It was 90 years ago that residents of San Mateo and Burlingame voted to establish the very first institution of higher education in San Mateo County – San Mateo Junior College. Known today as College of San Mateo, the college has cultivated a rich history which has grown with the communities it serves. In 1922, the college welcomed the inaugural class of 30 students to a "campus" that consisted of several classrooms at San Mateo High School, then located on Baldwin Avenue. Over the next forty years, as additional space was needed for the growing student population, the college would move to the Kohl Estate (in what is now part of Central Park), the Delaware Campus, the Coyote Point Campus and finally, the College Heights Campus.

# Plan Ahead - Pay Ahead

You'll need to pay your class fees **by July 18** to stay in school

Registration for the fall term begins on Monday, April 30<sup>th</sup>. You will not be able to register for classes if you have any outstanding balances on your account.

# UPDATE ON FEE PAYMENT PROCESS FOR FALL 2012

On Wednesday, July 18, 2012, students who have any unpaid fees will be dropped from fall classes at midnight for non-payment of any unpaid fees. Students will be dropped on a "rolling" basis every Wednesday at midnight (July 25, August 1) for non-payment of fees.

Beginning August 6 (two weeks prior to the start of the fall semester) students will be dropped at midnight the day following their registration for non-payment of any unpaid fees.

If you need assistance in paying your fees, you are encouraged to enroll in an inexpensive payment plan via WebSMART, apply for financial aid (www.fafsa.gov) at least five days prior to registering for your classes, or complete the Board of Governors Fee Waiver via WebSMART to prevent being dropped from classes. If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmvpss@smccd.edu.

# Student Success Story: Stephen Schmidt

Graphic Designer, Creative Director A.A. degree, Graphic Arts, CSM B.A. degree, Design, San Jose State University

Stephen Schmidt's career path, which began in graphic design classes at CSM, has catapulted him to become an award-winning book designer and creative director of his own graphic design company.

Entering CSM as an undeclared major, Stephen says, "CSM was a good, practical starting point for my higher education studies." During his two years at the college, he came to the conclusion that graphic design was a good career fit. According to Stephen, the counseling he received at CSM proved to be helpful in planning his course load and direction. Stephen comments, "Attending Ed Seubert's graphic design courses, in particular, provided me with excitement for and knowledge of graphic design as well as the required skills it would take to excel in that field."

"The nurturing environment and diversity of course offerings gave me confidence that I could develop skills that would allow me to get a good job. Also, I made many good friends while attending CSM."

In addition to classroom learning, Stephen realized that at CSM, he also was learning to be a good student and his grade point average soared well beyond that which he earned in high school. Consequently, he graduated from CSM with highest honors, earning an associate degree in graphic design (now referred to as "digital media.")

"My accomplishments at CSM made it possible for me to transfer to San Jose State University (SJSU) to further my graphic design studies." He continued his academic success as a transfer student at SJSU where he earned a bachelor's degree in design.

Today Stephen is the principal and creative director of his own graphic design company, Duuplex, which focuses on brand identity, web and mobile user interface design and book design. He has given back to the profession by mentoring several graphic design interns, from CSM and other design programs; he has also taught Photoshop and HTML classes in San Mateo's Adult School program. Among his accomplishments is having designed over 20 illustrated coffee table books, including *Photo by Sammy Davis, Jr.* which was awarded a First Place Photography Book prize in the New York Book Show. # CSM's Commitment to Sustainability

Over the last five years, College of San Mateo has undergone the most significant construction activity since the College Heights campus was completed in 1963. We are very grateful to the voters of San Mateo County for passing two capital improvement bond measures: Measure C in 2001 and Measure A in 2005. The proceeds from these bonds were used to fund our construction projects.

Every construction project at CSM was built "on budget and on time." Furthermore, an independent financial auditor has issued an unqualified opinion for each and every year that taxpayer-approved construction funds have been expended. What this means is that all construction expenses incurred by our college were made in accordance with the provisions of the bond measures.

Just as the financial auditor's unqualified opinion provides independent proof regarding the fiscal integrity of our campus construction projects, the United States

# Message from the President

It is my pleasure to welcome you to College of San Mateo. We have expanded the *Schedule of Classes* for fall 2012 to include additional news and information about the college that we thought would be of interest to our community. As you read through the schedule, you'll notice that our fall semester is shaping up to be both busy and eventful.

