Participation in community service by CSM's student-athletes has become an essential part of the Bulldog tradition; a tradition that is making an impact in the local community.

"Along with academics and athletics, volunteer service is an integral component to developing student athletes as complete individuals," says Andreas Wolf, CSM athletic director and dean of kinesiology, athletics and dance. Wolf credits his coaching staff for taking on a leadership role to ensure that student athletes participate in giving back to the local community. "Our coaches strongly believe it's very important that students participating in college athletics also become contributing members to society. Volunteering is part of their responsibility as student-athletes."

Through relationships that CSM's coaches have developed with schools and local organizations, they provide numerous opportunities for their students to participate in community service activities. Most of the projects and activities focus on working with youth. Although the list of service projects and activities performed by CSM's athletes is lengthy, the following examples illustrate the variety of activities and groups that have recently been served by CSM's student-athletes.

Football

Throughout the year, CSM's football players participated in a number of service activities. At George Hall Elementary School players took an active role in Literacy Week by reading to classes and emphasizing the importance and enjoyment of reading. Team members also

Alumni at a Glance

Julian Edelman

Julian Edelman (left) with CSM Assistant Football Coach Tim Tulloch

*NFL Wide Receiver,
New England Patriots
2015 Super Bowl Champion
CSM Alumnus; graduate of
Woodside High School*

As a member of the 2015 Super Bowl Champion New England Patriots, Edelman earned CSM's 17th Super Bowl ring, following in the tradition begun by NFL greats John Madden and Bill Walsh. He caught the winning touchdown pass from Tom Brady with two minutes left as the Patriots overcame a 10-point fourth quarter deficit for a 28-24 victory in Super Bowl XLIX.

Edelman played quarterback for CSM in 2005. Leading the Bulldogs to an 8-3 season, he passed for 1,312 yards and 14 touchdowns and rushed for 17 touchdowns and a CSM record of 1,253 yards; he earned All American honors.

Edelman transferred to Kent State University where he was a 3-year starter at quarterback. In his senior year, he was the school's leading passer and rusher.

He was drafted by the Patriots in the seventh round of the 2009 NFL Draft.

Student Success Story: Julianne Hough

Dance & Communication Studies

Since the age of five when Julianne Hough slipped into her first pair of dance shoes, dance has been a consistent thread in her life. Throughout her elementary and high schools years, she studied dance at ODC - Oberlin Dance Collective in San Francisco. Later, her path led to CSM where she continued to cultivate her passion for dance.

Julianne first arrived on CSM's campus as a high school student. Since her high school didn't offer dance, she enrolled in a modern dance class at CSM through the College Connection Concurrent Enrollment Program. "In addition to a variety of dance classes, CSM offers a Performance Dance Ensemble (PDE), a student group that produces student dance concerts every semester. I knew I wanted to be involved in PDE. I found a nurturing dance community at CSM, so it was only natural that I would continue my education there. It has been the right place for me to further develop as a dancer while I discovered what I wanted to do with my life," explains Julianne.

As a full-time college student at CSM, Julianne took full advantage of the college's dance offerings focusing on modern, jazz, ballet and social dance. CSM's dance department provided opportunities for Julianne to further develop her talent and build her confidence as a dancer. "Coming to CSM has given focus to my life. I feel so lucky to have had Professor Denaya Daily as my dance instructor; she helped guide me to improve my technique and self-discipline. I look up to Denaya as a dancer and a teacher—she is very approachable. Taking her classes helped me to grow as a dancer and a student."

Julianne found CSM's dance instructors were very encouraging. "When I began at CSM, I was very shy but thanks to my dance classes and the faculty, my social and academic growth was nourished. I also met my closest

friends in the dance classes I took at CSM." During her years at the college, Julianne not only expanded her repertoire of dance but she also developed new and

CSM is Getting the Community Moving

The Kinesiology/Athletics/Dance Division at CSM has something for everybody. With many courses to choose from each semester, the curriculum is designed to appeal to a broad spectrum of community interests and accommodate various fitness levels, abilities, and age groups. The division encompasses activity-based classes; lecture and theory classes; certificate, associate degree and transfer programs; intercollegiate athletics; and adapted physical education offerings.

"A sound mind in a sound body" is the philosophy of our division, says Andreas Wolf, dean of the Kinesiology/Athletics/Dance Division. Our instructors and coaches expose every student in these classes to the benefits of participating in some type of physical activity. With the growing incidence of type-2 diabetes, obesity and heart disease in our society, our faculty focus on preventing our students from going down that path. Whether a student is taking classes toward a bachelor's degree in exercise science, earn a certificate in yoga instruction, learn a new sport or skill or work on conditioning, our hope is that their experience will have a carry-over value after they have completed their classes."

Activity-based classes not only focus on proper techniques and skill development but also emphasize the importance of improving and maintaining health through activity. The division recognizes that everyone has their own preference for physical exercise and sports; and the scope of CSM's activity courses reflects those diverse in-

terests. Students who like team sports can choose from basketball, soccer and volleyball. For those interested in individual sports and activities, CSM offers fitness, aquatics, badminton and tennis. In addition, CSM has classes in Pilates and yoga, two growing areas of kinesiology.

In conjunction with the activity classes, the division conducts fitness testing. Students go through a battery of fitness assessments at the beginning of each semester and again at the conclusion of the class. The objective-

Message from the President

Welcome to the fall semester at CSM.

The theme of this Schedule of Classes is one that I fully subscribe to: “healthy body-healthy mind,” as it focuses on the programs in our Kinesiology, Athletics and Dance Division. The wide variety of courses in the division attracts students of all ages, abilities and interests. In addition to athletics and dance, the kinesiology program includes individual and team sports, lecture and theory classes and an extensive selection of fitness courses. To get a better idea of what we offer, I invite you to read more about these programs in the article, “Getting the Community Moving,” and then check out the division’s fall classes beginning on page 15.

Over the past nine decades, CSM has developed a rich athletic legacy and continues to offer one of the best athletic programs in California. As CSM’s president, I’m very proud that our coaches place a strong emphasis on academics first and athletics second, a philosophy that has proven to be a successful formula as our student athletes are achieving in the classroom and winning championships. In addition to academics and athletics, our athletes participate in community service projects and activities throughout the year. Our cover story, “Bulldogs in Your Community” describes some of the ways that our athletes are giving back to the community.

