Co-sponsors from Northern California

Max of 10

Assembly Members Berman

Assembly Members Mullin

For the Advocacy Board Meeting of

Feb-23-2022

For the ASCSM Senate meeting of

Feb-28-2022

Purpose of Bill

The bill authorizes the SMCCD to charge students an enrollment fee of less than \$46 per unit

per semester. The governing board of the district will have to adopt a policy to establish eligibility requirements for the fee rate modifications. They will not receive state reimbursement for the difference between the fee rate charged and the \$46 per unit per semester enrollment fee. The fee rate modifications only apply to students who geographically reside within the boundary of the community college district.

Group(s) impacted

Students who reside within the boundary of the community college district.

Fiscal impact (if any)

The bill would require the San Mateo County Community College District to only use local unrestricted general funds for purposes of implementing the California College Promise for students who reside within the boundary of the community college district.

Last action

Referred to Com. on ED

Current status

Set for hearing March 9.

Bill Description

This bill would authorize the San Mateo County Community College District (SMCCD) to charge students an enrollment fee of less than \$46 per unit per semester.
The bill would require the district's board to establish eligibility requirements for the reduced fees and to provide a statement showing how the fee changes would impact the district financially
The governing board of the community college district will have to adopt a policy that establishes eligibility requirements for fee rate modifications
The bill would specify that the San Mateo County Community College District is not eligible for state reimbursement for the difference between the fee rate charged and the \$46 per unit per semester enrollment fee.
The bill would require the San Mateo County Community College District to only provide the fee rate modification to students who reside within the boundary of the community college district.
In order to advance, the bill has to clear senate policy committees and a fiscal review, then it must be passed by the senate by May 27 to go on to the assembly.

Recommended Stance and Justification

Support, oppose, watch? Why?

Financial barriers prevent people from getting a post-secondary education, this bill will decrease the cost of tuition without pulling from other funds. The fee rate modifications allow tuition to be lower for local students around SMCCD. With the passing of this bill, it also allows more funding into the Promise Scholars Students to help all students. The district can only help 2000/6000+ Promise Scholars Students as of currently, passing this bill would allow the district to help all the students who are eligible for the program.

Introduced by Senator Becker

(Coauthors: Assembly Members Berman and Mullin)

January 31, 2022

An act to add Sections 76302, 76303, and 76396.5 to the Education Code, relating to community colleges.

LEGISLATIVE COUNSEL'S DIGEST

SB 893, as introduced, Becker. Community colleges: San Mateo County Community College District: California College Promise.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law requires community college districts to charge students an enrollment fee of \$46 per unit per semester.

This bill would authorize the San Mateo County Community College District to charge students an enrollment fee less than \$46 per unit per semester. If the San Mateo County Community College District charges a fee rate less than \$46 per unit per semester, the bill would require the governing board of the community college district to adopt a policy that establishes eligibility requirements for fee rate modifications, as specified, and a requirement to prepare a fiscal impact statement, including a 3-year projection of the fiscal impact of fee rate modifications on the community college district, as specified. The bill would specify that the San Mateo County Community College District is not eligible for state reimbursement for the difference between the fee rate charged and the \$46 per unit per semester enrollment fee. The bill would require the San Mateo County Community College District to only provide the fee rate modification to students who reside within the boundary of the community college district.

Existing law establishes the California College Promise, to be administered by the Chancellor of the California Community Colleges. Existing law requires the chancellor to distribute funding, upon appropriation by the Legislature, to community college districts to fund colleges that meet prescribed requirements. Existing law authorizes a community college that receives funding under the program to, among other things, waive some or all of the fees for up to 2 academic years for first-time students who are enrolled in 12 or more semester units or the equivalent at the college and complete and submit either a Free Application for Federal Student Aid or a California Dream Act application.

This bill would authorize the San Mateo County Community College District to use existing funds for the implementation of the California College Promise, and to provide assistance to students for the total cost of attendance. The bill would define total cost of attendance for a student attending a community college as including all items prescribed in a specified federal statute. The bill would require the San Mateo County Community College District to only use local unrestricted general funds for purposes of implementing the California College Promise for students who reside within the boundary of the community college district.

This bill would make legislative findings and declarations as to the necessity of a special statute for the San Mateo County Community College District.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 76302 is added to the Education Code,
- 2 to read:
- 3 76302. Notwithstanding subdivisions (a) and (b) of Section
- 4 76300, the governing board of the San Mateo County Community
- 5 College District may charge a fee rate less than that prescribed by
- 6 subdivision (b) of Section 76300 if all of the following
- 7 requirements are met:
- 8 (a) The governing board of the community college district adopts
- 9 a policy that establishes eligibility requirements for fee rate
- 10 modifications, including a provision that grants priority to students
- 11 with the greatest financial need for fee rate modifications when

1 other fee rate modifications are not provided to those students.
2 The policy shall include a requirement to prepare a fiscal impact
3 statement, including a three-year projection of the fiscal impact
4 of fee rate modifications on the community college district. The
5 fiscal impact statement shall be presented at a public meeting of
6 the governing board of the community college district and made
7 available to the public.

8 (b) The community college district is not eligible for state
9 reimbursement for the difference between the fee rate charged by
10 the community college district and the fee rate prescribed by
11 subdivision (b) of Section 76300 unless provided for elsewhere.

12 (c) The community college district only provides the fee rate
13 modification to students who reside within the boundary of the
14 community college district.

15 SEC. 2. Section 76303 is added to the Education Code, to read:

16 76303. The total cost of attendance for a student attending a
17 community college shall be defined to include all items prescribed
18 in Section 108711 of Title 20 of the United States Code.

