Some courses are listed in more than one IGETC AREA but can be applied to one area only!

1. USE www.ASSIST.org for the most ACCURATE list of approved IGETC courses and LOWER DIVISION MAJOR requirements for transfer.
2. There are instances when a CSM course is approved for IGETC but the same course at SKYLINE or CAÑADA IS NOT approved for IGETC. Use ASSIST to confirm!
3. If you have completed course work outside of CSM, CAÑADA, and/or SKYLINE, submit a TRANSCRIPT EVALUATION REQUEST FORM on WebSMART. With an official evaluation, in your Degree Works you will see if/how prior coursework completed outside of SMCCCD will be applied to IGETC CERTIFICATION.

NOT PART OF IGETC - CSU GRADUATION REQUIREMENTS

July 7, 2017

Although not required for transfer, the CSU system requires for graduation courses in U.S. History, US Constitution, and California State & Local Government. Courses used to satisfy this CSU graduation requirement may also be applied to IGETC Area 3B or Area 4 requirements as noted above.

- Area 1: US HISTORY HIST 102, 201#, 202, 260# ETHN 105 PLSC 210#
- Area 2: US CONSTITUTION HIST 201#, 260# PLSC 200**, 210#, 215 # meets Areas 1 & 2
- Area 3: CA STATE/LOCAL GOV. ETHN 101 HIST 310 PLSC 200**, 310 ** meets Areas 2 & 3

Due to periodic revision of transfer requirements, use www.assist.org for the most current IGETC info.

- 1. You must request an official IGETC Certification to be sent with your final transcripts to your transfer destination in your last term of enrollment at CSM. Failure to do so will affect your transfer admissions status.**
- 2. Use DEGREE WORKS in WebSmart to view how courses completed are applied to IGETC requirements.**
- 3. IMPORTANT! There are instances when a course at CSM is approved for IGETC but THE SAME COURSE at SKYLINE or CAÑADA is not approved for IGETC (or visa versa). Remember to look at the IGETC list for the college at which you are enrolled in the class to confirm IGETC applicability.**
- 4. If you request IGETC Certification at CSM and have completed courses at colleges outside of the San Mateo College District, you must have your transcripts officially evaluation by the SMCCCD Transcript Evaluation Service. For more information go to www.smccd.edu/transeval .**

Important information regarding completing IGETC

- 1. It is IMPORTANT that you request a IGETC Certification to be sent with your final transcript to your transfer destination. Make this request through your WebSMART under “Transcripts.”** IGETC Certification permits students to transfer from College of San Mateo to any campus of the California State University (CSU) or University of California (UC) systems without having to take additional lower-division general education after transfer.
- Completion of IGETC is not an admission requirement or guarantee for transfer to CSU or UC, nor is it the only way to fulfill lower-division general education requirements for CSU or UC prior to transfer. Engineering students and students completing majors with high lower division unit requirements are advised to focus on completing the pre-major requirements while meeting minimum admission requirements.
- Courses listed in more than one area can be used to satisfy only one area unless noted otherwise.
- All courses applied to IGETC must be completed with a grade of C or higher (C- grades are not acceptable).**
- Students who enroll at a UC or CSU campus, then leave and attend a community college, and subsequently return to a different UC or CSU campus MAY use IGETC.
- Students who initially enroll at a UC campus, then leave and attend a community college, and subsequently return to the same campus are considered “readmits” by the UC and CANNOT use the IGETC.
- If the Language Other than English Requirement was satisfied in high school, the student's official high school transcript must be submitted to the Admissions and Records Office prior to certification.
- Students who have completed coursework at colleges or universities outside the San Mateo County Community College District but within the United States should use the CSM Transcript Evaluation Service within the first semester of attendance to determine how prior coursework can be applied to IGETC certification.**
- Coursework from other accredited colleges/universities, other than California community colleges, may be approved as long as the courses meet IGETC standards; the **exception is Area 1B (Critical Thinking).**
- The IGETC is not advisable for all transfer students.
 - UC Berkeley - Haas School of Business and colleges of Engineering, Environmental Design and Chemistry have extensive prescribed major prerequisites and IGETC is not appropriate preparation for majors in these colleges.
 - UC Los Angeles - The Henry Samueli School of Engineering and Applied Science does not accept IGETC.
 - UC Riverside - The Marlan and Rosemary Bourns College of Engineering accepts completion of IGETC but additional breadth coursework may be required after enrollment at Bourns.
 - UC San Diego - Eleanor Roosevelt and Revelle Colleges do not accept IGETC.
 - UC Santa Cruz - Transfer students pursuing any major in the physical and biological sciences or the Jack Baskin School of Engineering should not follow IGETC as it will not provide them with lower division preparation for their majors.
