

## Guided Pathways Steering Committee Meeting Notes

December 9, 2020

2:10 – 4:00pm

### Welcome

- Identify programs or services that we would like to connect with to learn more about in the spring semester
- Dean's Update
  - No updates
- General Updates
  - Academic Senate (Yvette)
    - Talking about CBC (to replace OEI)
    - Discussion about temporary full-time positions – AS wants to make a statement
    - Curriculum Committee will be looking for a new chair starting F21
  - Equity Committee (Rene)
    - Focused on the budget request and continued conversation within subgroups
    - GP might want to go and talk to EEC and share support team plans, and get feedback
    - Allie will reach out to schedule with EEC and/or tri-chairs
  - Curriculum Committee (Alex & Mounjed)
    - Last meeting of the semester tomorrow, and will approve more DE classes and new programs
    - Next meeting Jan 28<sup>th</sup>
  - Student Advisory Updates (Kelsey & Students: Basilio, Brandi, Kerrigan, Raissa)
    - Last meeting we decided they decided to make a video about the Academic & Career Communities
    - Allie is currently editing
  - Committee on Teaching & Learning (Allie)
    - A lot of focus on flex and assessment
  - CAGP2020 (David, Alex, Allie)
    - Met for 2<sup>nd</sup> workshop session last week
    - Breakout rooms were great, good to hear from other colleges across the state
    - Spring CAGP2020 team fully launches
  - LFM (Carol, Alex, Jane, Allie)
    - Early November, team met with Norco College to go through the Consultancy Protocol
    - Found it valuable and they had good feedback
      - Should we have full support teams for every ACC? This came up a lot. Curious if it will be too redundant.
- Update on IMPACT Grid (20 mins)
  - [https://docs.google.com/spreadsheets/d/1\\_NQmZuf9wxk-vXnAGRFTG3FicEFyKLH2\\_CLSjtNKO4/edit#gid=1056803184](https://docs.google.com/spreadsheets/d/1_NQmZuf9wxk-vXnAGRFTG3FicEFyKLH2_CLSjtNKO4/edit#gid=1056803184)
  - Reviewed IMPACT grid with Jeremiah Sims' feedback
  - All comments are live within the google doc; GP will move into second phase of impact evaluation in Spring with Jeremiah's support
  - The next phase will involve deeper interrogation of GP policies and conclude with an executive summary of inquiry group findings.

- Deep Dive: Collaborative Support Teams (cont.) (35 minutes)
  - Review of proposed teams for Spring 2021 and discussion about potential ways they interact
  - Flex Day
    - We will run a session about our launch of support teams and what we have learned from colleges statewide.