19 SEC. 3. Section 76396.5 is added to the Education Code, to
20 read:

21 76396.5. (a) (1) In addition to funding received pursuant to
22 subdivision (b) of Section 76396, the San Mateo County
23 Community College District may use existing funds to support the
24 implementation of this article and to provide assistance to students
25 for the total cost of attendance.

26 (2) The San Mateo County Community College District may
27 only use local unrestricted general funds for the purposes described
28 in this section for students who reside within the boundary of the
29 community college district.

30 (b) For purposes of this section, “total cost of attendance” has
31 the same meaning as specified in Section 76303.

32 SEC. 4. The Legislature finds and declares that a special statute
33 is necessary and that a general statute cannot be made applicable
34 within the meaning of Section 16 of Article IV of the California
35 Constitution because of the unique circumstances of the San Mateo
36 County Community College District that necessitate greater
37 flexibility in the use of local resources to support students basic

- 1 needs and removal of financial barriers for students to access higher
- 2 education in a high cost-of-living region.

Funding Proposal

For the meeting of **Monday, February 28, 2022**

Title of Proposal **Funding for Pasifika Poetry Workshop Series**

Being Proposed by **Leila Tamale** Lead **Leila Tamale** Coordinator

Event Date(s) **March 9, March 16, March 23, April 6, 2022**

Forwarded to the Student Senate by:

☐ Executive Cabinet ☐ Advocacy ☐ Cultural Awareness ☐ Programming ☐ ICC ☐ Other

ASCSM Account **5032 College Program Assistance**

DESCRIPTION

The Pasifika Poetry Workshop Series is a collaboration between the MCCDC, national social justice organization Empowering Pacific Islander Communities (EPIC), and the Mana Learning Community. The purpose of this program, which will be made up of 4 workshops taking place over the course of 5 weeks with one week of break, is to fight back against the invisibility and misrepresentation faced by the Pasifika community, using the ancient oral tradition of our ancestors. Using Oceania epistemologies and values as a guiding framework, these workshops will develop 8-12 Pasifika CSM students into storytellers who can take the skills they've learned from poetry and creative expression and apply them towards other arenas of their life, especially within social justice and activism. Rooted in Pasifika culture, we will collectively sift through each youth's passions to uncover their "why"/purpose as we envision liberation and materialize it through our words and voices - and in turn, action. By the end of these workshops, I want each participant to see the mana within them, and feel mafana (inwardly warm or exhilarated) about the work they've done and will continue to do.

We currently have a \$2,500 budget that is being spent on honorariums for workshop hosts, incentive cards for the students, and various materials such as Pasifika-authored poetry books to inspire participants and continue their education outside of the workshops. However, due to budget limitations and policies not allowing us to use MCCDC funds to purchase food, we would greatly appreciate the help of the ASCSM Student Senate in purchasing food and meals for our students. These workshops will take place in a hybrid fashion in the early evenings, from 4:30-6:30pm PST on the aforementioned dates, so we are hoping to provide our students with meals at each workshop. In order to be as economical as possible, we propose the first 4 workshop meals be a cheaper, finger food, such as pizza from Costco. As there could be a maximum of 12 students as well as myself, program volunteers, and workshop hosts present, we have planned for 4 pizzas (\$10 each) at each of the first three workshops, totaling \$40 for each week and \$120 total for the pizzas. Since these first three meals are on the inexpensive side, we are hoping to treat our students and honor their time and hard work throughout the program with a nicer meal for our last session, which will be a graduation and celebratory session. For this meal we have budgeted according to the standard SMCCD travel and conference meal quote of \$30 per person, totaling \$360 for the 12 students. Lastly, in the supplementary materials box we provide the students with prior to the program (with items such as a poetry journal and the mentioned Pasifika poetry books), we'd like to add in a couple small packaged snacks to add in a "care package" quality to these educational materials. For this we have budgeted \$10 per student, totaling \$120.

For these three proposed food and meal items (pizza, graduation meal, and snacks), the total is \$600, and we've estimated about \$70 in potential taxes, bringing the total with taxes and fees included to \$670.

We anticipate this being an extremely beneficial program for the personal and academic growth of our Native Hawaiian and Pacific Islander students at CSM, and would greatly appreciate any help the ASCSM Student Senate can provide to make this program as impactful as possible to our Pasifika students, who constitute one of the most

underrepresented student populations in higher education. Please let me know if these costs seem reasonable, thank you for your time!

Funding Proposal

For the meeting of **Monday, February 28, 2022**

Title of Proposal **Approval of Retroactive Funding for Black History Month Event**

Being Proposed by **Cultural Awareness Board** Lead Coordinator **Brittany Arriharan and Lita Kavapalu**

Event Date(s) **Wednesday, February 23, 2022**

Forwarded to the Student Senate by:

☐ Executive Cabinet ☐ Advocacy ☐ Cultural Awareness ☐ Programming ☐ ICC ☐ Other

ASCSM Account **5050 Ethnic and Cultural Affairs**

DESCRIPTION

Article VII, Section 3 of the ASCSM Bylaws allows the Student Senate to approve retroactive funding in “extraordinary circumstances” if the request is first approved by a majority of Executive Cabinet and the student life and leadership manager. The approval requires a two-thirds ($\frac{2}{3}$) vote of the Student Senate.

Due to the four-day Presidents Day holiday, planning for the Black History Month event held on Wednesday, February 23, was delayed. Booking panelists, ordering food, and requesting a setup in Building 10 also took extra time. Because of the timeliness of the event and the desire to provide programming during Black History Month, the Cultural Awareness Board moved forward with the event after getting approval from the student life and leadership manager and a majority of Executive Cabinet. The event took the form of a panel with African American faculty, staff, and administrators from CSM. Claire Mack, a CSM alumna and former mayor of San Mateo, also participated. After the event, traditional “soul food” was served.

This proposal would approve retroactive funding for the Black History Month event.
