

COLLEGE OF SAN MATEO

NURSING PROGRAM

FIRST: Register as a CSM student; Pre-Nursing Major
Then: Make an appointment with a counselor to begin a student educational plan (SEP)
Review: The [Nursing Program Information Sheet](#) and start taking the necessary prerequisites for program admission and the AS Degree
Reference: [Guided Pathways](#) and [CSM Nursing Program website](#)

For Nursing Program admission:

- Maintain a GPA of 2.5 or higher in your Biology prerequisite course (Anatomy, Physiology and Microbiology)
- All required prerequisites must be completed by time of application submission
- The HESI assessment test must be completed
- Refer to the [Merit Base Criteria](#) sheet and get your highest points!

While in High School you can best prepare by taking:

- Two years of **Algebra**
- One year of **Biology** with a lab
- One year of **Chemistry** with a lab
- Enroll in [Career Exploration in Nursing](#) at College of San Mateo!!
