

Launching STEM Success at CSM

CSM's inaugural Summer Bridge cohort completed a six-week program combining math instruction, tutoring, and mentorship, designed to strengthen skills, boost confidence, and connect students to resources for success in STEM studies.

Leading Mental Health Advocacy

CSM's Active Minds chapter, part of the national nonprofit for young adult mental health advocacy, earned the 2025 Cutting Edge Advocacy Award for its innovative peer-led programs supporting student mental health and wellbeing.

Collaboration at Leadership Retreat

Gathering in Half Moon Bay, CSM leaders—including Executive Leadership, Deans, Directors and Senate leadership from faculty, classified staff and students—collaborated on strategic planning and aligned priorities to guide the college's work in the upcoming year.

Our Stories Shape Our Future at CSM

CSM's Opening Day, themed *Building a Culture of Assessment*, brought together faculty, staff, and leaders to share Coastside community stories and explore their impact on the college's mission. The program featured updates on the Education Master Plan, accreditation, and budget priorities, along with welcoming new employees, and celebrating service awardees.

Transfer Day

On September 2, CSM's Transfer Day will host more than 50 universities, offering students admissions guidance, transfer resources, and opportunities to connect with CSM's Transfer Services, Transfer Club, and campus workshops.

Community Connections

Coastside Classes, Enrollment Doubles for Fall

This Fall, College of San Mateo Coastside is offering eight courses serving 92 students, versus four classes and 43 students last Spring. Outreach at the Coastside Farmers' Market and community events has strengthened local ties. A new shuttle now connects the Coastside campus to CSM's main campus and regional transit hubs.