It's hard to believe that CSM is approaching not one but two milestone events: the 90<sup>th</sup> anniversary of the establishment of San Mateo Junior College and the 50<sup>th</sup> anniversary of the College Heights Campus, which we are calling, "50 Years on the Hill." As the

article on the back page (outer front cover) describes, the college will be hosting numerous events held throughout 2012-13 to celebrate these anniversaries; we hope that you will join us for the festivities.

Also in the schedule, we get the chance to hear from one of our many successful alumni, Stephen Schmidt, a graduate of our graphic design program (now digital

media). Stephen tells us how CSM helped him find his passion and develop skills to succeed as a transfer student and as a professional graphic designer.

I also invite you to read about the ongoing sustainability efforts the college has undertaken in the last several years and about the environmental awards two of our new buildings recently received for green design and construction practices.

We are proud of our history and of the many contributions that the college has made to the community over the last 90 years. At the same time, we are fortunate and grateful to have a community that has always supported our educational mission. Whether you are a student or a student at heart, I hope you find this schedule to be an interesting and informative resource about the college and all that it offers to our community.

# About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, more than 20 student clubs and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue at four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit <u>collegeofsanmateo.edu/explorecsm</u>. Guided campus tours can be scheduled through <u>collegeofsanmateo.edu/tours</u>.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

#### **CSM Celebrates** (continued from outer front cover)

Much has changed since 1922: CSM has experienced steady growth, both in size and diversity. Our programs and services have evolved to support the needs of the changing student population and employers, and most recently, our current campus has been transformed. Today we serve more than 10,000 students each semester and offer programs in 66 areas of study. Moreover, in the past 90 years, CSM has educated more than 600,000 students!

What has not changed is CSM's commitment to meeting the educational and workforce training needs of the community and contributing to the economic vitality of the county and beyond. As stated in Class Act: College of San Mateo-A History\*, "For thousands, College of San Mateo has been a springboard to success." Our alumni have gone on to meaningful careers and have become leaders in education, business, science and technology, medicine, entertainment, athletics, government and public service.

During this academic year, CSM is also preparing to celebrate another important milestone: the 50th anniversary of the College Heights Campus. It was in fall of 1963 that CSM moved from the Coyote Point Campus to its present location at College Heights. This anniversary of "50 Years on the Hill" coincides with the completion of major construction and renovation work at CSM — improvements that position the college to serve the community for decades to come.

To honor CSM's 90th anniversary and "50 Years on the Hill," the college is planning various special anniversary events throughout 2012-2013 celebrating CSM's history and continued legacy of service to our communities. The events will be open to the public and information will be available on the college website, collegeofsanmateo. edu. Come and celebrate with us!

# **Operation Homecoming: A Learning Community Designed for Veterans**

Operation Homecoming helps returning veterans get off to a good start at CSM by providing opportunities to:

- Work with other veterans in a collaborative and supporting environment
- Become connected with college resources such as the Veterans Resource Center, counseling and tutoring
- Receive support to strengthen reading, writing and study skills
- Increase the visibility and recognition of veterans on campus

For additional information, see page 16 in this schedule.

## **REGISTRATION & ENROLLMENT INFORMATION**

# Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See page 5 for enrollment steps.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

#### **Open Enrollment**

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

#### Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$203 per unit at the time of registration, in addition to other required fees paid by California residents. Students may be required to present documentary evidence of eligibility for classification as residents.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

# Getting Started at CSM

#### **Continuing Students Priority Registration**

Priority Registration gives specific groups of students the opportunity to register for classes early. Generally, groups are given priority based on maintaining current Student Educational Plans, completing the Matriculation process, and earning a total number of units with the district. See Fall 2012 Important Dates on page 2 for a breakdown of the Priority Registration days, dates and the groups included for each day.

Students who attended the Spring 2012 semester are considered continuing students with priority registration. In mid-April, students will be sent a WebSMART registration appointment email which will contain their individual appointment date. Continuing students may register and pay fees using WebSMART on or after their appointment date.

#### **Application Process for NEW and FORMER Students**

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the Fall 2012 term. Submit an Application for Admission at collegeofsanmateo.edu/apply. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Fall 2012 Important Dates on page 2.

