Student Testimony

- Basillio: 3rd year at CSM; Architecture; ESL student; GP helps follow a path; early on spent time and money on unnecessary classes
- Kerrigan: 3rd year at CSM; AA-T Film & Psychology; came from adult school for GED; non-traditional student; previous experience in education not the best; GP invested in making the student experience better; has been part of discussions and progress; excited for implementation
- Sam: 1st year at CSM; considering Psychology, but undecided; loves that explorers are at the center and that students have choices;

Team Time

- Meet with teammates
- Intros, Waffles vs. Pancakes Game – values and icebreaker
- How can library services be integrated?
- How are students selected to be part of each area?
- How are we communicating this to students?

Next Steps & Closing
