**Agenda and Email Communication**

Date: May 7, 2013 (Meeting Canceled-**check summary notes for update**)

Time: 3:30 p.m. to 5:00 p.m.

Location: CSM Learning Center

Hello, Coordinators!

We are canceling our regularly scheduled meeting for Tuesday, May 7. A number of you expressed an interest in attending the 25 Year Service Awards.

James and I plan to go ahead and meet with John Sewart to begin considering data collection options for the next program review cycle. Good work, everyone, for getting it in on time.

Please remember to enter your SLO assessments into TracDat, if you haven't. Let's assess and enter what we can for spring and enter the data over summer if possible. Contact David Locke or me for assistance.

FYI, here's a list of Centers with assessments outstanding:

Accounting Skills Center  
Anatomy and Physiology Center  
Assistive Technology Center  
Business Computer Center  
CIS Computer Center  
Digital Media Center  
Integrated Science Center  
Modern Languages Center  
Nursing Skills Center  
Reading and ESL Center

Any updates regarding the LSC<sup>3</sup> will be communicated via email over the summer break. Thanks a bunch for all of your hard work and cooperation this academic year.

We look forward to continuing the good work in the fall semester.

James and Jennifer