#### **College Connection Concurrent Enrollment Program**

The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9<sup>th</sup>–12<sup>th</sup> graders the opportunity to get an "early start" on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

- Step 1: Apply for admission online at collegeofsanmateo.edu/apply.
- Step 2: Meet with your high school counselor to select your college courses.
- Step 3: Take placement tests at CSM if you are planning to register for English or math courses. Call (650) 574-6175 for information.
- Step 4: Submit completed Course Request Form to the Admissions and Records Office at College of San Mateo, Building 10, Third Floor, by mail, in person, or by fax (650) 574-6506
- Step 5: Register for classes at collegeofsanmateo.edu/websmart.
- Step 6: Sign in and use your assigned my.SMCCD email.

For more information, visit collegeofsanmateo.edu/ce.

#### Priority Enrollment Program (PEP)

For Graduating High School Seniors and Other New or Returning Students

College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2012. The program, Priority Enrollment Program (PEP) is offered on dates beginning in March 2012. More information about PEP can be found at collegeofsanmateo.edu/pep.

#### Transfer Students

If you attended a college or university other than College of San Mateo, Cañada College or Skyline College, you are a transfer student at College of San Mateo and must apply for admission. You may be eligible for exemptions from some of the matriculation requirements. Please visit collegeofsanmateo.edu/collegepolicies/matriculation.asp for more information.

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGETC Certification should have their transcripts officially evaluated. For more information, review the Transcript Evaluation Request Form available on the College of San Mateo website (collegeofsanmateo. edu/forms).

#### **Dismissed Students**

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To schedule a reservation for a workshop go to the Counseling Office in Building 10, Third Floor. Students must complete the workshop and the reinstatement process prior to the registration deadline date for the term for which they request enrollment.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Canada, or Skyline College since Fall 2011 must complete an application for admission prior to attending the Reinstatement Workshop.

#### **International Students**

Residents of other countries may apply for admission as F-1 Visa students through the International Student Program. Special international student applications, related forms and additional information may be obtained from the International Student Office (Building 10, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo. edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Office by these dates:

 Spring 2013 (January-May)
 October 1, 2012

 Fall 2013 (August-December)
 April 15, 2013

#### **AB 540 Students**

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying non-resident tuition. If you are qualified, pleased complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in Building 10, Third Floor. You may obtain the form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

# Fall 2012 Registration Dates & Times

# Continuing Students: April 30-August 19 New & Former Students: May 9-August 19

#### How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor's approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Friday, August 31.

If a class has reached its maximum enrollment limit, you may be able to choose to add your name to the waitlist. If space becomes available for you to add a class, you will be notified through your my.smccd.edu email account. You will have 24 hours to respond. For more important details visit collegeofsanmateo.edu/registration/waitlists.asp.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: <a href="mailto:collegeofsanmateo.edu/fees/credit.asp">collegeofsanmateo.edu/fees/credit.asp</a>.

**Online classes** – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

#### **Distance Education**

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in distance education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into your educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at <a href="collegeofsanmateo.edu/distanceeducation">collegeofsanmateo.edu/distanceeducation</a>. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's distance education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Office is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. Please visit the distance education website at collegeofsanmateo.edu/distanceeducation.

#### International Education

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo's International Education Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact Maggie Skaff: skaff@smccd.edu or (650) 574-6525.

Sign In & Use Your Assigned My.SMCCD.edu Email

If Your Educational Goal is to obtain an associate degree or certificate; transfer to a four-year university; improve basic skills in English, reading or math; or if you are applying for financial aid; or if you are undecided about your goal, you must follow all steps shown above; or if you wish to schedule an appointment with a counselor, you must complete all the steps shown above.

If Your Educational Goal is to take courses for personal enrichment; upgrade job skills; maintain a certificate or license; participate in the High School Concurrent Enrollment Program; or if you have already completed an associate degree or higher in the United States; or if you are primarily a student at another college or university and taking courses at College of San Mateo to meet the requirements of institution, you must follow steps 1, 4 and 5.

#### Step 1: Apply

All students are required to complete the Application for Admission. Fill out the Application online at collegeofsanmateo.edu/apply.

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a "G"). Use this number to conduct all college business and access college services.

#### **Step 2: Take Placement Tests**

Placement tests are designed to assess your skills in English or ESL, reading, and mathematics. Test results assist you to select courses, build an appropriate schedule of classes and determine whether you meet prerequisites for certain courses. View sample test questions online at collegeofsanmateo.edu/testing.

To schedule placement tests, log into your student WebSMART account. The USER ID is your G number and the password is your 6 digit birth date. In WebSMART, click on STUDENT RECORDS AND STUDENT APPOINTMENTS. At this site find CSM Placement Testing and schedule your placement test appointment online.

