Launch into a successful career in Facility Management (FM)!

What is a Facility Manager? Learn about FM degree programs being launched in California!

In the Last 12 months, there were over
3,723 Facility Manager
job openings in California.

3-Easy Methods with FM Training

(1) Find out about a typical FM course load, (2) Hear from industry experts to learn about the Essentials of Facility Management & (3) Discover how FM Training at the Community Colleges can be customized to fit regional employment needs. Explore how paid internship opportunities work and learn how you can become part of these new programs and career.

There less than

250 individuals
who have completed formal
training for these positions.

In response to this workforce shortage, the IFMA Foundation & California Community Colleges created the FMTalentPipeline Program to tackle the supply/demand skills gap for employers.
