

DIVERSITY IN ACTION WORK GROUP

DIAG

Overview

WHAT DOES DIAG DO?

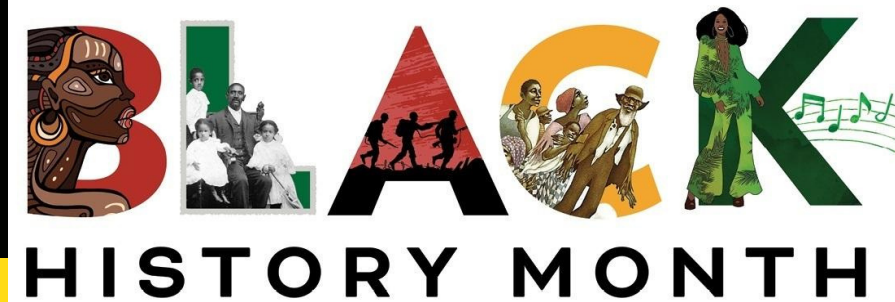

The Diversity in Action Work Group (DIAG) makes funds available to support and encourage events, activities and other endeavors that promote, educate, celebrate and integrate diversity on a campus-wide level.

While this transition has been difficult for the entire CSM campus community, we would like to encourage the continued offerings of robust cultural events that we have been dedicated to providing for the larger CSM community. As faculty explore innovative options to remain connected with students and community members, DIAG offers our support.

What types of events have we supported?

Día de Muertos

TIPS ON SUBMISSION

Requests for funding should be made **at least four weeks prior** to the proposed event, to allow time for review and disbursement of funds.

Priority will be given to individuals or groups who have **not** been given funding in the past and to proposals that have the most impact. Events must be open to the campus community.

The **maximum amount** granted by DIAG for each request is \$750.00, and the funds cannot be requested for refreshment (food and/or beverage) expenses.