- You must complete the application for admission and have a student G number to schedule a testing appointment
- · You must present a photo ID and your student G number on the day of testing (no exceptions).
- There is no fee for testing and it takes approximately 2.5 hours to complete.
- The Assessment Center is located in College Center, Building 10, Third Floor, Room 370.

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit collegeofsanmateo.edu/prerequisites for more information and to obtain the Prerequisite Equivalency form. If you are transferring in from another college and do not plan to enroll in an English or math course or a course with an English or math prerequisite, then you may proceed to Step 3.

# Step 3: College Orientation and Counseling Workshop

Attend the College Orientation and Counseling Workshop in College Center, Building 10, Room 191. You are required to bring your placement test results and to be on time. Latecomers are not admitted to the workshop, so plan to arrive on campus early. At the completion of the workshop you will be able to register for classes and you are eligible to schedule

an appointment to meet with a counselor. Only students who have attended a workshop have access to counseling appointments.

This two hour workshop covers the registration process, use and management of WebSMART, educational goals, placement test results, course selection, and more. Reservations are scheduled through your student WebSMART account, or go to the Counseling Center, College Center, Building 10, Room 340. If you plan to apply for financial aid, see Financial Aid Steps below.

#### Step 4: Register for Classes

Your appointment to register will be sent to your student WebSMART account. To log-in, you will need a User ID (G number) and password (six digit birth date). Use your student WebSMART account to view your registration appointment, register for classes and pay fees.

Many courses with prerequisites are subject to computerized prerequisite checking. When registering for a class, the student database looks for 1) the successfully completed prerequisite course, or 2) the placement test results that indicate the skill level prerequisite requirements. If neither requirement is met, registration for the course is blocked. If you have completed the prerequisite course outside of the college district, go to collegeofsanmateo.edu/prerequisites for more information.

#### Step 5: Sign In and Use Your Assigned My.SMCCD.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

# Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated by completing a Transcript Evaluation Request form. Visit collegeofsanmateo.edu/admissions/evaluation.asp

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs.

#### Board of Governer's Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking (\$20 for BOGFW students), health, student body and student representation, must be paid by the student.

#### Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of 5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-

time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; half-time 6–8.5 units; three-quarter time 9–11.5 units; less than half .5–5.5 units. Awards range from: \$277–5550.

#### Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,551; Cal Grant C \$576.

# Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of o through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit <a href="https://www.icanaffordcollege.com">www.icanaffordcollege.com</a>

#### California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16<sup>th</sup> and 18<sup>th</sup> birthdays, and to not have reached the age of 22 by July 1 of

the award year. Maximum annual award: \$5,000.

#### Extended Opportunity Programs and Services (EOPS)

EOPS is a statefunded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/ or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

#### Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$6,000. Priority application date: March 2.

#### Loans

Loans are financial aid funds that students borrow now and repay after they complete a program of study or stop going to school. Loan amounts vary from \$500-\$6,500.

#### Scholarships

Scholarships are awarded for a variety of criteria. Awards range from \$100–2,500. Contact the Financial Aid Office at 574-6514 for more information.

# Financial Aid Steps

**1**Apply

2 Student Aid Report Received

Check SAR for Accuracy

Submit Documents Notification of Result

**6**Aid Funds
Are Paid

#### Step 1: Apply

For 2012-13 file a 12-13 FAFSA at <a href="www.fafsa.ed.gov">www.fafsa.ed.gov</a>. College of San Mateo's college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). It is also recommended that you attend a free Financial Aid workshop. Log in to WebSMART for dates and sign-up.

#### Step 2: Student Aid Report Received

After you apply, you'll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution

(EFC). The EFC, a measure of your family's financial strength, is used to determine your eligibility for federal student aid.

#### Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy and then brought to the Financial Aid Office for review. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

#### Step 4: Submit Documents

Submit all required documents to College of San Mateo's Financial Aid Office. File is complete!

#### **Step 5: Notification of Result**

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of Financial Aid they qualify for at CSM.

#### Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account.

# **Educational Goals at CSM**

View the College Catalog and the College website, collegeofsanmateo. edu, for more information about goals and opportunities at College of San Mateo.

