##### *Admissions Update:*

Processing of applications is in high gear. As of 5/10/2016, 195 international applicants have been accepted. There are an additional 96 incomplete applications (some supporting documents received), plus 123 with application only (no supporting documents received), plus 5 applicants who subsequently withdrew, for a total of **419 F-1 applicants** (not including 34 duplicate applications). Compared to the numbers for Fall 2015, applications were up in January (125% compared to 2015), February (142% compared to 2015), March (55% compared to 2015), and April (43% compared to 2015). The expected enrollment for Fall 2016 is 200 -225 new international students.

##### *Enrollment Management:*

Three orientation sessions have been scheduled for incoming international students for Fall 2016: July 25-27; August 1-3; and August 8-10. IEP may also schedule a limited orientation for transfer students who have already attended U.S. schools or spent a considerable amount of time in the U.S.

#### World Gala:

The first annual World Gala was held on Sunday, May 8. The gala featured a global talent showcase, fashion show, globally-inspired snacks, and a live band (Blue Flamingo Quartet). There was also a World Travel photo contest with two awards: one based on evaluations by two CSM photography professors, plus a “peoples’ choice” award determined by vote at the Gala. There were approximately 150 attendees. The World Gala was hosted by the International Education Program of CSM, together with Diversity in Action Group, the International Club, and Associated Students of CSM.
