Sample MLA Works Cited Page

Works Cited is a list of citations at the end of a research paper. A Works Cited page starts on a new page and is numbered as a continuation of the paper. Items in a Works Cited list are alphabetized by author. When no author is given, alphabetize by title, ignoring “A”, “An” and “The” if one of these is the first word. Use a five space (½”) indentation for all lines after the first line of a citation entry. Double-space the entire list.

Works Cited