In honor of the college’s athletic history, in 2011, we established the CSM Athletics Hall of Fame. Inductees include alumni and coaches who have gone on to distinguished athletic careers at the collegiate and professionals levels—some are Olympians,

others have become World Series and Super Bowl champions. A list of the inductees can be found on page 7. Speaking of champions, don’t miss the “Alumni at a Glance” feature on the New England Patriot’s wide receiver Julian Edelman, the most recent CSM Bulldog to earn a Super Bowl ring!

As a tribute to one of the leading softball programs in the State, we are pleased to include an interview with CSM Head Softball Coach Nicole Borg. Since becoming head coach nine years ago, Coach Borg has accrued an incredible set of statistics. She led the Lady Bulldogs to three consecutive championships, made State Final-Four appearances in 2013 and 2014, and was named State Softball Coach of the Year in 2011, 2012 and 2013. And, she’s also a former CSM Bulldog. I hope you read about this inspiring young coach who is developing student-athletes to become the best that they can be.

To shine a spotlight on our dance program, we chose Julianne Hough, a dance and communication studies major, for our “Student Success Story.” Julianne credits her dance instructors with helping her develop as a dancer and a student. I’m happy to report that we have a growing dance program led by enthusiastic and energetic faculty; our dance courses appeal to students who want to pursue dance as a profession, avocation, or simply a source of enjoyment and entertainment.

As you look through the schedule, I think you will find many opportunities at CSM that promote the notion of “healthy body-healthy mind.” I hope to see you on campus this fall.

Michael Claire, CSM President

About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, more than 30 student clubs and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue at four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit collegeofsanmateo.edu/exploreasm. Guided campus tours can be scheduled through collegeofsanmateo.edu/tours.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

Fall 2015 Important Dates

Pre-registration	Matriculation activities: Placement Testing, College Orientation, Counseling—see page 5
Thursday, April 30 – Monday, May 4	WebSMART priority registration for Summer and Fall 2015 by appointment —continuing day and evening students. Additional information about specific group priority registration can be found by visiting collegeofsanmateo.edu/importantdates .
Tuesday, May 5	All other students: new and returning, with less than 100 or more degree-applicable units, in good academic standing.
Wednesday, May 6 – Sunday, August 16	WebSMART registration for Fall 2015 by appointment—new, former, and continuing students
Thursday, May 14	New concurrent enrollment students
Monday, August 3 at midnight	IMPORTANT! Deadline to pay student fees. If fees are not paid by this date, ALL of your classes will be automatically dropped.
Tuesday, August 4 – Sunday, August 16	Students will be dropped from unpaid classes at midnight the day following their registration for non-payment of outstanding fees. Visit collegeofsanmateo.edu/fees for more information.
Thursday, August 13 – Friday, August 14	Flex Days - No Classes
Monday, August 17	Day and evening classes begin
Friday, August 28	Last day to add semester-long courses using authorization codes on WebSMART.
Friday, August 28	Last day to drop semester-long classes with eligibility for fee credit or partial refund. For short courses, eligibility for credit or refund is within the first 10% of class meetings. For exact deadline date, check course in WebSMART: collegeofsanmateo.edu/websmart .
Monday, August 31	Parking permit requirement begins. Citations will be issued for students parking without a valid permit.
Saturday, September 5 – Sunday, September 6	Declared Recess
Monday, September 7	Holiday – Labor Day
Monday, September 7	Last day to declare Pass/No Pass option for semester-long classes with this option. For short courses, the deadline is within the first 30% of the class meetings. For exact deadline date, check course in WebSMART: collegeofsanmateo.edu/websmart .
Monday, September 7	Semester-long classes officially dropped on or before this date will not appear on the student’s record. Short courses officially dropped within the first 30% of class meetings will not appear on the student’s record. For exact deadline date, check course in WebSMART: collegeofsanmateo.edu/websmart .
Friday, October 30	Last day to apply for Fall 2015 A.A./A.S. degree or program certificate.
Saturday, November 7 – Sunday, November 8	Declared Recess
Monday, November 9	Holiday – Veterans Day
Monday, November 16	Last day to withdraw officially from a semester-long class with assurance of a “W” grade. For short courses the withdrawal deadline is at 75% of class meetings. For exact deadline date, check course in WebSMART: collegeofsanmateo.edu/websmart .
Wednesday, November 25	Flex Day – No classes
Thursday, November 26	Holiday - Thanksgiving
Friday, November 27 – Sunday, November 29	Declared Recess
Saturday, December 12 – Friday, December 18	Final Examinations for day and evening classes
Friday, December 18	Day and evening classes end
Thursday, December 24, 2015 – Friday, January 1, 2016	Winter Recess
Wednesday, January 6	Fall 2015 official grades available on WebSMART
Wednesday, January 20	Spring 2016 Semester begins

* Check class in WebSMART for deadline date to apply for credit or refund.

Community Members: Are there topics or features you’d like to see in upcoming schedules? Please provide your suggestions and/or feedback to csmpr@smccd.edu. Thank you.

An Interview with Nicole Borg, Head Softball Coach

Since 2006 when Nicole Borg took the helm as CSM's head softball coach, she has collected an impressive set of credentials to add to her resume. In 2012, she guided the Bulldogs to a 39-6 record; in 2013, a 43-6 record; and in 2014, a 42-4 record. The Bulldogs have won three consecutive Coast Conference North Championships, and have made back-to-back State Final Four appearances in 2013 and 2014. For the past four years, Nicole was honored as Coast Conference Coach of the Year and named State Softball Coach of the Year in 2011, 2012 and 2013.

A graduate of Capuchino High School, Nicole began her collegiate career at CSM where she played softball for legendary coach Tom Martinez. In the 2000 season, Nicole was part of the team that captured the Coast Conference North Championship and she was named All-Northern California Pitcher of the Year. A two-sport athlete, Nicole also played basketball for the Bulldogs.

For her athletic achievements at CSM, Nicole was awarded a full-ride scholarship to the University of Tennessee, an NCAA Division I school. After graduating from Tennessee, she returned to CSM as assistant softball coach under Martinez for two seasons. Nicole was also a pitching coach at Notre Dame de Namur University. She earned an M.A. from St. Mary's College, a B.S. from University of Tennessee and an A.A. from CSM.

Andreas Wolf, CSM athletic director and dean of kinesiology, athletics and dance, describes Coach Borg: "She is incredibly dedicated to her students and to her profession. Nicole is extremely focused, and a real spitfire!" In this interview, Nicole discusses coaching at CSM and the Bulldogs' successful softball program.

Who were your mentors and what did they teach you?