#### **University Transfer Program**

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

#### Senate Bill 1440 - New Associate Degrees for Transfer (AA-T or AS-T) Benefit Students Intending to Transfer to CSU

California community colleges, as a result of SB 1440, offer associate degrees designed to support transfer to the California State University system and concurrent completion of an associate degree with one clear pathway of coursework. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located in the CSM Catalog and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to

#### Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from over 80 associate degree

majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to the CSM Catalog.

#### **Certificate Programs**

You can earn a certificate in achievement or a certificate of specialization in over 80 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial community. Typically certificates require 12-40 units of coursework and can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog.

#### Gainful Employment Disclosure Information

Final regulations published in the Federal Register on October 29, 2010, [75 FR 66665 and FR 66832], by the U.S. Department of Education, require all institutions that participate in the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, to report certain information about students who enrolled in Title IV - eligible educational programs that lead to gainful employment in a recognized occupation. College of San Mateo's report on educational programs leading to gainful employment is available at <u>collegeofsanmateo.edu/degrees</u>.

#### **Multiple Educational Goals**

At College of San Mateo you are free to pursue your educational

COMPUTER AND INFORMATION SCIENCE ..... AS

interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.\* \*Students participating in the some special programs (such as the CSM

Financial Aid program) are required to declare one educational goal.

#### **Updating Job Skills**

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

#### **Program Planning and Enrollment Management**

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All enrolled students have access to counseling services and should consult with a counselor early in the educational process for guidance and academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment

Students are responsible for maintaining current and accurate information in their WebSMART accounts and updating personal contact information and educational goal information, managing registration and enrollment, retrieving grades and placement test results, and monitoring academic standing.

#### **Notes:**

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

#### **Evening/Weekend Classes**

Final examinations for all evening, Saturday and Sunday classes will be given during the last class meeting for all courses:

Day of Regular Class Meeting	Final Examination
Monday classes	Monday, Dec. 17
Tuesday classes	Tuesday, Dec. 18
Wednesday and Monday/Wednesday classes	Wednesday, Dec. 19
Thursday and Tuesday/Thursday classes	Thursday, Dec. 13
Friday classes	Friday, Dec. 14
Saturday classes	Saturday, Dec. 15
Sunday classes	Sunday, Dec. 16

#### Note:

Monday/Wednesday classes follow the Wednesday final examination schedule, and Tuesday/Thursday classes follow the Thursday schedule.

#### **Fees**

Fees are due and payable at the time of registration. Students will not be able to register for classes if they have any outstanding balance. On Wednesday, July 18, 2012, students who have any outstanding fee balances for fall 2012 will be dropped at midnight for non-payment of fees. For more important information, visit collegeofsanmateo.edu/fees.

Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee also will be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Office for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

Fees are due and payable at the time of registration. Students who need assistance in paying fees are encouraged to contact the Financial Aid Office (College Center Building 10, Third Floor, 574-6146).

All student records are witheld and class registration will be restricted until all outstanding debts to the District colleges have been cleared.

#### **AB 540 Students**

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying non-resident tuition. See page 4 for more information.

# Credit and Refund Policy

#### Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g., class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

#### Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership in Building 17, Room 112.

#### **Variable Unit Courses**

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

#### Important:

- 1. Credit balances remain on student accounts for a maximum of five (5) years.
- 2. A student may either choose to maintain a credit balance on account or contact the Business Office (Building 10, Room 360, 574-6412) to arrange for a refund.
- 3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
- 4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
- 5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
- 6. Fees will be credited or refunded if an action of the College (e.g., class cancellation) prevents a student from attending.
- 7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Hours are Monday through Thursday from 7:45 am to 7:00 pm and Friday from 7:45 am to 2 pm (574-6366). To purchase and find information regarding course textbooks, go to collegeofsanmateo.edu/bookstore.

#### **NEED TO REPEAT A CLASS?**

#### **New Enrollment Limitation on Course Repetition**

#### **Enrollment Limitations For Courses Not Designated As Repeatable**

Beginning Summer 2012, a student may attempt a course designated as nonrepeatable for a maximum of three times. Furthermore, all prior course attempts in a student's academic record count toward the limit. A "course attempt" occurs when a student receives an evaluative or non-evaluative grade or symbol such as an A, B, C, D, F, W, P, NP, C, NC, or I. As a result of this new enrollment limitation, students' decisions to repeat or withdraw from courses may have serious implications and affect their educational planning.

