I have made every effort to make this course accessible to all students, including students with disabilities. If you encounter a problem accessing anything in this course, please contact me immediately by email so that I can support you. You may also contact the CSM's DRC at [csmdrc@smccd.edu](mailto:csmdrc@smccd.edu) or (650) 574-6438.

If you are a student with a verified disability or think you may have a disability, please complete [these](#) forms and a DRC staff member will contact you for an appointment. The Disability Resource Center provides academic adjustments and auxiliary aids to support students who have a verified disability. If you have already been approved for accommodations through the Disability Resource Center, please complete this [accommodation request form](#) and you will be provided your current semester accommodation letter via your campus email.
