Planning for college can be daunting. How much will it cost? Which classes do I take? What if I need help in math or writing? Not only is there tuition, but books and fees can add up. Due to these common obstacles, many students don't feel prepared for college-level work.

That is why College of San Mateo has developed the Year One Promise—a program that removes the financial stress while providing important tools for having a successful first year of college. The Year One Promise combines a full scholarship, up to \$750 for books, and a dedicated counselor who will work with each student to make an education plan.

"What we hope to achieve with our Year One Promise initiative is to think differently about how we connect all first-time, full-time students to our campus community," says Lizette Bricker, dean of enrollment services & support programs at CSM. "The Year One Promise combines financial support and student support so that students have all the tools they need to succeed.

The Year One Promise includes full tuition for the first year of college (fall, spring and summer semesters), up to \$750 towards the costs of textbooks, and mandatory counseling support, workshops, and other services designed to get students off to a good start.

To participate in the Year One Promise, students must enroll full time (12 units or more) for the 2018-19 academic year. They must be first-year, first-time students who completed their high school degree, GED/HSE, or Adult Education in the United States after October 1, 2017. Priority will be given to recent, local high school and adult school graduates.

## Schedule of Classes ~ Fall 2018 ~ Session begins August 15

### Alumni at a Glance

Julian Edelman (left) receives CSM Athletics Hall of Fame Award from CSM Dean of Athletics Andreas Wolf in January 2018.

### Julian Edelman

NFL Wide Receiver,  
New England Patriots

2015 & 2017 Super  
Bowl Champion

CSM Athletics Hall of  
Fame Inductee

CSM Alumnus; graduate of  
Woodside High School

As a member of the 2017 Super Bowl Champion New England Patriots, Edelman earned CSM's 18<sup>th</sup> Super Bowl ring, following in the tradition begun by NFL greats John Madden and Bill Walsh. He caught a stunning game-changing pass from Tom Brady with two minutes left in the fourth quarter. After this, the Patriots overcame an 8-point fourth quarter deficit for a 34-28 victory over the Atlanta Falcons in Super Bowl LI.

Edelman played quarterback for CSM in 2005. Leading the Bulldogs to an 8-3 season, he passed for 1,312 yards and 14 touchdowns and rushed for 17 touchdowns and a CSM record of 1,253 yards; he earned All American honors.

Edelman transferred to Kent State University where he was a 3-year starter at quarterback. In his senior year, he was the school's leading passer and rusher. He was drafted by the Patriots in the seventh round of the 2009 NFL Draft.

Edelman recently returned to San Mateo for inductions into the CSM Athletics Hall of Fame and the Peninsula Sports Hall of Fame.

## Year One Promise Opens New Doors

Seventeen year-old Romell Mccalpin-Carter sat in his high school classroom, feeling like his eyes were clouding up as he thought about going to college. A voice chided in his mind, "what is the point of going to college, if you are destined to fail?"

This experience is not uncommon for first-generation college students, and Romell Mccalpin-Carter is one of many who face this struggle. That is why CSM developed the Year One Promise program, which helps students with the financial and academic support they need to succeed in college.

The Year One Promise scholarship includes a year of free tuition and up to an additional \$750 for textbooks. This gives students not only financial relief, but also the support and guidance to see them through their first year and beyond.

This past year, the Promise Scholarship was awarded to 231 students. Two out of every three of these Promise Scholars were first-generation college students. The Promise Scholarship enables students to dream and set goals without limitations due to financial burdens.

The Promise Scholarship meant a breath of fresh air for Mccalpin-Carter. Unlike his peers, his mom didn't plan on him going to college. He was left with no choice but to fend for himself.

"Everyone who attempted in my family was told there is no point in going to college," explains Mccalpin-Carter. It's difficult when no one has attended college in your family and no one plans for it, let alone expects it.

"My breath was taken away knowing I didn't have to pay tuition. I was so happy like I was almost about to cry."

Mccalpin-Carter is currently in his second semester at College of San Mateo and plans on pursuing psychology. Committed to helping those fighting with mental illnesses, he firmly believes, "If your brain can't be healthy, how can you physically be healthy?"