One additional enrollment may be considered for approval under the following circumstances:

- 1. Recency: A student may enroll one additional time if he/she successfully completed the course and a significant lapse of time of at least three years had occurred and the enrollment is for the purpose of establishing content recency only and is not for the purpose of improving an established grade. If approved, the units and grade of the most recent attempt are not part of the student's grade point average or cumulative units.
- 2. Extenuating circumstances: A student may enroll for one additional attempt only if documentable extenuating circumstances exist that match the dates of the course. Examples of extenuating circumstances are fire, flood, accident, or other extraordinary documentable conditions beyond the student's control.

#### Repetition For The Purpose Of Grade Improvement For A Course Not Designated As Repeatable

A student who has received a grade of D, F, N/P, or N/C in a non-repeatable course taken in the San Mateo County Community College District may attempt the course up to two additional times for the purpose of grade alleviation and improvement. The enrollment limitation of not more than three attempts as noted above is applicable.

#### **Courses Designated As Repeatable**

The Board of Trustees of San Mateo County Community College District has adopted a policy which permits a student to repeat certain courses and subjects. In these cases, a student may attempt the course/subject the maximum number of times or for the maximum number of units, as noted in the course description found in the College Catalog. For courses designated as repeatable, the number of approved attempts also represents the enrollment limitation for the course.

#### **Sustainability** (continued from front cover)

Green Building Council (USGB), a national non-profit organization, provides independent proof regarding CSM's sustainability efforts. The USGBC created the Leadership in Energy and Environmental Design (LEED) rating system, a voluntary sustainable building code.

Both of CSM's new buildings, the Health and Wellness Building and College Center, have achieved LEED Gold certification. The Health and Wellness Building also received a Green Building Award from Sustainable San Mateo County in 2011.

CSM's sustainability efforts reach far beyond our new construction projects, however. The college's sustainability measures include using drought-resistant plants in our landscaping; installing highly efficient "smart" irrigation systems; replacing old inefficient lighting and other building systems with energy efficient systems; installing low emitting diode (LED) parking lot lights; installing a Co-Generation Plant, which reduces natural gas consumption; and installing systems to treat storm water runoff. Furthermore, the college has been a leader in on-campus recycling efforts for many years.

In addition to helping to reduce CSM's environmental footprint, sustainability measures also yield long-term savings in utility, maintenance, and other operating costs. Operating funds that would otherwise be used for these costs can be redirected to support the college's core mission of educating students. The college district's Board of Trustees has been very careful to invest in sustainability measures that make both economic and environmental sense.

Our school colors are blue and white. However, given all of our sustainability efforts, we can now also proudly add the color green!

#### **Parking Regulations**

#### **Parking Permit Requirements**

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am-10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5 and Galileo Lot 6. Student parking permits are available for \$40 each for the fall and spring semesters (Fall/Spring Permit \$70) and \$20 for the summer session: parking permits for students with California Board of Governors (BOG) waivers are \$20 per semester.

#### Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

#### **Purchasing Parking Permits**

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Business Office) and then pay for the permit and pick it up in the Cashier's Office.

#### Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$2.00 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session. The grace period pertains only to permits with all other parking regulations enforced at all times in all parking lots and roadways.

#### **Visitor Parking**

Visitors may park in PayBySpace Visitor Lots Beethoven 2A, 2D and Forum Lot 8 (\$0.25 for each 15 minutes). After entering the space number in which the vehicle is parked into the machine and depositing sufficient money to purchase required time the permit machine located at each of the visitor lots will issue a receipt that need not be displayed in the vehicle.

Visitors may also park in a student lot after purchasing and displaying in the vehicle (face up on dashboard) a \$2 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B and Stadium Lot 11. For the location of the parking lots please see a campus map.

#### San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club are required at all times for parking in Olympian Lot 12. All other permits are not valid. For more information, call 378-7373 or visit <a href="mailto:smccd.edu/sanmateoathleticclub">smccd.edu/sanmateoathleticclub</a>.

#### Traffic and ParkingRegulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles parked backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

#### Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD Regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

#### Public Transit

SamTrans bus service has two direct routes to the campus (#250 and #260) and connecting bus routes from the Hillsdale Shopping Center and the Caltrain Station serving the CSM campus throughout the day. All buses have wheelchair lifts and also serve students attending evening classes. Routing information is available by calling 1-800-660-4BUS or via the Web at <a href="www.samtrans.com">www.samtrans.com</a> and <a href="www.caltrain.com">www.caltrain.com</a>. Printed schedules and maps are also available at the Student Life and Leadership Office in Building 17, Room 112.