CSM Coach Tom Martinez—I learned so much from him first as a student athlete and then as his assistant coach. He encouraged his students to be great athletes and great members of our community. Tom taught students that participating in sports was more about life than the sport of softball—which is what I try to teach my students. He took great pride in developing athletes who came from the local community. My other mentor was Gary Dilley, CSM's former athletic director and dean of our division. He provided great support to me as a student and again when I returned to CSM as a coach. He instilled his appreciation for what it meant to be part of the CSM athletic program. During my first semester as a full-time coach, Gary asked me to teach tennis—a sport that I never played. But he believed that his coaches needed to be able to "do it all." It took me out of my comfort zone which was a valuable lesson in my teaching career.

How would you describe your coaching philosophy or style?

Being an athlete has multiple opportunities for both success and failure. I teach my students that failure is part of achieving success. Because I truly care and want my students to be successful, I teach them to be resilient when they fail.

Also, I impress upon my students that as athletes, they are representatives of CSM and the community; that they should always conduct themselves appropriately, be respectful and make wise choices. My students work

See "Nicole Borg" on page 7

Bulldogs in Your Community (continued from outer front page)

rolled up their sleeves to participate in a clean-up day at Parkside Elementary School. Players collected over 70 bags of trash, weeds and debris and painted the school's outdoor furniture and play areas. Also, football players participated in the Boys and Girls Club Football Challenge by leading activities and motivating the students to get involved in sports and exercise.

Tim Tulloch, CSM's assistant head football coach, explains that community service is one of the football program's core values. "Giving back is something that is very important and allows us to show appreciation and gratitude as ambassadors of CSM. As the athletes serve the community, they learn how important it is to set an example for the younger generations they work with. I know our guys get just as much out of these events as the kids do."

Softball

Every January, CSM's softball team takes time before the start of the season to conduct clinics for young athletes between the ages of six to thirteen in San Mateo and San Bruno, in conjunction with the Youth Softball Association. CSM's softball players provide a fun learning environment for students, helping to develop playing skills, learning about teamwork and practicing good sportsmanship. Coach Nicole Borg, CSM's head softball coach, says "The clinics give student athletes a great opportunity to be positive role models by sharing their knowledge of the sport of softball."

In addition, the softball team was selected by the Bay Area Women's Sports Initiative (BAWSI) to offer an after school program for girls in first through fourth grades at Taft Elementary School in Redwood City. Members of the team spent every Wednesday for eight weeks with the Taft students providing a variety of activities and sports. According to Coach Borg, it was a real eye-opening experience for her athletes. "They learned that many of the students were from underprivileged homes where they had adult responsibilities. The after school program that BAWSI developed really allowed these young girls to have something to call their own, where they could have fun without responsibility. I think they really enjoyed interacting with my student-athletes and the feeling was mutual on our end."

Baseball

Working with Harper for Kids, a youth development program which uses John Wooden's Pyramid for Success, CSM's Baseball Program is helping to spread positive messages to middle school students at Charles Armstrong School in Belmont. On a recent visit, players talked to students about the benefits of goal setting, hard work and selflessness pertaining to a team concept. They also discussed dealing with adversity in academics, baseball and in life, and focused on practices that build self-esteem. Additionally, players spent time demonstrating baseball skills. According to Baseball Coach Doug Williams, the visit was very well received by the middle school students. "They enjoyed the demonstrations and were interested in the messages that my players discussed; they were surprised to learn that college athletes also have to deal with challenges. As participants in this activity, my guys told me they were moved by the experience and gained a new perspective."

Basketball

Coach Michelle Warner's women's basketball team also participates in BAWSI-sponsored activities in local schools. Working with Redwood City schools, recently John Gill Elementary School, the players have been involved in an after school program for girls in fourth through sixth grades that promotes good health and builds self-esteem. CSM's athletes lead fitness activities and age-appropriate discussions on healthy lifestyle choices, responsibility, teamwork and respect. Coach Warner says, "My players were excited to work with the girls and the experience lifted everyone's self-esteem. "It was obvious that the girls looked up to the athletes as role models. They were constantly engaged and wanted to spend time with them."

The tradition of CSM student-athletes giving back to the community is a mutually beneficial relationship for everyone involved. The numerous service projects that student-athletes participate in provide much-needed support to local schools, organizations and youth. Community service is an equally valuable experience for the student-athletes. Through their volunteerism, they recognize their ability to make a difference in the lives of others. As Wolf explains, "Serving the community is part of the teaching and learning process that transcends what happens on the playing fields and courts. It is a critical part of developing our student athletes into well-rounded citizens. Our hope is that they continue to make community service an integral part of their lives."

CSM basketball players make candy bags for children as part of their Christmas Program Outreach. Photo courtesy of Head Basketball Coach Michelle Warner.

First Year Success – CSM and local high schools working together!

Did you know that over 50 percent of San Mateo County high school graduates attend our community colleges? With this fact in mind, CSM has undertaken the First Year Success (FYS) Initiative in collaboration with local high schools to redesign the first year of college and accelerate student learning and success. Our partners include the San Mateo Union High School District, Sequoia Union High School District and Half Moon Bay High School (Cabrillo Unified School District). The mission of the initiative is to develop a comprehensive plan that will provide a seamless transition for every student coming from high school to CSM.

Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See page 5 for enrollment steps.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$213 per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing "T" or "U" visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

Getting Started at CSM

Continuing Students Priority Registration

Priority registration gives specific groups of students the opportunity to register for classes early. Generally, groups are given priority based on maintaining current Student Educational Plans (SEPs), completing the matriculation process, maintaining good academic standing, and earning a total number of units with the district.

A student is considered a continuing student with priority registration if the student enrolled in the Spring 2015 semester in at least one class and is either still enrolled; or dropped the class after the class session had started. In late April, students will be sent a WebSMART registration appointment email which will contain their individual appointment date. Continuing students may register and pay fees using WebSMART on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the Fall 2015 term. Submit an Application for Admission at collegeofsanmateo.edu/apply. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Fall 2015 Important Dates on page 2.

College Connection Concurrent Enrollment Program

The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9th–12th graders the opportunity to get an "early start" on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

Step 1: Apply for admission online at collegeofsanmateo.edu/apply.

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: Take placement tests at CSM if you plan to register for English or math courses or a course that has an English or math prerequisite. More information can be found at collegeofsanmateo.edu/testing.

Step 4: Submit completed Course Request Form to the Admissions and Records Office at College of San Mateo, Building 10, Third Floor, by mail, in person, or by fax (650) 574-6506.

Step 5: Register for classes at collegeofsanmateo.edu/websmart.

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit collegeofsanmateo.edu/ce.

