high lower division unit requirements are advised to focus on completing the pre-major requirements while meeting minimum admission requirements.
4. All courses applied to IGETC must be completed with a grade of C or higher (C- grades are not acceptable).
5. Students who enroll at a UC or CSU campus, then leave and attend a community college, and subsequently return to a different UC or CSU campus MAY use IGETC.
6. Students who initially enroll at a UC campus, then leave and attend a community college, and subsequently return to the same campus are considered "readmits" by the UC and CANNOT use the IGETC.
7. If the Language Other than English Requirement was satisfied in high school, the student's official high school transcript must be submitted to the Admissions and Records Office prior to certification.
8. **Students who have completed coursework at colleges or universities outside the San Mateo County Community College District but within the United States must use the CSM Transcript Evaluation Service within the first semester of attendance to determine how prior coursework can be applied to IGETC certification. ([www.smccd.edu/transeval](http://www.smccd.edu/transeval))**
9. Coursework from other accredited colleges/universities, other than California community colleges, may be approved as long as the courses meet IGETC standards; the **exception is Area 1B (Critical Thinking).**
10. The IGETC is not advisable for all transfer students.
  - UC Berkeley - Haas School of Business and colleges of Engineering, Environmental Design and Chemistry have extensive prescribed major prerequisites and IGETC is not appropriate preparation for majors in these colleges.
  - UC Los Angeles - The Henry Samueli School of Engineering and Applied Science does not accept IGETC.
  - UC Riverside - The Marlan and Rosemary Bourns College of Engineering accepts completion of IGETC but additional breadth coursework may be required after enrollment at Bourns.
  - UC San Diego - Eleanor Roosevelt and Revelle Colleges do not accept IGETC.
  - UC Santa Cruz - Transfer students pursuing any major in the physical and biological sciences or the Jack Baskin School of Engineering should not follow IGETC as it will not provide them with lower division preparation for their majors.