"African Americans don't talk about mental illness," elaborated Mccalpin-Carter, who is a San Mateo High School graduate. "And even if they do, it's thrown out as in, 'oh you just wanted attention.'" He hopes to help change this mindset.

The Year One Program aided his transition from San Mateo High School. The program helps you figure out how you learn and build the academic skills you may not have acquired in high school, said Mccalpin-Carter.

"When I was in middle school I was told there was no point in going to college because I was a bad student. What people failed to realize was that this was my version of asking for help," says Mccalpin-Carter. "I was a bad student because I wanted help. I didn't know what I wanted to do with my life."

Mccalpin-Carter says it's a matter of whether you are "the kind of person who keeps going if they fail, or the kind of person who quits. In Year One I learned what I needed to do in order to keep pushing myself."

Today, as he finishes up his first year at College of San Mateo, he hopes to transfer to a historically black college or university (HBCU). He has been inspired by his participation in Umoja, which is a learning community that focuses on African American experience through the study of culture, history, literature, and identity.

# Message from the President

We all know the challenges students face in making the decision to go to college. Tuition and books are expensive. There may be pressures to work or help out with the family. At the same time, a post-secondary education is more important than ever for young people to compete in the job market.

The articles in this Fall 2018 *Schedule of Classes* focus on the promise of a college education, the barriers students face in reaching that promise, and the resources CSM offers to help students achieve their goals.

That begins with our Year One Promise program. In 2017, College of San Mateo offered its first class of Promise Scholarships. These scholarships cover the full cost of tuition (and a good deal more) for a student's first year at CSM. All students have to do is to apply for financial aid, enroll full-time, and maintain a minimum 2.0 grade point average. More than 200 students signed up for the first year, and it looks like we will double that number for 2018–19.

While the scholarship goes a long way toward alleviating some stress, we realize that there are many other challenges students face in their first year of college. That is why CSM also created its Year One program, which offers specialized counseling, workshops, classes, social events and a support group to help students succeed.

You can see the power of these programs in our story on Romell Mccalpin-Carter (p.1), a CSM student who vividly describes the anxieties students feel about

making the decision to go to college. Romell was not confident he could succeed in college, and people discouraged him from trying. But he came to CSM and found an amazing support network. CSM's Year One Promise made the difference by removing most of the costs of college and providing an inspiring learning community to drive him forward in his studies.

Learning communities bring together students of similar backgrounds or interests, such as Pacific Islander or LatinX culture. These students take courses together, study together, and have faculty dedicated to supporting their interests and needs. The result is a close-knit community of students who help each other and celebrate each other's successes. There is a guide to CSM's learning communities on page 3 of this schedule.

One outstanding product of our learning communities is CSM alumnus Julian Edelman, the Super Bowl-winning wide receiver for the New England Patriots. As a student and star quarterback for the CSM Bulldogs, Julian participated in our Writing in the End Zone learning community. English faculty and coaches developed this unique program to support student-athletes in the classroom and on the field. Julian has been a good friend to CSM, returning to campus to speak with our students and inspire them with his story.

This class schedule shows the amazing array of classes, student support resources, and people here to help students fulfill their promise. Have a great fall.

## About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students per semester. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, student clubs, and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue to four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit [collegeofsanmateo.edu/explorecsm](http://collegeofsanmateo.edu/explorecsm). Guided campus tours can be scheduled through [collegeofsanmateo.edu/tours](http://collegeofsanmateo.edu/tours).

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

College of San Mateo is committed to equal opportunity regardless of age, gender, marital status, disability, race, color, sexual orientation, religion, national origin or other similar factors, for admission to the College, enrollment in classes, student services, financial aid and employment in accordance with the provisions of Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972 (45CRF 86), Section 504, Rehabilitation Act of 1973 (P.L. 93-112), and the Americans With Disabilities Act of 1990.

# Expanding Minds & Opportunities: My Honors Project Experience

Diego Zarabanda (left) gets research advice from Honors Project Coordinator David Laderman.

By Diego Zarabanda

Joining the Honors Project was one of the best decisions I made while attending CSM. I felt a little lost and overwhelmed during my first year at CSM, until I found out about the Honors Project through one of my professors. It worked out perfectly since I was looking for an extracurricular activity to balance out my schoolwork and keep me busy outside of class. Soon, I realized that the Honors Project was much more enriching than I expected: I found that the program really pushes students to challenge themselves and strive for academic achievement.

