all workshop and event times are listed in Pacific Daylight Time

Below are the descriptions of the career-related events that appear on the Career Services February 2022 calendar. Items in blue are CSM-hosted events; items in pink are hosted by third-parties; items in orange are in Spanish language.

February 1

Labor Market Information: Find Your Next Job – 10am; Online workshop (Register here)

This workshop will provide job seekers the basics of how to effectively use Labor Market Information (LMI) as an essential tool to make informed, accurate decisions on how to get a job, improve their skills or enhance their careers.

February 2

#BlackInTech - Tech Industry for Non-Tech People; webinar hosted by Klaviyo - 3:30pm (Register here)

In celebration of Black History Month, Klaviyo is hosting a fireside chat with some of our experts in Communications, Legal, People Operations, and Customer Education to discuss their career in tech in a non-tech role. During this conversation, panelists will share their unique perspective on their career trajectory, advice to tap into tech, and addressing challenges Black employees face in the workplace.

February 3

How to get a California state job - 10am Online workshop (Register here)

Learn how to make a career and make a difference by working at the State of California. Working for California means much more than showing up for a job. As an employee, you will be able to work on programs that are vital to the economic growth of our community and state. The State of California provides a wide variety of services. From accounting to woodworking — we have a job for you!

February 7

Workshop: Setting Intentions for a Successful Semester – 2pm PDT (Register here)

Setting intentions can help us to clarify what is most important in our lives, and guide our thoughts and actions toward the qualities and experiences we most wish to embody. Join us for an interactive workshop with your fellow CSM students and community members and share your thoughts about what lies ahead in your academic journey.

February 8

February 16
CSM Science-in-Action Speaker Series, “Dream Big.” Humberto Castillo, Project Engineer, UC Berkeley, 5pm; In-person: Bldg 36 Rm 319 or virtually via: ZOOM (SIA/Stem@CSM)
Born in Jalisco, Mexico and landed in Napa, California at 2 years old, Humberto has always been the epitome of hard work and dedication. At 27 years old, he embarked on his academic journey to become a civil engineer. He graduated with honors from Napa Valley College and was accepted into the transfer program for UC Berkeley, which has a 19% acceptance rate. There he completed his Bachelor’s in Civil and Environmental Engineering and went on to pursue his masters at UC Berkeley as well. Given his great standing, he was awarded full financial support from the university, and was the first to do so in the transfer program. He is now in his final semester and has already accepted full-time employment with XL construction and will remain in the Bay area as a project engineer.

February 17
Price Waterhouse Coopers (PwC) Accounting Internship info Session -11am;
In-person: Bldg 10 Rm 195 or virtually: via ZOOM
PwC is recruiting for Summer 2022 Internships and other related employment opportunities. This is a hybrid event. Join us in person or Zoom.

Virtual Workshop: Creating a Vision Board - 3pm (Register here)
A vision board is a visual representation of your goals and dreams. Putting these on paper in a visual format, using photos, drawings, and words, can help you to achieve them by serving as a source of motivation and inspiration. Time to get creative!
