## CSM Student Gets Stellar Assignment to Visit Arctic

Last summer, CSM astrophysics major Luis Alvarez experienced the ultimate hands-on homework assignment: he spent three weeks in the subfreezing landscape of the Arctic as part of an astronomical research project. Twenty-year-old Alvarez from San Mateo served as a student intern for the San Mateo Arctic Research Telescope (SMART) Project. He accompanied a team of scientists conducting research for the establishment of the San Mateo Arctic Research Telescope. The SMART Project is a collaboration of the Mars Institute, SETI Institute, San Mateo County Astronomical Society and CSM. The data gathered by the telescope will be sent to SETI and CSM's Observatory for astronomy students to analyze and conduct first-hand astronomical research, providing students with a research opportunity that is on par with top-rated universities in the U.S.

Alvarez's journey took him to an area of the world where few people will ever venture: a research station on the edge of Haughton Crater, Devon Island, in the high Arctic's polar desert. While at the station, Alvarez assisted scientists with research activities that included testing a robotic arm and spacesuits and conducting astrobiology studies related to permafrost.

Alvarez's passion for science is compelling as he reflects on his internship, "I experienced life in the Arctic Circle in the attempt to mirror life on Mars, realized what it is like to work side by side and learn from top engineers and scientists in their respective fields, and experienced personal development that has allowed me to set a greater focus on my academic and career goals."

CSM Professor of Astronomy Mohsen Janatpour explains why Alvarez was chosen for the program, "We see a great potential in him as a future astrophysicist. He

is a graduate of our San Mateo Middle College and a very high achieving, hardworking student. Luis has the energy of the present and a promise for the future."

How does this future astrophysicist plan to follow up on his Arctic experience? Alvarez has returned to CSM to complete his lower division studies with his sights set on transferring to California Institute of Technology. As for the SMART Project, the team was successful in determining the site for the San Mateo Arctic Research Telescope. That clears the path for the installation of the telescope, hopefully, by next summer, when the college plans to send the next student intern. (Photo provided by Luis Alvarez)

## CSM Celebrates 90 Years and Inaugural Athletics Hall of Fame

In September 2011, College of San Mateo celebrated 90 years of its rich athletic heritage by establishing the CSM Athletics Hall of Fame. Approximately 350 people attended the festivities highlighted by the induction of an inaugural class of sixteen former student athletes and coaches. This initial group was indeed notable as it included an Olympic gold medalist, several Super Bowl winning coaches, and a historic California Community College coaches.

The event began with a ribbon cutting and unveiling of CSM's Hall of Fame Plaza where names of the honored inductees have been permanently displayed. Later that evening, the inductees were individually honored during a ceremony to a packed house in CSM's new College Center. Master of Ceremonies and KCBS Sportscaster Hal Ramey (a CSM alum) described key accomplishments and career highlights while images of each honoree were projected on large screens. For many of the inductees, this event marked their first return to CSM in decades. Upon receiving their Hall of Fame awards, the honorees

reflected on the impact that CSM's athletics program had on their careers and lives.

The 2011 inaugural class included former CSM football players **Bill Walsh, John Madden, and Bill Ring**, and former CSM Coach **Neal Dahlen**, all whom have earned Super Bowl rings. The college's long football coaching tradition was celebrated by the induction of coaches **Murius McFadden, Herb Hudson, Bill Dickey, Ted Tollner, and Tom Martinez** (also CSM's pioneer woman's basketball and softball coach and the "winningest" coach in California community college history). Additional athlete inductees were the Olympic track gold medalist **Archie Williams** (400 meters in 1936), Olympic javelin thrower **Nicole Carroll-Lewis**, and softball star **Jenny Freeman**. The other Hall of Fame coaches were **Jack Avina** (men's basketball), **Ray Balsley** (men's basketball and golf), **John Noce** (baseball), and **Bob Rush** (track and field).

