Note from the Allie & GP team: *The following timeline captures the major goals of Guided Pathways at College of San Mateo, as informed by the Scale of Adoption Self-Assessment Report. The four major pillars of Guided Pathways are Clarify the Path, Access the Path, Persist on the Path, and Ensuring Achievement through teaching and learning. Several of the goals listed below start and continue throughout the years. Guided Pathways is a framework for college-wide re-design, thus many campus partners like Learning Communities, AB705 Leads, Counseling faculty etc. Are mentioned below and will be consulted for partnership in this work.*
