

Proposed Goals for Discussion & Vote

1. AI (Policy & Workload)

- Review of College Policy [“Guidelines Addressing Cheating and Plagiarism”](#)
- Establish Senate committee/workgroup to tackle work
- Should each department develop their own language relating to use of AI?
- Study impact of AI on workload
 - Survey faculty about their experiences with AI and its impact on workload
- Create structured activities for faculty/students related to AI

2. Improved Communication

- Explore use of Slack, Teams, or a similar platform to better communicate between faculty, admin, and students
 - Leverage/promote current tools
- Informing faculty of Ed Code / Legislative Updates
 - Updated list of important laws & bills
 - Create LLM that can explain all the ed code and legislation that impacts faculty via chatbot
 - Identify legislative liaison in Senate
- Facilitating communication & better integrating “otherwise unrepresented faculty” into the campus
- Exploring options to strengthen representation from KAD

3. Textbook Costs / Processes for Materials Adoption

- Create transparency about how ordering works; visible process for faculty
- Clarify options for faculty:
 - OER/ZTC
 - Potential impact of Title V revisions on materials adoption
 - What are the markup prices? Costs for printing OER resources?
Costs for printing Course Readers?

4. AB705 / AB1705

- Get data on pre-AB705 vs post

- Tracking long-term
- Useful for maintaining Math courses?
- Survey faculty on standards
- Share out results with faculty: Flex Day?
- Suggested book: *Cost of Completion* (Robin Isserles)
 - Recommend for Flex Day Speaker?
 - Faculty book club?

5. Reassign Time

- Create more transparency around reassignments
 - Develop process for renewal of and application for faculty reassignments
 - Create webpage under Academic Senate that lists faculty reassignments across college

6. Assessing Online Effectiveness vs. In-Person

- Define “effectiveness”
- Review data from “CCC Online Ed - Faculty Survey - Fall 2024”

7. Increase Senate Budget to Support Students and Develop Programming

- Reboot Senate dues
 - Dues Drive?
 - Add more student scholarships
- Support other programs (i.e. CTE) in soliciting donations
 - Recommend changes to SMCCC Foundation donations process (i.e. simplify, create drop-down menu vs. typing name)

Active Work Groups / Projects for 24-25:

- ILO Revisions/Suggestions in Committee on Teaching & Learning
- Program Review Redesign in Program Review Committee
- [Resolution on Addressing Sexual Harassment Policies and Procedures that Protect All Members of SMCCCD](#)
