Goals & Work Plan

- What are next steps in the fall to develop & implement an online tool?
- Get recommendations in by April.
- Pizza or taco party drop-in to capture broader range of students
- Clusters must be complete to kick off fall with clean data and for the matriculation process
- Mounjed: structure, not the content

Cross-Functional Teams

- Al Solano 2/13
- No longer called Student Services Project to avoid silos and because classified staff work across divisions
