Ballet Afsaneh:
A Suite of Afghan Women’s Dances

This Afghan women’s troupe will bring to life the history, poetry and music of Afghanistan through dance. Although dance is rarely performed in a theatrical context in present-day Afghanistan, music and dance are a vital part of the Afghan culture and an important part of every happy occasion.

“Dancers sweep across the stage, arms linked, barely seeming to touch the floor... commanding the stage.” (S.F. Examiner)
