

WORKSHEET FOR COLLEGE OF SAN MATEO ASSOCIATE DEGREE IN ARTS (AA) or SCIENCE (AS) GENERAL EDUCATION REQUIREMENTS - CATALOG RIGHTS 2020 – 2021 (5/1/2020)

Catalog Rights: Having “catalog rights” means a student is held to the course requirements listed in the CSM catalog at the time enrollment begins as long as the student maintains continuous enrollment. A student may choose to use catalog rights for the year of first enrollment or any subsequent year of continuous enrollment at CSM or Canada or Skyline. Continuous enrollment means attending at least one term (fall, spring or summer) of each academic year. If a student discontinues enrollment and restarts then catalog rights begin with the new enrollment.

Important information for students!

1. If you plan to transfer to a California State University campus, ask a counselor about Associate Degrees for Transfer.
2. Beginning with the 2019-2020 catalog rights and continuing forward, for an Associate Degree, students may choose one of three options to complete degree general education requirements: 1) A student may select the local GE pattern outlined on this sheet; OR 2) the California State University General Education pattern (CSU GE); OR 3) the Intersegmental General Education Transfer Curriculum (IGETC) using the UC or the CSU version.
3. For a course to meet associate degree general education requirements, the course must have been completed at the time it was approved to meet the GE area and appear on the AA/AS GE worksheet or the CSU GE or IGETC worksheets.
4. If a student has completed coursework at other colleges or universities outside of the San Mateo County Community College District the student must request an OFFICIAL TRANSCRIPT EVALUATION within the first semester of attendance to determine how prior coursework can be applied to ASSOCIATE DEGREES, ASSOCIATE DEGREES FOR TRANSFER, CSU GE, and/or IGETC. For more information go to www.smccd.edu/transeval or speak with a counselor.
