

On-Campus Employment Resource Guide for Students 2025-2026

These CSM departments and centers often hire student assistants. The number and nature of job openings at CSM vary from semester to semester.

Students seeking on-campus employment are advised to contact the departments listed directly to inquire about current job availability.

Contact: Heidi Bonilla
pereirah@smccd.edu
(650) 574-6285
Building 19 Room 105C

Updated September 2025

Career Services assists students in developing career awareness, exploring related internship and employment options, and outlining career pathways.

Students can meet with a career counselor to refine their interests and goals, and design an educational plan that links classroom learning and workplace experiences. Contact the Counseling front desk at (650) 574-6400 for Career Counseling appointments.
