College of San Mateo

Undocumented Student Success

CSM marked Undocumented Student Success Week with events that supported campus connections and reaffirmed the College's commitment to belonging, educational access, and opportunities for all students. View video

Connecting Learning to Careers:

Writing in the Fields

Supported by Bulldog Innovation Grants from the President's Innovation Fund, the Writing Center's series connects students with professionals to explore how reading, writing, and communication shape careers. View photos

Students Explore Meta

CSM Business faculty and Workforce Development organized a visit to Meta headquarters for nearly 50 CSM students, connecting classroom learning with career exploration and conversations about supply chain operations in the technology industry.

Connecting Campus with Wellness Resources

CSM's Fall Health Fair connected students and employees with more than 50 exhibitors offering health and wellness resources. Hosted by the CSM Wellness Center, the event provided free flu shots and connections to organizations supporting well-being on campus and beyond.

Celebrating Our Community on the Coastside

College of San Mateo joined Coastside neighbors at the Half Moon Bay Art & Pumpkin Festival, celebrating a local tradition and strengthening community connections. Participation reflected the College's ongoing commitment to being an active, welcoming presence on the Coastside.

Through CSM Coastside in downtown Half Moon Bay, the College brings classes and student support closer to where residents live and work. Community gatherings offer opportunities to build relationships, introduce neighbors to CSM, and help more people see a place for themselves in higher education. View video
