

Catalog Rights: Having “catalog rights” means a student is held to the course requirements listed in the CSM catalog at the time enrollment begins as long as the student maintains continuous enrollment. A student may choose to use catalog rights for any subsequent year of continuous enrollment at CSM or Cañada or Skyline. Continuous enrollment means attending at least one term (fall, spring or summer) each academic year. If a student discontinues enrollment and restarts then catalog rights begin with the new enrollment.

Important information for students!

1. If you plan to transfer to a California State University campus, ask about the Associate Degrees for Transfer (AA-T or AS-T).
2. Beginning with 2019-2020 catalog rights, for an associate degree you may choose to use the local GE pattern outlined below OR the California State University General Education pattern (CSU GE), OR the Intersegmental General Education Transfer Curriculum for UC pattern (IGETC/UC), OR the Intersegmental General Education for CSU pattern (IGETC/CSU).
3. If you have completed coursework at colleges/universities outside of the San Mateo County Community College District you must request an OFFICIAL TRANSCRIPT EVALUATION within the first semester of attendance to determine how prior coursework can be applied to AA/AS degrees, AA-T and AS-T degrees, CSUGE, and IGETC requirements. For more information go to www.smccd.edu/transeval.
4. For a course to meet AA/AS general education degree requirements, the course must have been completed at the time it was approved and appeared on the AA/AS Degree General Education Requirements worksheet or the CSU/GE, IGETC/UC or IGETC/CSU worksheet.
