Recent Committee Updates:

- **Academic Senate:**
 - Current elections are open: *Arielle Smith & Teresa Morris for Co-Presidents, Jesenia Diaz for VP, Steven Heath for Treasurer, Daniel Keller for Secretary*
 - SLO Coordinator Position still open: Madeline Murphy has made the pitch at division meetings and is still looking for a volunteer
 - Jeremiah made a great presentation at AS on 4/13. It involved a great hands-on activity. If we could have him do the presentation with GP Teams that would be fantastic. The activity captured the heart of the matter and was great at showing the inequities that are built into our system. It was actually about intersectionality.
- **Classified Senate:** none at this time
- **Equity Committee:** none at this time
- **Curriculum Committee:** Meets tomorrow. The upcoming agenda will include "Language and Rationality GE Area" followed by open discussion on (1) General Education Handbook, (2) Curriculum Handbook, and (3) Committee Membership in 2021-2022.

- **Student Advisory Updates:** held final semester meeting. Provided Program Mapper feedback.
- **Committee on Teaching & Learning:** none at this time
- **CAGP2020:** We will be looking for 2-3 folks to join us on the cohort for next Academic Year. Contact Allie with your interest or questions.

Spring 2021: Guided Pathways Meetings

Semester Goals:

- ✓ building the CSM website to include interactive online program inventories/maps within each ACC for students by fall (Program Mapper),
- ✓ laying the foundation with some Advisory work, including new team members, to get support teams up and running for each ACC in the fall (Collaborative Support Teams),
- ✓ and partnering with other groups like AS, CTL, EEC, and Classified Senate to enhance PD as a way to help implement the EMP.