I applied to the Honors Project, and once I gained admission, I was required to take a semester's worth of weekly seminars. The following semester, I had the choice of working on projects via an independent contract, which

has been great due to its flexibility. If you're a busy student, like myself, an independent contract allows you to work on projects with the supervision of a foundation professor, at your own pace, and you're not required to attend weekly seminars.

In addition to a flexible schedule, the Honors Project allows me to attend intellectually stimulating conferences, have dynamic conversations with my peers, and conduct detailed research which I present at end-of-semester seminars. The program even offers a Transfer Alliance Program (TAP) membership to UCLA, which is my top transfer choice. Not to mention, the Honors Program gives students a competitive edge in the transfer process, awards students with honors credits on their transcripts, and gives them priority enrollment.

*"We're especially proud of being a diverse and inclusive program, dedicated to networking with other learning communities and giving all students a chance to excel and follow their intellectual passions."*

**-David Laderman,  
Honors Project Coordinator**

Aside from all the academic perks, the Honors Project also offers a wide network of support and a sense of community; I have the pleasure of working with amazing students, faculty, and staff who ground me and make me feel welcome. I've found that you're more likely to maintain closer connections with your professors and build more solidarity with your peers, since you're all experiencing the same things. I'm proud to say that the Honors Project has been absolutely invaluable in my academic and personal endeavors.

## Interested in applying to CSM's Honors Project?

CSM welcomes eligible students to participate in the Honors Project. Applications are accepted year round, but students should apply before the semester in which they plan to begin honors coursework. To apply, please visit [collegeofsanmateo.edu/honorsproject](http://collegeofsanmateo.edu/honorsproject).

## What are Learning Communities and Why do We Offer Them?

Learning Communities are cohort-based programs that link instructors across disciplines and connect people who share common academic goals and attitudes. CSM's learning communities offer an innovative and exciting approach to learning designed for student success.

Connecting with other students through a common interest is very important in a student's first year of college. Joining a learning community provides a more engaged and satisfied college experience. Learning community connections are both intellectual (understanding the correlation between classes) and social (making close friends). By joining one of these programs, students join a group of peers, instructors, counselors, and administrators who support and encourage each other. In short, being a part of a learning community improves student success and enhances the academic experience at CSM.

### Cultural Communities

**Mana** is a transfer support program that focuses on specialized retention support strategies needed for success in college. It focuses on the Pacific Islander American-student experience and is open to all students. The three primary components of the program are ethnic studies, communication and academic support.

Visit [collegeofsanmateo.edu/mana](http://collegeofsanmateo.edu/mana) to learn more.

**The Puente Project** is a collaborative transfer support program. Puente, meaning "bridge" in Spanish, is symbolic of how the Puente Project serves as a bridge for the community college student, both from their home culture to academia and from community college to the transfer process.

The Puente Project links English and career classes in a one-year learning community that advances the Puente mission to increase the number of educationally underrepresented students who enroll in four-year universities, earn college degrees, and return to the community as leaders and mentors.

Visit [collegeofsanmateo.edu/puente](http://collegeofsanmateo.edu/puente) to learn more.

CSM Umoja graduates (2016)

**Umoja**, (a Kiswahili word meaning unity) is a community and critical resource designed to enhance the educational experiences of African American and other students. The program pairs English and ethnic studies in a two-semester program. Students are required to enroll in the English and ethnic studies classes concurrently each semester as well as attend out of class field trips and activities as members of the Umoja community.

Visit [collegeofsanmateo.edu/umoja](http://collegeofsanmateo.edu/umoja) to learn more.

### Interest Communities

**Honors Project** is a unique interdisciplinary community that joins a dedicated group of faculty and students, who work together to create a rich, intellectual experience at CSM.

Students earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project research seminar.

Visit [collegeofsanmateo.edu/honorsproject](http://collegeofsanmateo.edu/honorsproject) to learn more.

**Writing in the End Zone** is a learning community that links English and Physical Education. It began in 2004 as a response to concerns about the low success, retention, and persistence rates of African American and Pacific Islander male students at College of San Mateo in English courses.