Priority Enrollment Program (PEP)

For Graduating High School Seniors and Other New or Returning Students

College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2015. More information about PEP can be found at collegeofsanmateo.edu/pep.

Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGEC Certification should have their transcripts officially evaluated after applying for admission at collegeofsanmateo.edu/apply. For more information, review the Transcript Evaluation Service information at smccd.edu/transeval.

Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To schedule a reservation for a workshop go to the Counseling Office in Building 10, Third Floor, Room 340 or schedule online (WebSMART - "schedule appointments"). Students must complete the workshop and the reinstatement process prior to the registration deadline date for the term for which they request enrollment.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since summer 2014 must complete an Application for Admission prior to attending the Reinstatement Workshop.

International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Student Center. Special international student applications, related forms and additional information may be obtained from the International Student Center (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Center by these dates:

Spring 2016 (January-May) November 15, 2015

Fall 2016 (August–December) July 1, 2016

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

Have questions or need assistance?

Please visit: collegeofsanmateo.edu/askthebulldog

International Education

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo's International Student Center provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact (650) 574-6525.

Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in distance education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student's educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at collegeofsanmateo.edu/distanceeducation. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Resource Center is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at collegeofsanmateo.edu/distanceeducation or call (650) 574-6271.

Fall 2015 Registration Dates & Times

Continuing Students: April 30 – May 4

New & Former Students: May 5 – August 16

How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor's approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Friday, August 28.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: collegeofsanmateo.edu/fees/credit.asp.

Online classes – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

How to Apply and Enroll

COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use counseling services; or if you plan to apply for financial aid; or if you are a Veteran and plan on collecting Veteran’s educational benefits.

COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Step 3, the College Orientation Workshop.

Step 1: Apply for Admission and Identify an Education Goal

All students are required to complete the Application for Admission. Fill out the Application online at collegeofsanmateo.edu/apply.

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

Step 2: Complete Assessment and College Placement Tests

College placement tests are designed to assess your skills in English or ESL, reading, and mathematics. Test results assist you to select courses, build an appropriate schedule

of classes and determine whether you meet prerequisites for certain courses. Review sample tests questions online at collegeofsanmateo.edu/testing. It is recommended that you do some test preparation prior to taking the placement tests.

To schedule placement tests, log into your student WebSMART account. The USER ID is your G number and the password is your 6 digit birth date. Click on STUDENT RECORDS AND STUDENT APPOINTMENTS.

- You must complete the application for admission and have a student G number to schedule a testing appointment.
- You must present a photo ID and your student G number on the day of testing (no exceptions).
- There is no fee for testing and it takes approximately 2.5 hours to complete.
- The Assessment Center is located in College Center Building 10, Third Floor, Room 370.

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit collegeofsanmateo.edu/prerequisites for more information and to obtain the Prerequisite Equivalency form. If you are transferring in from another college and do not plan to enroll in an English or math course or a course with an English or math prerequisite, then you may proceed to Step 3.

Step 3: Complete College Orientation Workshop

All students who want to use counseling services must first complete a college orientation workshop. Schedule a work-

shop in your WebSMART account. Enter WebSMART, click on Student Records, find Student Appointments. Bring to the workshop your placement test results. Please arrive on time as latecomers are asked to reschedule. At the completion of the 1.5 hour workshop you are eligible to meet with a counselor.

High school students participating in the College Connection Concurrent Enrollment Program are not required to go to the College Orientation. However, they are welcome to go and gather more information about the college.

Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a 1 or 2 semester student educational plan (SEP) in your Degree Works.

Step 5: Register for Classes and Pay Fees

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

Step 6: Sign In and Use Your Assigned my.smccd.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

Board of Governor’s Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 21).

Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of \$5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-

time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$287 – \$5,730.

Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,473; Cal Grant C \$547.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit www.icanaffordcollege.com

California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

Extended Opportunity Programs and Services (EOPS)

EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

California Dream Act

The Dream Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including Board of Governors Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

Loans and Scholarships

Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit collegeofsanmateo.edu/financial or call the Financial Aid and Scholarship Office at 574-6146 for more information.

Financial Aid Steps

Step 1: Apply

For 2015–16 file a 15–16 FAFSA at www.fafsa.ed.gov. College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). It is also recommended that you attend a free Financial Aid workshop. Log in to WebSMART for dates and sign-up.

Step 2: Student Aid Report Received

After you apply, you’ll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution

(EFC). The EFC, a measure of your family’s financial strength, is used to determine your eligibility for federal student aid.

Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy and then brought to the Financial Aid Office for review. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

Step 4: Submit Documents

Submit all required documents to College of San Mateo’s Financial Aid Office. File is complete!

Step 5: Notification of Result

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of Financial Aid they qualify for at CSM.

Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account.

Educational Goals at CSM

View the College Catalog and the College website, collegeofsanmateo.edu, for more information about goals and opportunities at College of San Mateo.

University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

Associate Degrees for Transfer (AA/AS-T)

Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located in the CSM Catalog and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to www.sb1440.org or www.adegreewithaguarantee.com.

Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from over 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education

requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to the CSM Catalog.

Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 70 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates require 12–40 units of coursework and can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog.

Monitor Your Progress toward University

Transfer, AA/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

Gainful Employment Disclosure Information

Final regulations published in the Federal Register on October 29, 2010, [75 FR 66665 and FR 66832], by the U.S. Department of Education, require all institutions that participate in the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, to report certain information about students who enrolled in Title IV - eligible educational programs that lead to gainful employment in a recognized occupation. College of San Mateo's report on educational programs leading to gainful employment is available at collegeofsanmateo.edu/degrees.

Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.*

*Students participating in the CSM Financial Aid program are required to declare one primary educational goal.

Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. Attend the College Orientation and Course Selection Workshop to acquire information about program planning and how to achieve educational goals. All students who attend a workshop have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and placement test results, and monitoring academic standing.

A.A./A.S. Degree and Certificates Offered at CSM

Associate Degree for Transfer (AA/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

"Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!"

—Mike Mitchell, Transfer Services Coordinator

Nicole Borg (continued from page 3)

hard at fund raising so they can buy their softball apparel; that helps them to understand that wearing clothes with their team name carries responsibility.

Do you have a coaching mantra or favorite catchphrase?

I'm very upfront with my students and I tell them that playing softball at CSM will be the toughest athletic experience of their lives to this point. When my athletes face challenges, my message is: "If it were easy, everyone would do it!"

What do you enjoy most about coaching?

Being able to see my student-athletes evolve over their two years at CSM. I observe their transition from the time they arrive as girls to when they leave as women. It's exciting for them when they receive scholarships that allow them to continue their education and play at the university level.

