its annual "Fall in Love with a Career"

Job, Volunteer & Internship Fair

Spring 2024

Wednesday, February 14, 2024 from 10:30am — 1:00pm Bayview Dining Room

Welcome to the CSM Career Services Spring 2024 "Fall in Love with a Career" Fair!

How does the fair work?

- Sign in using the QR code or the paper sign-in sheet at the registration desk.
- 2. **Pick up your sticker card.** Walk around and browse the more than 40 tables with representatives of local employers, organizations, and departments. You can read a brief description of each in this booklet, and their websites are also included.
- Stop by the tables whose companies, careers, and pathways interest you. Ask about current opportunities, and be sure to ask the representatives, "What do you love about what you do?" and other questions listed below.
- 4. Collect a heart sticker each time you speak with a representative.
- 5. **Get at least 5 stickers**, and on your way out of the fair, be sure to fill out the back and drop your ticket in the drawing box (we will pull cards for numerous prizes).

What should I ask? Questions to start the conversation.

- 1. What is your company or organization all about? What is its purpose, and where is it based or located?
- 2. What is your individual role in the company or organization, and what do you like most about your work?
- 3. What did you do before you entered this field or started this role? What do you think is the best way to get a job like yours?
- 4. Are there any special licenses, certificates, or degrees required for your or similar positions? What salary could an entry level person expect to earn here?
- 5. What career pathways are available?
- 6. What is your hiring process for internships? Where or how can I learn more?
- 7. May I connect with you on LinkedIn?
