The Safe Zone Alliance (SZA) strives to provide a safe place at College of San Mateo for students, faculty and staff to be themselves, regardless of gender identity, gender expression and/or sexual orientation. We will celebrate our diversity, promote awareness and raise consciousness through regular meetings, on and off campus activities and events, and social action. We believe that we can serve a transformative role on campus and in the lives of all members of the College of San Mateo community when we can safely and proudly be ourselves.
