

LEARNING SUPPORT CENTERS PROGRAMS

Program review forms for Instruction, Learning Support Centers, and Student Services have numerous components. We need to ensure that the faculty/staff have responded to all sections of the program review.

In reviewing those program reviews assigned to you:

1. Indicate by a "yes" or "no" if the response adequately addresses the question asked and provide comments if necessary, including any commendations or recommendations. If you indicate "no", please provide information as to why the response is incomplete/ not sufficient. This will help when the IPC co-chairs provide feedback to the department faculty/staff.
2. Be reminded that instructional **CTE programs** have an additional section to complete.
