

Guided Pathways Steering Committee Meeting Notes

October 27, 2021 2:10 – 3:00pm

Outcomes

- Updates on all projects
- Understand final year of GP funding and budget

Notes

- Welcome
- Updates:
 - Visited Academic Senate, Classified Senate, Math/Science, CASS, Counseling, Student Services Council
 - Student Advisory Updates – students are going to make a Program Mapper demo video
 - Positions & Funding (10 mins)
 - Currently working on a Strong Workforce grant application for some support with materials around ACC
 - Will hear more in December about additional GP funding from state > smaller allocation
 - Resource Request: put in for 1 program services coordinator, retention specialist and faculty release time to support ACCs
- Program Mapper (20 mins)
 - Part-time & 3-year maps
 - In communication with faculty via Division meetings & email – due Nov 30
 - Will draft maps starting in Spring with David & Alex, Trang
 - Explorers maps
 - Bringing this conversation on establishing our explorer maps and what can we do with interdisciplinary degrees, looking for input from Curriculum committee on 11/11
- Support Team Updates (15 mins)
 - Went to cabinet 9/28 on an update of what we are doing now, and potential directions we can go to provide the most impact
 - Directive to move to most intensive support for students by ACC by providing equity focused retention support. Once we confirm our resources we will build towards this model.
 - Currently working behind the scenes to get marketing established & data; once we know more about positions & timeline we can plan more concretely for scale up