Nearly all of your students receive scholarships to universities to continue their education and compete at the next level. How do you educate your athletes to achieve balance in academics and athletics?

We talk a lot about time management and setting priorities. Specifically, I make sure they understand that academics comes first, followed by athletics. I teach my students to understand the distinction that school is what they have to do while softball is what they want to do. My athletes love to come to practice but the privilege of putting on the uniform goes hand-in-hand with taking responsibility for academics.

What is the biggest challenge you face in coaching?

To educate both athletes and their parents about the opportunities a community college offers and how successful a student athlete can be at CSM. They tend to get caught up in the thinking that unless they attend a 4-year school, they're not successful. I work on changing that mindset so that they understand what a great stepping stone CSM provides through athletics and academics.

In your eight years of coaching at CSM, you have assembled some very impressive records. What do you attribute to the continued success of CSM's softball program?

Credit goes to members of my coaching staff who have been with me every step of the way for many years. They bring a wealth of experience and understand what it takes

to be successful. Assistant coaches Dale Bassmann, Toby Garza, Denise Fabris and Michelle Tating (Fabris and Tating are former CSM softball players) do outstanding work with our students. Each coach has a different role and makes a huge contribution to the success of the program. Together, we comprise a complete coaching staff. The other piece to the puzzle is obviously the student athletes who dedicate two years to this program and trust that the process works.

How do you inspire your athletes?

One of the first things I tell recruits is that I truly believe in this program and the value of a community college. I tell them that I was once in their shoes as a CSM student athlete. I try to lead by example: every day I show up to work so that they have a role model that they trust and believe in.

Describe your most memorable coaching moment.

During the 2011 first regional playoff series we were playing Shasta College in Redding and had lost the previous day's game and needed a win to stay in the competition. In the seventh inning, we were down by two runs and our number-nine hitter, Ashley Rincon, who was fighting an injury, was at the plate; she struck out in her three previous at bats. There were two outs and runners at first and third. With a 0-2 count, CSM was down to its last strike. In true Bulldog fashion, Ashley hit a walk-off, three-run home run to take us to the super-regional contest.

What advice do you have for young softball players who want to compete at the college level?

That you need to master your craft and be a student of the game because somewhere, someone is working harder than you. And, on game day, you don't want to say that you should have done more. I also emphasize that competing at the college level is a true privilege.

Where is CSM's softball program headed in the next five years?

After winning three conference championships in three years and going to the state final four for the past two seasons, our goal is to be the state champions.

What is the best part about coaching at CSM?

Because of my history at CSM as a player and now a coach and instructor, I'm happy to say I've been a bulldog for all of my adult life; I feel like I belong at CSM. Also, I'm fortunate that we have the amazing athletic facilities that we do. The state-of-the-art softball field that I get to coach on every day is by far the best field in Northern California. We are privileged to have a team house that the athletes can call their own. I also want to mention that in our athletic department, we have a tight knit unit of coaches and we support each other; it's a great group to be a part of.

What do you want the community to know about CSM's softball program?

I think it's important for the community to know that we develop young women to become better students, athletes and members of our community. Student athletes grow as they experience hard lessons learned in the classroom, on the field, and through their community service. Finally, I want the community to know that CSM is a great place for young women to start their collegiate career.

What do you enjoy doing when you're not coaching?

Spending time with my family. I look forward to watching my son Dylan and daughter Alexandria grow up to be well-rounded individuals.

Established in 2011, CSM's Athletics Hall of Fame honors the college's rich athletic legacy. To date, the following individuals have been inducted into the Hall; they include athletes, coaches and others who have made significant contributions to CSM's athletics program.

2011 Hall of Fame Inductees

- Archie Williams Track student-athlete, US Olympian gold medalist – 1936 Berlin Olympics
- Bill Walsh Football student-athlete, NFL coach
- Herb Hudson CSM multisport coach, athletic director
- Murius McFadden . . CSM multisport coach, athletic director
- Ray Balsley CSM basketball/golf coach
- Tom Martinez CSM multisport coach
- John Noce CSM baseball coach, Olympic coach
- Nicole Carroll-Lewis . Track student-athlete, US Olympian
- Bob Rush CSM track/cross-country coach
- John Madden Football student-athlete, NFL coach, football announcer
- Bill Ring Football student-athlete, SF 49er Superbowl player
- Neal Dahlen CSM football coach, NFL coach
- Jack Avina CSM basketball coach, University of Portland coach
- Ted Tollner CSM football coach, NFL coach
- Bill Dickey CSM football coach
- Jenny Freeman Softball student-athlete

2012 Hall of Fame Inductees

- Norm Angelini . . . Baseball student-athlete
- Stacy Bergstedt . . Softball student-athlete
- Greg Buckingham . Swimming student-athlete
- Oliver Byrd CSM track & field coach
- Chris Diehl Track & field student-athlete
- Rich Donner CSM water polo/swimming coach
- Jeff Fishback Track & field student-athlete
- Cindy Galarza . . . Basketball student-athlete
- Steve Hamann . . . Water polo student-athlete
- Ed Kertel Football student-athlete
- Mike Lewis CSM track & field coach
- Frank Pignataro . . Baseball student-athlete
- Tom Scott Football student-athlete
- Steve Shafer CSM football coach
- Jack Thur CSM football coach
- Berny Wagner . . . CSM track & field/cross country coach

2015 Hall of Fame Inductees

- Scott Feldman Baseball student-athlete
- Daniel Nava. Baseball student-athlete
- Mike Solari Football student-athlete
- Milt Axt Football and baseball student-athlete
- Al Terremere Football student-athlete
- Randy Gomez Football and baseball student-athlete
- Stella Edwinson. . . Track student-athlete
- Perry Parmelee . . . Football student-athlete
- Dr. Marcel Hetu. . . Track student-athlete
- Bob Peterson. . . . Basketball student-athlete
- Bob McClure Baseball student-athlete
- Doug Scovil CSM Football Coach, NFL coach
- Jerry Scattini Football student-athlete
- Bea Godoy. Softball and basketball student-athlete
- Julio Bortolazzo. . . Former president, College of San Mateo
- Caroline Silva Academic advisor to student-athletes
- Ron Galatolo Chancellor, SMCCCD

Since 1922, the tradition continues

Enrollment Management

- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this Schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

ELECTRONICS TECHNOLOGY

ELEC 111 INTRODUCTION TO ELECTRONICS FUNDAMENTALS (CSU)

A \$33.00 materials fee is payable upon registration.

