Early Alert

Joined members of counseling and colleagues and district about the early alert system with the CRM. This is a few year project but it is in discussion. Looking for instructional feedback.

ESL Backwards Mapping Project (Emily)

Primary update- how do we take Emily's work in understanding most accessible courses. How do we best showcase this for our students using the program mapper.

Emily: Trying to figure out how to design ESL map. Possibly create ESL certificates- long term discussion.

Canada College: Link to ESL website for ESL/ELL

Each ECC page has a link for ELL/ESL

- Rene- likes the idea of including the link

- PSC position request for ESL

Can current placement identify what classes a student takes- can we bridge these. This placement then xyz you can take these classes.

- Leading from the Middle Info session on 5/13 on what's next after covid
- CPAG

Program Spotlight: Katipunan (KTP) – Doris Garcia (20 minutes)

Translates to assembly, association, gathering- also shortened version of a Philippine revolutionary group

Filipino/a/x program and student organization

Al Acena- 1920's first club at CSM

In 1960's- Filipino group was also present

Jade spoke on experience

Meetings every Wednesday from 3pm-4pm

Topics and events:

- Building community
- Raising awareness of community and current events
- Learn about Filipinx/Filipinx-American Culture
- Everyone is welcome

KTP encouraged members to be a part of leadership

Counseling 240

- What does it mean to be Filipinx/Filipinx-American and how does that impact college success
- Colonial mentality/decolonization
- Partnerships with Filipino mental health SMC
- Statewide events

How to support KTP:

- Any students interested in counseling 240 – blocked but if student is interested let Doris know.
- Would like to become a statewide program/learning community
- Cohorted and linked courses
- Support through promise scholars
- Joint AAPI statement going to board 5/12/2021

Program Mapper demo (20 minutes, Allie)

Presentation includes the process of how we developed program mapper. Including inventory project, faculty, counselor reviews and the creating team for program mapper.

Common questions:

- What about part-time maps
 - When live we will work on 3 year maps and part-time students maps
- What are students saying
 - Positive
 - This provides clarity
 - Suggestions: more integrated information, identifying spaces that are confusing
- How does it impact curriculum how does it interact with catalog
 - Yearly update, includes all curriculum gone through committee
- Where does the website live?
 - Will be on GP website- temporary
 - June- marketing will have more time to develop programmer mapper page.
- Next steps
 - Focus groups
 - 3 year maps
 - Instructional faculty collaboration
 - Embed program video
 - Fall 2021 campus kickoff

Have created about 140 maps

Career Milestones (30 mins)

- CSM/career/student success milestones checklist: FYE- check out the worksheet provided by Christine
- Micro internships webinar- short term project and do not need to be full employed
- Alex presented on YR 2: semester 3 Milestones- See Career Milestones document ***next steps and where do we go from here. How do we package all of this for our students?

Jane- Do we have plans to have a Career Service Rep for each of the ACCs, or as ‘floaters’ across all the ACCs?

- Need to identify our resources
- What is our vision – what does the next step of this ideally looks like?
Continue to gather student feedback.

Mounjed- asked about internships- we can identify these in jobspeaker

- Can we start to integrate in the fall? @ welcome events etc.
