

Proposed Goals for Discussion & Vote

- **Title IX**
 - Form work group and take action on [“Resolution on Addressing Sexual Harassment Policies and Procedures that Protect All Members of SMCCCD”](#)
- **Improved Communication**
 - Explore use of Slack, Teams, or a similar platform to better communicate between faculty, admin, and students
 - Leverage/promote current tools
 - Informing faculty of Ed Code / Legislative Updates
 - Updated list of important laws & bills
 - Create LLM that can explain all the ed code and legislation that impacts faculty via chatbot
 - Identify legislative liaison in Senate
- **AI (Policy & Workload)**
 - Review of College Policy [“Guidelines Addressing Cheating and Plagiarism”](#)
 - Should each department develop their own language relating to use of AI?
 - Study impact of AI on workload
 - Survey faculty about their experiences with AI and its impact on workload
 - Create structured activities for faculty/students related to AI
- **Reassign Time**
 - Create more transparency around reassignments
 - Develop process for renewal of and application for faculty reassignments
 - Create webpage under Academic Senate that lists faculty reassignments across college
- **Textbook Costs / Processes for Materials Adoption**
 - Create transparency about how ordering works; visible process for faculty
 - Clarify options for faculty:

- OER/ZTC
 - What are the markup prices? Costs for printing OER resources?
Costs for printing Course Readers?
 - Do students have to go to the bookstore for financial aid?
- **AB705 / AB1705**
 - Get data on pre-AB705 vs post
 - Survey faculty on standards
 - Share out results with faculty: Flex Day?
- **Increase Senate Budget to Support Students and Develop Programming**
 - Reboot Senate dues
 - Dues Drive?
 - Add more student scholarships
- **Assessing Online Effectiveness vs. In-Person**
 - Define “effectiveness”
 - Suggested book: *Cost of Completion* (Robin Isserles)
 - Recommend for Flex Day Speaker?
 - Faculty book club?