INTERDISCIPLINARY STUDIES

Students accepted into this new and unique interdisciplinary community will join a dedicated group of faculty and students working together to create a rich, intellectual experience at CSM. Students will earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project research seminar. Students must be accepted into the Honors Project before registering for seminars. For more information, contact David Laderman (laderman@smccd.edu)

LEARNING COMMUNITIES

MANA

MANA is a transfer and support program with the goal of increasing proficiency in communication skills for success in college, work and life. The MANA program focuses on the Pacific Islander American student experience and is open to all students. The three primary components of the program are Ethnic Studies, Communication and Academic Support. Students are strongly encouraged to enroll in LCTR 240, and choose from ETHN 105 and/or COMM 110. For more information and registration access, contact Finausina Tovo (tovof@smccd.edu).

95032	LCTR 240 AA	MWF	11:10-12:00	10-220	Staff	3.0
82986	COMM 110 AH	MWF	10:10-11:00	16-247	Motoyama	3.0
		TBA Hours:	By Arr	1.0 Hr/Wk	10-220	
94686	ETHN 104 AA	TTh	8:10-9:25	14-102	Palaita	3.0

Puente Project

The Puente Project is a transfer support program with English, counseling and mentoring components. This learning community focuses on Latino literature and experiences and spans two semesters. In fall, students eligible for ENGL 838 or 848 register for ENGL 838 and CRER 128. In spring, students continue with ENGL 105 and CRER 129. Students are required to enroll in the English and career classes concurrently each semester as well as attend out of class field trips and activities. Interested students must first attend a Puente Project orientation for registration access. For more information and orientation dates, contact Jon Kitamura (kitamura@smccd.edu) or Lorena Gonzalez (gonzalez@smccd.edu). Visit collegeofsanmateo.edu/puente.

		TBA Hours:	By Arr	1.0 Hr/Wk	18-102	

Umoja

Umoja is a transfer support program that focuses on the African American experience through the study of culture, history, literature, and identity. The courses offered through this program are Ethnic Studies, English, and Counseling. Students must enroll in Ethnic Studies 105 in the fall and Ethnic Studies 288 in the spring. Students are also strongly encouraged to enroll in designated Umoja English and Counseling courses. For more information and registration access, contact Frederick Gaines (gainesf@smccd.edu), Jeremy Wallace (wallacej@smccd.edu), or Jesenia Diaz (diazj@smccd.edu). Visit collegeofsanmateo.edu/umoja.

Writing in the End Zone

This learning community links Composition and Reading and Varsity Football. Students will continue intensive critical reading and writing practice, focusing on expository texts. Students will reflect on and refine their reading and writing processes, learn to incorporate a variety of advanced and sophisticated sentence structures into their writing, and write logically organized and developed academic, text-based essays on a variety of socially and culturally significant topics, some of which may relate to athletics.

Final Exam Schedule: Fall 2015

Final examinations are held in the classroom in which the class has met during the semester. Students are requested not to contact instructors or the Office of Admissions and Records for individual grades. **Final grades will be available beginning January 6, 2016 on WebSMART at collegeofsanmateo.edu/websmart.**

Day Classes

Time and Days of Regular Class Meeting		Final Examination	
8:10 am	MWF, MW, Daily	8:10-10:40 am	Friday, Dec. 18
8:10 am	TTh, T, Th	8:10-10:40 am	Tuesday, Dec. 15
9:10 am	MWF, MW, Daily	8:10-10:40 am	Wednesday, Dec. 16
9:35/ 9:45 am	TTh, T, Th	8:10-10:40 am	Thursday, Dec. 17
10:10 am	MWF, MW, Daily	8:10-10:40 am	Monday, Dec. 14
11:10 am	MWF, MW, Daily	11:10- 1:40 pm	Wednesday, Dec. 16
11:10 am	TTh, T, Th	11:10- 1:40 pm	Tuesday, Dec. 15
12:10 pm	MWF, MW, Daily	11:10- 1:40 pm	Monday, Dec. 14
12:35/ 12:45 pm	TTh, T, Th	11:10- 1:40 pm	Thursday, Dec. 17
1:10/1:35 pm	MWF, MW, Daily	2:10- 4:40 pm	Wednesday, Dec. 16
1:10 pm	TTh, T, Th	2:10- 4:40 pm	Tuesday, Dec. 15
2:10 pm	MWF, MW, Daily	2:10- 4:40 pm	Monday, Dec. 14
2:10 pm	TTh, T, Th	2:10- 4:40 pm	Thursday, Dec. 17
All Others		11:10- 1:40 pm	Friday, Dec. 18

Notes:

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

Evening/Weekend Classes

Final examinations for all evening, Saturday and Sunday classes will be given during the last class meeting for all courses:

Day of Regular Class Meeting	Final Examination
Monday classes	Monday, Dec. 14
Tuesday classes	Tuesday, Dec. 15
Wednesday and Monday/Wednesday classes	Wednesday, Dec. 16
Thursday and Tuesday/Thursday classes	Thursday, Dec. 17
Friday classes	Friday, Dec. 18
Saturday classes	Saturday, Dec. 12
Sunday classes	Sunday, Dec. 13

Note:

Monday/Wednesday classes follow the Wednesday final examination schedule, and Tuesday/Thursday classes follow the Thursday schedule.

The CSM Catalog is your reference document for detailed degree, course or college information

Please visit collegeofsanmateo.edu/catalog to view or download the CSM Catalog

Fees

Fees are due and payable at the time of registration. **Students will not be able to register for classes if they have any outstanding balance.** On **Monday, August 3, 2015** students who have any outstanding fee balances for Fall 2015 will be dropped at midnight for non-payment of fees. Beginning **Tuesday, August 4, 2015, two weeks prior to the start of the Fall semester**, students will be dropped at midnight the day following their registration for non-payment of outstanding fees. For more important information, visit collegeofsanmateo.edu/fees.

Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Center for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

If you need assistance in paying your fees, you are encouraged to:

- Enroll in an inexpensive payment plan via WebSMART
- Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
- Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmpvps@smccd.edu.

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

Credit and Refund Policy

Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 17, Room 112.

Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Business Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Fee Type	Amount	Required of																		
Enrollment Fee	\$46 per unit	All students except high school students enrolling for less than 11.5 units through the Concurrent Enrollment Program or Middle College High School Program																		
Health Services Fee*	\$16 Summer \$19 Fall \$19 Spring	All students except those enrolled ONLY in off-campus classes, Saturday classes, Distance Education courses, or the Concurrent Enrollment Program																		
Student Representation Fee**	\$1	All students except High School students enrolled in the Concurrent Enrollment Program or Middle College High School Program																		
Nonresident Tuition Fee	\$213 per unit (plus \$46 per unit Enrollment Fee)	Nonresidents of California who are residents of other states Students who possess "T" or "U" visas are exempted																		
Nonresident Student Capital Outlay Fee	\$8 per unit	Nonresidents of California who are residents of other states																		
International Application Fee	\$50	For fall and spring semesters only																		
International Student Tuition Fee	\$213 per unit (plus \$46 per unit Enrollment Fee)	International students																		
International Student Capital Outlay Fee	\$8 per unit	International students																		
International Student (F-1 Visa) Health Insurance studentinsuranceusa.com	\$210 Summer \$630 Fall or Spring \$1260 Full Year	All F-1 Visa international students																		
Student Body Fee***	\$8 Fall \$8 Spring	Students who purchase a photo ID student body card receive discounts throughout the year and also support many student-sponsored activities and programs (The Student Body fee is automatically assessed as part of your total fees; if you choose not to pay this fee, visit the Center for Student Life and Leadership Development, Building 17, Room 112, before last day to drop with eligibility for credit and refund deadline. See Important Dates on page 2.)																		
Parking Fee***	<table border="1"> <thead> <tr> <th></th> <th>Regular</th> <th>BOG</th> </tr> </thead> <tbody> <tr> <td>Summer</td> <td>\$27</td> <td>\$25</td> </tr> <tr> <td>Fall</td> <td>\$52</td> <td>\$30</td> </tr> <tr> <td>Spring</td> <td>\$52</td> <td>\$30</td> </tr> <tr> <td>Daily</td> <td>\$2</td> <td>\$2</td> </tr> <tr> <td>Two-Term (Fall/Spring)</td> <td>\$94</td> <td>\$60</td> </tr> </tbody> </table>		Regular	BOG	Summer	\$27	\$25	Fall	\$52	\$30	Spring	\$52	\$30	Daily	\$2	\$2	Two-Term (Fall/Spring)	\$94	\$60	Persons who park motor vehicles on campus (Daily permits may be purchased for \$2 from ticket dispensers in designated areas). The parking fee is optional and not transferable to other students; disabled parking permits are issued only by the Disabilities Resource Center - See Parking Regulations on page 23. BOG parking permits are for low income students who demonstrate financial need under federal or state standards. For lost or stolen permits, please see Parking Regulations on page 23.
	Regular	BOG																		
Summer	\$27	\$25																		
Fall	\$52	\$30																		
Spring	\$52	\$30																		
Daily	\$2	\$2																		
Two-Term (Fall/Spring)	\$94	\$60																		
Audit Fee	\$15 per unit (students enrolling in a variable unit course must pay for maximum units)	Students enrolled in 10 or more units for credit can audit up to three additional units free of charge - See Auditing policy in the CSM Catalog																		
Instructional Materials Fee	Varies by course	Students enrolled in courses for which instructional materials are needed. Check course information in class listings or WebSCHEDULE. Non-refundable.																		
Duplicate Diploma Fee	\$20																			
Returned Check Fee	\$20	Students whose personal checks are returned by the bank (Only cash, credit card or cashier's check will be honored to clear a returned check - Bookstore fee may differ)																		
Transcript Fee	\$5 official \$10 additional for rush service	Students requesting a transcript of their academic record at College of San Mateo, Cañada College and/or Skyline College (The first two transcripts ever requested are free)																		

* Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization may be exempted from paying the Health Services fee. For details, contact the Health Center, Building 1, Room 147, (650) 574-6396.

** A student has the right to refuse to pay the \$1 Student Representation fee for religious, political, moral or financial reasons. This refusal must be submitted in writing to the Center for Student Life and Leadership Development, Building 17, Room 112, before last day to drop with eligibility for credit and refund deadline. See Important Dates on page 2.

*** This fee is optional. Please refer to "Required Of" column for further information.

† Acceptable forms of payment are cash, check, credit card and debit card. Cash is accepted in-person only. Make check payable to College of San Mateo.

Getting the Community Moving *(continued from page 1)*

based feedback helps students understand the physiological changes directly related to participation in the course. Wolf says, "Providing this feedback is an important health tool for our students. We are finding that students are more likely to continue with fitness activities and skill development."

The division's lecture based-courses are those that focus on theory. These courses provide the foundational principles for students in certificate programs as well as transfer students planning to pursue careers in kinesiology, exercise science, physical education, physical therapy, coaching and fitness management, and dance at the university level.

Students interested in launching careers in the growing fitness industry will also find lecture classes associated with CSM's newest workforce training and certificate programs in yoga, Pilates, personal training and group exercise. These programs are designed to move students into the workforce in a relatively short period of time. Once they complete the coursework, students receive a certificate of specialization from CSM and are eligible to take national certification exams in each of the four areas. In addition, CSM has partnered with the San Mateo Athletic Club (SMAC), located on CSM's campus, to offer internships to students in certificate programs; this work experience has provided valuable training in helping students secure positions in the field.

CSM has a growing dance department that offers a well-rounded dance education program representing many genres and skill levels. With the recent hiring of a full-time dance instructor, students will find increased opportunities in this area. The department is currently working on developing an associate degree in dance for students who want to major in the field and continue their studies at the university level.

CSM's kinesiology department also provides a variety of adapted physical education classes for students who need rehabilitation activities to maintain mobility and health and to fight debilitating conditions and injuries. Specially trained instructors work with students with physical limitations or disabilities to help them overcome health issues and get their lives back on track. Many students are able to reenter the work force while others work on improving functions required for daily activities.

ATHLETICS

CSM has a rich athletic history dating back to 1922, and today, the college continues to provide students with a quality intercollegiate athletic program. The program currently supports approximately 200 student athletes competing in 11 intercollegiate sports, five for men: baseball, football, track and field, cross country and swimming; and six for women: basketball, softball, track and field, cross country, swimming and water polo. Beginning in fall, 2016, the college will add women's volleyball, a very popular sport in the area.

Athletics at CSM is considered one of the top programs in the state in terms of athletic success and academic achievement. Wolf credits his coaching staff with creating a culture of success both on and off the playing field. "CSM has an incredible team of highly dedicated coaches who have adopted a philosophy that focuses on the 'student' in student athlete. CSM's coaches consistently convey the message to their players that their role as students comes first and as athletes second. As a result, approximately 80 percent of CSM's student athletes transfer to universities to continue their intercollegiate athletic and academic careers. Furthermore, athletes represent 4 percent of CSM's student population but receive more than 10 percent of the degrees awarded. In addition, most receive scholarships to continue their education. In 2013, CSM's athletes received scholarships totaling more than \$2.3 million dollars.