Working closely together, English faculty and football coaches have created a seamless program that fosters student-athletes' success in the classroom and on the field.

Writing in the End Zone won the *Spirit of CSM* award in 2009 and an honorable mention for *Exemplary Programs* in 2010 from the California Community Colleges Board of Governors.

Visit [collegeofsanmateo.edu/wez](http://collegeofsanmateo.edu/wez) to learn more.

### Transitional Communities

**Project Change** is the first community college supported program in California to provide wrap-around student support services, direct access to postsecondary education for incarcerated youth, and in-person college instruction inside juvenile youth facilities.

The project connects students to resources and programs at CSM, such as a college readiness summer bridge program, social and academic support services, nationally recognized cohort learning communities (Puente, Umoja, and Mana), and career and technical education programs. Students are provided a clear pathway to resources on campus to enhance success.

Visit [collegeofsanmateo.edu/projectchange](http://collegeofsanmateo.edu/projectchange) to learn more.

## Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See How to Apply and Enroll on page 5.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

### Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

### Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$233 per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing “T” or “U” visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

## Getting Started at CSM

### Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the proceeding term. Submit an Application for Admission at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply). After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Fall 2018 Important Dates on page 2.

### Priority Enrollment Program (PEP)

*For graduating high school seniors*

In the spring semester, College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2018. More information about PEP can be found at [collegeofsanmateo.edu/pep](http://collegeofsanmateo.edu/pep).

### Continuing Students Registration Priority

Continuing students maintain their registration priority by having a current Student Educational Plan (SEP), completing the matriculation process, maintaining good academic standing, and having earned less than 100 degree-applicable units within the district.

Students who attended the Fall 2017, Spring 2018, or Summer 2018 semesters are considered continuing students. Students will be sent a WebSMART registration appointment email which includes their registration appointment date. Continuing students may register at [collegeofsanmateo.edu/webSMART](http://collegeofsanmateo.edu/webSMART) on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

### College Connection Concurrent Enrollment Program

The high school College Connection Concurrent Enrollment Program is a special program designed to provide current 9<sup>th</sup>–12<sup>th</sup> graders the opportunity to get an “early start” on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

Step 1: Apply for admission online at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply).

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: If you plan to register for English or math courses or a course that has an English or math prerequisite, take English and Math assessment at CSM. More information can be found at [collegeofsanmateo.edu/assessment](http://collegeofsanmateo.edu/assessment).

Step 4: Submit your Course Request Form via WebSMART.

Step 5: Register for classes at [collegeofsanmateo.edu/webSMART](http://collegeofsanmateo.edu/webSMART).

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit [collegeofsanmateo.edu/cc](http://collegeofsanmateo.edu/cc).

### Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education (CSUGE) Certification, or to an Intersegmental General Education Transfer Curriculum (IGETC) Certification should have their transcripts officially evaluated after applying for admission at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply) and being registered in 6 units. For more information, review the Transcript Evaluation Service information at [smccd.edu/transeval](http://smccd.edu/transeval).

### Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To sign up for a workshop go to the Counseling Office in Building 10, Third Floor, Room 340 or schedule online (WebSMART - “schedule appointments”). After attending the workshop, the student must meet with a counselor to create or update a Student Educational Plan (SEP) in order to be considered for reinstatement.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Fall 2017 must complete an Application for Admission prior to attending the Reinstatement Workshop.

### International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Education Program (IEP). Special international student applications, related forms and additional information may be obtained from the IEP Office (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to [collegeofsanmateo.edu/international](http://collegeofsanmateo.edu/international).

To be eligible for priority admission for the semesters listed below, special applications should be filed in the IEP Office by these dates:

Fall 2018 (August–December) . . . . . July 1, 2018  
Spring 2019 (January-May) . . . . . November 15, 2018

### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at [collegeofsanmateo.edu/forms](http://collegeofsanmateo.edu/forms), or from the Admissions and Records Office.

*Have questions or need assistance?*  
Visit [collegeofsanmateo.edu/askthebulldog](http://collegeofsanmateo.edu/askthebulldog)

## International Education Program

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo’s International Education Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students’ enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact (650) 574-6525.

## Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance Education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM Distance Education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in Distance Education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance Education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student’s educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the Distance Education website at [collegeofsanmateo.edu/distanceeducation](http://collegeofsanmateo.edu/distanceeducation). For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM’s Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Office is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at [collegeofsanmateo.edu/distanceeducation](http://collegeofsanmateo.edu/distanceeducation) or call (650) 574-6271.

## Fall 2018 Registration Dates & Times

**Continuing Students: May 2 – May 8**  
**New & Former Students: May 9 – Aug. 14**

### *How to add classes after the semester has started*

To add a class, attend the first class meeting to obtain the instructor’s approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Tuesday, August 28.

**Online classes** – You can find online instructor contact information by selecting the course title link within WebSCHEDULE ([collegeofsanmateo.edu/webschedule](http://collegeofsanmateo.edu/webschedule)).

How to Apply and Enroll

**COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO** obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use Counseling Services; or if you plan to apply for financial aid; or if you are a veteran and plan on collecting veteran’s educational benefits.

**COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO** take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Steps 2 and 3.

**Step 1: Apply for Admission and Identify an Education Goal**

All students are required to complete the Application for Admission. Fill out the application online at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply). After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

**Step 2: Complete College Orientation**

All students who want to use counseling services must first complete a college orientation. Students can complete an in-person or online orientation. Students can make an appoint-

ment for the in-person orientation or complete the online orientation through their WebSMART account.

**Step 3: Complete English and Math Assessment**

CSM Assessment Services conducts the college assessment program which includes English, Reading, ESL, and Mathematics assessment components. These assessments are intended to measure skills which research has shown to be closely related to academic success. These multiple measurements represent student strengths and capabilities.

- Option 1:** CSM English and Math Assessment Questionnaires
- Option 2:** English and Math Alternate Assessment Form
- Option 3:** Computerized testing for English, Mathematics and English as a Second Language (ESL)
- Option 4:** Paper/Pencil Testing for English

To schedule an assessment appointment, log into your student WebSMART account. The user ID is your G number and the password is your 6-digit birth date. Click on “Student Records and Student Appointments.”

- You must present a photo ID
- There is no fee for testing
- Assessment Services is located in College Center Building 10, Third Floor, Room 370

**Option 5:** Complete a Prerequisite Equivalency Form

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math

course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit [collegeofsanmateo.edu/prerequisites](http://collegeofsanmateo.edu/prerequisites) for more information and to obtain the Prerequisite Equivalency form.

**Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan**

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a 1 or 2 semester abbreviated Student Educational Plan (SEP) to help you get started for your first semester. Please return within your first semester to complete a comprehensive student educational plan, which will let you know all courses that are needed to meet your goal. Your SEP can be accessed through your WebSMART account in DegreeWorks.

**Step 5: Register for Classes and Pay Fees**

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

**Step 6: Sign In and Use Your Assigned my.smccd.edu Email**

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

**California College Promise Grant (CCPG)**

*(formally known as the Board of Governors Fee Waiver)* The California College Promise Grant is for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The CCPG pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 21).

**Federal Pell Grant**

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of \$5200 or less on the Student Aid Report

(SAR), you are eligible for a Federal Pell award. Less than half-time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$596 – \$5,920.

**Cal Grant A, B and C Deadline to Apply is March 2 or September 2**

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,670; Cal Grant C \$548.

**Federal Supplemental Educational Opportunity Grant (FSEOG)**

FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit [www.icanaffordcollege.com](http://www.icanaffordcollege.com)

**California Chafee Grant (CHAFEE)**

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16<sup>th</sup> and 18<sup>th</sup> birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

**Extended Opportunity Programs and Services (EOPS)**

EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a CCPG application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

**Student Employment Federal Work Study (FWS)**

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

**California DREAM Act**

The DREAM Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including California College Promise Grant Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

**Loans and Scholarships**

Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit [collegeofsanmateo.edu/financial](http://collegeofsanmateo.edu/financial) or call the Financial Aid and Scholarship Office at 574-6146 for more information.

Financial Aid Steps

**Step 1: Apply**

For 2018–19, file a 18–19 FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). Log in to WebSMART for dates and sign-up.

