

COLLEGE OF SAN MATEO NURSING PROGRAM ARTICULATION GRID

The following is a list OF APPROVED NURSING PREREQUISITE COURSE SUBSTITUTIONS (update 4/25/18)

Courses on this grid are approved as equivalents to the prerequisite courses required for the College of San Mateo Nursing Program. **Courses that appear on this grid DO NOT require course substitution forms or further approval.** Any upper division courses listed receive subject credit only. If you have taken coursework elsewhere and it **does not** appear on this grid, follow the information provided on the Nursing Program Information Sheet located on the website www.collegeofsanmateo.edu/nursing . Because nursing programs are impacted it is important to carefully review the website for program requirements, prerequisites, and application deadlines.

RE: CHEMISTRY PREREQUISITE - The Nursing Program requires Chemistry 410, Health Science Chemistry, or equivalent. Other chemistry courses will not be accepted as meeting this requirement. Beginning with the admissions process for the class of fall 2015 ALL students must complete CHEM 410 or the equivalent (a chemistry for nursing majors).

IMPORTANT!

IF YOU ARE ACCEPTED INTO THE NURSING PROGRAM and have completed course work at colleges/universities outside of the San Mateo County Community College District you are REQUIRED to secure an official transcript evaluation from the SMCCCD Transcript Evaluation Service within your FIRST SEMESTER OF ATTENDANCE at CSM. For more information go to <http://smccd.edu/transeval/> . Once enrolled in classes at CSM put in the Transcript Evaluation Request through your WebSMART account. The results of the official transcript evaluation appear on the student's Degree Works audit in WebSMART.

CALIFORNIA COMMUNITY COLLEGES - Updated FEBRUARY 2018

Institution	Microbiology	Anatomy	Physiology	Chemistry For Health Sciences	Intermediate Algebra	English Composition	Speech Communication	Intro to Sociology or Cultural Anthropology	General Psychology	Developmental Psychology
