

## Highlights

- CSM's Office of Instruction hosted the [2<sup>nd</sup> Annual Bay Area Environmental Justice Assembly](#), welcoming leaders from all over the Bay Area to collaborate and work on important issues related to sustainability.
- CSM's [Honors Project](#) learning community hosted their showcase, where students shared their research projects and creative pieces developed in class throughout the semester.
- Congratulations to [CSM's Football team](#) who defended their Northern California Champion title with a win against American River College! Next up, the state championships. Go Bulldogs!
- CSM's [Music](#) department hosted the 25<sup>th</sup> Annual Jazz Festival welcoming local high school and middle school bands to our campus for a day of performances, culminating in an exceptional performance by the CSM Concert Jazz Ensemble with special guest pianist, Helen Sung.

## Dance Department Dazzles

CSM's biannual dance performance is a presentation of what the CSM dance classes have been up to all semester, but it's also much more. The production allows students to step into leadership roles, build confidence, practice collaboration, and forge strong bonds and friendships during their time at CSM and beyond. View our special behind-the-scenes video of this year's performance, *Dance Chromatics*.

## Inspiring Future Leaders in STEM

Students in CSM's MESA program attended the SACNAS Conference in Oregon. They were able to connect with role models and mentors in STEM fields and celebrated the importance of diversity in STEM.