**Step 2: Student Aid Report Received**

After you apply, you’ll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution

(EFC). The EFC, a measure of your family’s financial strength, is used to determine your eligibility for federal student aid.

**Step 3: Check SAR for Accuracy**

Your SAR must be checked for accuracy. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

**Step 4: Submit Documents**

Submit all required documents to College of San Mateo’s Financial Aid Office. File is complete!

**Step 5: Notification of Result**

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of financial aid they qualify for at CSM.

**Step 6: Aid Funds are Paid!**

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account. Prepaid cards are also available.

# 6 EDUCATIONAL GOALS: ASSOCIATE DEGREES, CERTIFICATES, TRANSFER

## Educational Goals at CSM

View the College Catalog and the College website, [collegeofsanmateo.edu](http://collegeofsanmateo.edu), for more information about goals and opportunities at College of San Mateo.

### University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor’s degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

### Associate Degrees for Transfer (AA-T/AS-T) Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located within the “Degrees and Certificates Offered at CSM” section below and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to [www.sb1440.org](http://www.sb1440.org) or [www.adegreewithaguarantee.com](http://www.adegreewithaguarantee.com).

### Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to [collegeofsanmateo.edu/catalog](http://collegeofsanmateo.edu/catalog).

### Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 67 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog at [collegeofsanmateo.edu/catalog](http://collegeofsanmateo.edu/catalog).

### Bachelor Degree to Associate Degree

Students who have already been awarded a Bachelor’s degree from a regionally accredited college or university in the United States and wish to pursue an associate’s degree at College of San Mateo may be exempt from College of San Mateo local Associate degree requirements if the lower division degree-applicable coursework completed for the Bachelor’s degree includes current Title 5 minimum associate degree requirements. (Title 5, 55063) This policy does not apply to Associate Degrees for Transfer (AA/AS-Ts). Students must still complete a minimum of 12 units in residence to establish residency at College of San Mateo and must complete at least 50% or 12 units, whichever is less, of coursework applied to the associate degree major in residence at College of San Mateo. The units applied to meet residency requirements may also be the units that are needed to meet the major requirements. For more information refer to the college catalog at [collegeofsanmateo.edu/catalog](http://collegeofsanmateo.edu/catalog) or use Counseling Services.

### Monitor Your Progress toward University

#### Transfer, AA-T/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work

with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

### Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.\*

*\*Students participating in the CSM Financial Aid program are required to declare one primary educational goal.*

### Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

### Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All students who complete matriculation steps have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and English and math assessment results, and monitoring academic standing.

## Degree and Certificates Offered at CSM

The A.A./A.S. Degree Requirements worksheet can be obtained from the CSM Online Catalog at [collegeofsanmateo.edu/catalog](http://collegeofsanmateo.edu/catalog), the Counseling Center, or at [collegeofsanmateo.edu/degrees/requirements.asp](http://collegeofsanmateo.edu/degrees/requirements.asp).

### Associate Degree for Transfer (AA-T/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

*“Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!”*

# LEARNING COMMUNITIES

## HONORS/INTERDISCIPLINARY STUDIES

Students accepted into this unique interdisciplinary community will join a dedicated group of faculty and students, working together to create a rich intellectual experience at CSM. Students will earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project Interdisciplinary Studies research seminar. For more information, contact David Laderman (laderman@smccd.edu). Visit <http://collegeofsanmateo.edu/honorsproject>

## MANA

Mana is an inclusive transfer and support program designed to service Pacific Islander American Students and their unique experiences within higher education. A central goal of the program is to prepare students for success in college and the workforce through academic preparation and support, culturally sustaining programming and building a learning community around selected courses. As a mutually supportive learning community, Mana students are encouraged to collectively enroll in LCTR 240 and COMM 110 during their first year at CSM. Second year Mana program students are encouraged to take ETHN 106. For more information and/or registration access please contact Finausina Tovo (tovof@smccd.edu). ## PROJECT CHANGE

Project Change is the first learning community to provide wrap-around student support services and direct access to postsecondary education for current and formerly incarcerated youth. This program unites CSM and San Mateo County community organizations together in a joint effort to help students make the transition to community college. For more information, contact Katie Bliss (blisskatie@smccd.edu). Visit <http://collegeofsanmateo.edu/projectchange/>

