Methods of Evaluation of Student Performance go here.

How are you ensuring that students with disabilities can access your course in accordance with Section 508?

Description of access for students with disabilities goes here.

Course Content and Methodology:

The objectives and content of the course are adequately covered by the methods of instruction, assignments, evaluation of student outcomes, and instructional materials.

If this course is currently taught in a lecture mode, the department faculty have determined that the same objectives can be achieved in a distance learning mode.

The instructional equipment and materials are sufficient.

Regular personal contact between students and instructor is sufficient.

Methods of student evaluation are designed to maintain examination security.

Evaluation of student outcomes is sufficient to permit review and assessment of the effectiveness of distance education for this course and to provide information for the annual distance education report.
