Skin Spa

Deluxe European Facial \$45 (60 min)

This relaxing facial includes double cleansing, exfoliation, a rejuvenating facial and hand massage, and a treatment mask. It concludes with a skin-targeting finish that provides serum, replenishing cream, eye care, and sun protection.

Serenity Skin Solutions \$55 (70 min)

This targeted treatment treats concerns such as matured skin, dehydrated skin, dullness, fine lines, wrinkles, hyperpigmentation, oily skin, and acne breakouts. Treatments may include cleansing, a gentle chemical peel or enzyme, extractions, and non-invasive skin resurfacing modalities such as microdermabrasion, LightStim LED light therapies, and high frequency.

Pure Bliss Back Facial \$50 (60 min)

This back facial enjoys the same benefits as the *Deluxe European Facial. The back is prone to dryness, congestion, and breakouts, so cleansing, exfoliation, massage, and a targeted nourishing skincare finish will leave the back smooth and hydrated. *except no hand massage

On-the-Go Glow \$35 (30 min)

On-the-go flash treatments are designed to address specific treatment protocols in 30 minutes. Each flash treatment includes a thorough cleansing, a specific protocol, serum or cream, and sun protection.

1. Flash mini-facial with a peel to rejuvenate, balance, and nourish.
2. Flash mini-facial designed to help maintain your previous *Serenity Skin Solutions* and *Deluxe European* treatments.
3. Flash treatment to polish away dull skin, smooth and brighten, and boost radiance with microdermabrasion
4. Flash treatment utilizes High Frequency to oxygenate, improve circulation, and combat impurities, especially in acne breakouts.
5. Flash treatment utilizing light therapy with LightStim is ideal for all skin types, especially anti-aging, fine lines, and wrinkles, and helps promote clear, healthy-looking skin.