Over the past nine decades, CSM alumni have achieved great success on and off the playing fields. Many have joined the ranks of professional athletes and coaches including several Olympians, Super Bowl and World Series champions and countless others who have excelled at the university level, as educators, innovators and leaders in the community. To honor the college's sports legacy, in 2011, the college established the CSM Athletic Hall of Fame. Today, there are 49 members who have been enshrined in the Hall.

The notion of "a sound mind in a sound body" resonates through all the division's programs. Coaches and instructors promote health and wellness and empower students to apply what they learn to make healthy lifestyle decisions. Wolf adds, "By exposing students to the benefits of education, physical activity and athletics, CSM is contributing to the improved well-being and quality of life for members of the community we serve."

College Catalog & Policies

The College of San Mateo Catalog contains detailed course descriptions, suggested programs of study, a list of transferrable courses, degree and certificate requirements, and general college information. There are also a number of college policies that are important for students to know. These include, but are not limited to:

- Course Repetition
- Crime Awareness/Student Right To Know
- Dismissal
- Drug-Free Campus
- Guidelines for Addressing Cheating and Plagiarism
- Probation
- Sexual Assault
- Sexual Harassment
- Smoking
- Student Conduct and Disciplinary Actions
- Student Grievances and Appeals
- Student Rights and Nondiscrimination
- Privacy Rights

For more information about all the items listed above, please obtain a free copy of the catalog at the Bookstore or view online at collegeofsanmateo.edu/catalog.

Support Services & Special Programs

CSM offers a variety of student services to assist you in reaching your educational goals. These programs include:

- Admissions & Records
- CalWORKS
- Career Services
- Child Development Center
- Counseling Services
- Disabled Students Programs & Services (DSPS)
- Extended Opportunity Programs & Services (EOPS)
- Financial Aid
- Health Services Center
- High School Enrollment Programs
- Honors Project
- International Student Center
- Learning Center
- Middle College
- Multicultural Center
- Placement Testing
- Priority Enrollment Program (PEP)
- Psychological Services
- Puente Project
- Scholarships
- Student Life
- Transfer Services
- Umoja Program
- Veterans Services

For specific information about each of these programs, their locations and hours of operation, please visit our Student Services webpage at collegeofsanmateo.edu/student-services. The CSM Catalog is available online and provides detailed information about each of these programs.

Bookstore

Books and supplies may be purchased at the College of San Mateo Bookstore (College Center, Building 10, Second Floor, 574-6366). To purchase and find information regarding course textbooks and business hours, go to collegeofsanmateo.edu/bookstore.

Student Success *(continued from page 1)*

related skills. "I learned how to choreograph dances for our PDE concert where dance students showcase their skills. I also performed my first solo dance."

Through her participation in CSM's dance community, Julianne learned about another opportunity that would diversify her dance background. Laurel Elementary School in San Mateo needed volunteers to teach dance to special education students. It was new territory for Julianne but she was excited about the challenge. "Teaching dance to the children turned out to be a wonderful experience as I learned about working with children. It warmed my heart to watch them grow through the dance process," she says.

While she was enjoying her pursuit of dance, Julianne also concentrated on her general education coursework to prepare to transfer to a university. She found supportive instructors throughout her classes. "Rudy Ramirez, my ethnic studies professor, was inspiring. Besides teaching, he produces a rhythm and blues show each semester at CSM and he gave me the opportunity to perform in his productions."

Despite her passion for dance, Julianne wasn't necessarily looking to pursue a professional dance career. However, she wanted to find a major that would provide career opportunities and apply to the field of dance. She made that connection in her communication studies classes. "My favorite class was Intercultural Communications. Learning how different cultures communicate has been fascinating."

Julianne will graduate with her AA degree in communication studies this May and transfer to an out-of-state university to continue to study dance and communications. As to her future plans, she says, "I don't know exactly where it will lead me but I want to blend my interests in dance and communications. I hope to work with people in various parts of the world, perhaps as a dance therapist or dance instructor for children."

"I've enjoyed my experience at CSM and now I feel ready to move on to a university. By attending CSM, I've had the opportunity to broaden my knowledge in many different areas. I made important decisions about my major and minor and where I want to continue my education. I have a much clearer vision for my life."

Parking Regulations

Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am–10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$52 each for the fall and spring semesters (Fall/Spring Permit \$94) and \$27 for the summer session. Parking permits for students with California Board of Governors (BOG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Business Office) and then pay for the permit and pick it up in the Cashier's Office. Temporary Parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$2 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in student lots only. **Citations will be issued beginning on Monday, August 31, 2015 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

Visitor Parking

Visitors may park in PayBySpace Visitor Lots Beethoven 2A, 2D and Forum Lot 8 (\$0.25 for each 15 minutes). After entering the space number in which the vehicle is parked into the machine and depositing

sufficient money to purchase required time the permit machine located at each of the visitor lots will issue a receipt that need not be displayed in the vehicle.

Visitors may also park in a student lot after purchasing and displaying in the vehicle (face-up on dashboard) a \$2 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map.

San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club are required at all times for parking in designated areas in Olympian lot 12 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit smccd.edu/sanmateoathleticclub.

Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation.

Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:15 p.m. Routing information is available by calling 1-800-660-4BUS or visiting samtrans.com and caltrain.com. Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 17, Room 112.

Patricia Miljanich, Vice President-Clerk
Richard Holober
Dave Mandelkern
Thomas C. Mohr
Rupinder Bajwa, Student Trustee 2014/15
Ron Galatolo, District Chancellor

Accuracy Statement

College of San Mateo and the San Mateo County Community College District have made every reasonable effort to determine that everything stated in this schedule is accurate. Courses and programs offered, together with other information contained herein, are subject to change without notice by the administration of College of San Mateo for reasons related to student enrollment or level of financial support, or for any other reason, at the discretion of the College. The College and the District further reserve the right to add, amend or repeal any of their rules, regulations, policies and procedures, in conformance with applicable laws.

Use of Photography

College of San Mateo, a non-profit California Community College, reserves the right to take and use photographs, video and electronic images of students and visitors taken on college property and at college-sponsored events for marketing and promotional purposes. Objection must be made in writing to the Community Relations & Marketing Office.

This publication is produced by CSM's Community Relations and Marketing Department. It is available upon request in an alternate format by calling College of San Mateo's Disability Resource Center at (650) 574-6438.
