

Action item 3.4 for September 22, 2026:

The College of San Mateo Academic Senate approves the temporary suspension of operations of the Committee on Teaching and Learning, effective immediately through the Fall 2026 term, while the Academic Senate and Institutional Planning Committee collaboratively develop a proposal for a successor committee that will represent the broader campus and report to the IPC. Any charge, membership composition, reporting relationship, or other governance details of a successor committee will return to the Academic Senate for separate consideration and approval.