## UMOJA

Umoja is a transfer support program that focuses on the African American experience through the study of culture, history, literature, and identity. The courses offered through this program are Ethnic Studies, English, and Counseling. Students must enroll in Ethnic Studies 105 and English 105 in the fall, and Ethnic Studies 288 and English 110 in the spring. Students are also strongly encouraged to enroll in designated Umoja Counseling course. Second year Umoja students will be expected to enroll in the Ethnic Studies 122: Black Leadership Theory in the fall and Ethnic Studies 123: Black Leadership Practicum in the spring. For more information and registration access, contact Frederick Gaines (gainesf@smccd.edu), Jeremy Wallace (wallacej@smccd.edu), Robbie Baden (badenr@smccd.edu), or Jesenia Diaz (diazj@smccd.edu). Visit [collegeofsanmateo.edu/umoja](http://collegeofsanmateo.edu/umoja).

Counseling and Leadership for fall is primarily for the Umoja Learning Community students.

## WRITING IN THE END ZONE

Writing in the End Zone (WEZ) is an interest-based learning community that links collegiate football and English composition. While exploring the demands and rewards of being student-athletes, WEZ students will strengthen their reading, writing, and critical thinking skills. All WEZ students enroll in sections of ENGL 105 and ENGL 110 which are linked to fitness and theory of football classes associated with active participation in the College of San Mateo football program. For more information, contact Teeka James (james@smccd.edu) or Bret Pollack (Pollack@smccd.edu). Visit [collegeofsanmateo.edu/wez](http://collegeofsanmateo.edu/wez)

Complete Your Transfer-Level Math Course in One Year!

To give students the best possibility to complete a transfer-level math course within one year, the math department has developed support courses that are linked to pre-transfer-level math classes. These courses are designed to help students develop additional skills needed to succeed in their math classes. Please check your placement scores and speak with a counselor if you are unsure if either of these courses is right for you. **A student must register for a support course (Math 820 or 890) before registering for a math course (Math 120 or Math 190).**

Enrollment Management  
- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

Notes:

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

Evening/Weekend Classes

Final examinations for all evening, Saturday, and Sunday classes will be given during the last class meeting for all courses:

Inclusive Access

Digital Textbooks Program at CSM

The Inclusive Access - Digital Texbooks program is a textbook model created in collaboration with top publishers and the College of San Mateo Bookstore that converts books into dynamic digital content that lowers the cost of course materials for all students in the course.

The digital content also includes interactive learning platforms, interactive abilities with CANVAS and other benefits:

- Automatically billed to your WebSMART account at the beginning of the semester for enrolled students
- Discounted access for digital content
- Discounted print book upgrade (if available) at the bookstore

To opt out and not participate in the program for courses that are part of the Inclusive Access program, please visit the College of San Mateo Bookstore website at [collegeofsanmateo.edu/bookstore](http://collegeofsanmateo.edu/bookstore), click on Inclusive Access, and follow the instructions on that page.

## Fees

Fees are due and payable at the time of registration. **Students will not be able to register for classes if they have any outstanding balance.** On **Wednesday, August 1, 2018** students who have any outstanding fee balances for Fall 2018 will be dropped from all classes at midnight for non-payment of fees. If a student has paid all fees by the deadline, but then adds additional classes on or after **Thursday, August 2, 2018**, these additional fees must be paid by the next day at midnight or the student will be dropped from those additional classes added. For more important information, visit [collegeofsanmateo.edu/fees](http://collegeofsanmateo.edu/fees).

*Student enrollment fees are set by California’s legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.*

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a California College Promise Grant (CCPG). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Education Program Office for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

- If you need assistance in paying your fees, you are encouraged to:
- Enroll in an inexpensive payment plan via WebSMART
  - Apply for financial aid ([www.fafsa.gov](http://www.fafsa.gov)) at least five business days prior to registering for your classes
  - Complete the California College Promise Grant (CCPG) Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at [csmpvps@smccd.edu](mailto:csmpvps@smccd.edu).

### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

## Credit and Refund Policy

### Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

### Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 12, Room 211.

### Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

### Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Cashier’s Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

College Catalog & Policies

The *College of San Mateo Catalog* contains detailed course descriptions, suggested programs of study, a list of transferrable courses, degree and certificate requirements, and general college information. There are also a number of college policies that are important for students to know. These include, but are not limited to:

- Course Repetition
  - Crime Awareness/Student Right To Know
  - Dismissal
  - Drug-Free Campus
  - Gainful Employment
- Guidelines for Addressing Cheating and Plagiarism
  - Probation
  - Sexual Assault
  - Sexual Harassment (Title IX)
  - Smoking
- Student Conduct and Disciplinary Actions
  - Student Grievances and Appeals
  - Student Rights and Nondiscrimination
  - Privacy Rights

For more information about all the items listed above, please view the *CSM Catalog* online at [collegeofsanmateo.edu/catalog](http://collegeofsanmateo.edu/catalog).

First Year of College Free *(continued from outer front cover)*

The CSM Promise Scholarship is not need based—anyone can apply. Applicants must complete a Free Application for Federal Student Aid (FAFSA) or Dream Act application. After the student’s financial aid and any outside scholarships or funding are determined, CSM will cover any remaining tuition.

Each Year One Promise student will be evaluated by a CSM counselor based on high school coursework, grades, placement exams and other factors. Some students will be placed in a learning community—a group of students who take classes and study together, forming a tight-knit group that has shown to help student success. Other students will take College One, a course that specifically focuses on tools, skills and connections students need in their first-year of college.

In addition, each participating student will work with a counselor to complete a Student Education Plan (SEP), which will plot out which courses a student will take each term in order to make good progress and graduate on time. Check-in meetings with counselors will help to ensure students stay on track.

Students can also choose to attend Pathway to College or Math Jam during the summer at CSM. These one-week classes specifically prepare students for the transition to college or for college-level math and/or science classes. These summer courses give Year One Promise students an advantage in the fall by giving students some familiarity with campus, student life and a built-in network of support.

“CSM was already the best deal in town,” said CSM President Mike Claire. “Now, we are making the first year of college free along with a lot of extra help. It doesn’t get any better than that!”

## Parking Regulations

### Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am–10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$54 each for the fall and spring semesters (Fall/Spring Permit \$98) and \$27 for the summer session. Parking permits for students with California College Promise Grant (CCPG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

### Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

### Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Cashier's Office) and then pay for the permit and pick it up in the Cashier's counter. Temporary parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

### Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$3 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in **student lots only**. **Citations will be issued beginning on Wednesday, August 29 2018 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

### Disabled Parking

Blue Handicapped parking spaces have been provided in Lots 2, 3, 4, 5, 6, 8, 11 and 12 (see Campus Map). A vehicle must have and display a valid California State Disabled Person Placard (issued by DMV) to park. Disability parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones. No

student, staff, daily, patron or visitor parking permit required when displaying a valid CA DP placard.

### Visitor Parking

Visitors to campus may park free for the first 40 minutes in visitor parking areas in Marie Curie Lot 5, Forum Lot 8, and Olympian Lot 12. Visitors must purchase a daily permit (\$3 per day) for time beyond 40 minutes at the permit machines located in the lots. These permits must be displayed face-up on the dashboard. No student parking is allowed in visitor lots.

Visitors may also park in a student lot after purchasing and displaying a \$3 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map. No visitor parking permit required when displaying a valid CA DP placard.

### San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club (SMAC) are required at all times for parking in designated areas in Beethoven lot 2 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit [smccd.edu/sanmateoathleticclub](http://smccd.edu/sanmateoathleticclub).

### Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met.)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation. Fees are assessed for vehicles plugged-in over four (4) hours. Visit [smccd.edu/sustainability/electricvehiclecharging.php](http://smccd.edu/sustainability/electricvehiclecharging.php).

### Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

No student parking is permitted in the designated “Employee of the Month” parking spaces. These spots are reserved for authorized staff only and unauthorized vehicles may be ticketed.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

### Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

### Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:25 p.m. Routing information is available by calling 1-800-660-4BUS or visiting [samtrans.com](http://samtrans.com) and [caltrain.com](http://caltrain.com). Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 12, Room 211.
