PROGRAM REVIEW EQUITY TRAINING

Using a data-centered approach to diagnosing the health of programs, this training will help faculty and staff to develop equity-centered research questions, to create a qualitative study in order to collect meaningful data from their programs' students, and to implement student-centered solutions to close programmatic opportunity gaps.

MONDAY | OCT. 28

1:00PM - 3:00PM | ROOM 18-206

To sign up, please email Interim Director of Equity Dr. Tabitha Conaway at conawayt@mccd.edu by Friday, October 25th.
