

Student Success in STEM

The Mathematics, Engineering, Science Achievement (MESA) program at the College of San Mateo provides FREE program services and academic support for students pursuing Science, Technology, Engineering, and Math (STEM) majors. MESA is an academic preparation program that assists students to succeed in math and science and prepare to transfer. The MESA program focuses on serving educationally disadvantaged and low-income students who are pursuing their bachelor degrees in math, engineering or science majors.

Research Opportunities
Paid Summer Internships

Who studies STEM?

YOU

if you like to...

Be Creative
Build Things
Make A Difference
Solve Problems
Help the Environment
Use Technology

"MESA is not only a program, it is a community where we build friendships and make connections." —Kassandra

"Programming skills I used in the CSM Drone Club helped me get hired in a research lab at MIT." —Guillermo

"It really, really boosted my confidence to apply to other internships." —Kelly

CSM MESA students have been admitted to over 30 different universities, including:

UC Berkeley
UCLA
UC Davis
UC Santa Cruz
UC San Diego
UC Irvine
UC Santa Barbara
UC Merced
UC Riverside

CalPoly San Luis Obispo
CalPoly Pomona
Cal State East Bay
Sacramento State University
San Francisco State University
San Jose State University

Columbia University
Massachusetts Institute of Technology
Santa Clara University
University of San Francisco