Information about the 90<sup>th</sup> anniversary will be available on the college website: [collegeofsanmateo.edu](http://collegeofsanmateo.edu).

# Student Success Story: Lindsay Moore

## Williams College, Bachelor's degree University of Cambridge, Master's degree in progress

As a self-described “struggling high school student,” Lindsay Moore enrolled in CSM’s Concurrent Enrollment Program to earn credits toward her high school diploma. Taking classes at CSM helped her to graduate from high school and form a solid foundation for her future college success. After she graduated from Carlmont High School, Lindsay continued her studies at CSM.

“I was able to explore a myriad of academic interests, talk with professors about my future career goals and could always get help when I needed it. The support network that existed at CSM was incredible—I felt like people genuinely cared about my success as a student,” Lindsay explains.

As a full-time student, Lindsay maximized her two years at CSM by getting involved in a number of co-curricular activities that enriched her community college experience. By participating in CSM’s service learning initiative, CSM Connects, she found a pathway to pursue her passion for public service by getting involved with the campus and the wider community. Lindsay describes, “Through service learning programs, I was able to take my learning outside while making a difference in my community.”

She also became a member of student government, serving as a student senator; founded the Beta Xi Eta Chapter of Phi Theta Kappa, an honor society; and joined other student organizations. These activities not only helped her in obtaining scholarships for transfer but also in building her resume to become a competitive transfer applicant.

In reflecting on the preparation she received at CSM, Lindsay says, “In addition to providing me with the skills necessary for growing into a successful student, CSM allowed me to explore and hone my interests while cultivating my passion for learning. It was one of my professors at CSM who inspired me to pursue a career in psychology and neuroscience research, but my classmates and their varied

educational backgrounds and personal life stores instilled in me a passion for education policy.”

Two years later, Lindsay was accepted as a transfer student to Williams College in Massachusetts, where she earned her bachelor’s degree in psychology with a concentration in neuroscience. While attending Williams, she was selected as a visiting scholar at Georgetown University’s Center for Clinical Bioethics, where she conducted research and was a presenter at the National Undergraduate Bioethics Conference. Backed by the strong foundation she received at CSM and Williams, Lindsay received the Dr. Herchel Smith Fellowship, a full scholarship, to the prestigious University of Cambridge in the United Kingdom

to pursue her master’s degree. As a graduate student, she is currently serving as a junior associate fellow at the Centre for Science and Policy in Cambridge and plans to apply to law school later this year. Although her scholarly pursuits keep her very busy, somehow she finds the time to play on the varsity women’s basketball team!

“The opportunities and experiences I had at CSM most definitely contributed to my acceptance and success at Williams College and now the University of Cambridge.” When asked what she would say to prospective CSM students, Lindsay responds, “CSM offers all the resources necessary to help you accomplish your academic and career goals. CSM is a fabulous community college!”

## About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance learning options.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, more than 40 student clubs and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue at four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

## Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See page 4 for enrollment steps.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

### Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

### Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$203 per unit at the time of registration, in addition to other required fees paid by California residents. Students may be required to present documentary evidence of eligibility for classification as residents.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

## Getting Started at CSM

### College Connection Concurrent Enrollment Program

The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9<sup>th</sup>–12<sup>th</sup> graders the opportunity to get an “early start” on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

Step 1: Apply for admission online at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply).

Step 2: Meet with your high school counselor to select your college courses.

Step 3: Take placement tests at CSM if you are planning to register for English or math courses. Call (650) 574-6175 for information.

Step 4: Submit completed Course Request Form to the Admissions and Records Office at College of San Mateo, Building 10, Third Floor, by mail, in person, or by fax (650) 574-6506

Step 5: Register for classes at [collegeofsanmateo.edu/websmart](http://collegeofsanmateo.edu/websmart).

Step 6: Sign in and use your assigned SMCCD email.

For more information, visit [collegeofsanmateo.edu/ce](http://collegeofsanmateo.edu/ce).

### Priority Enrollment Program (PEP)

*For Graduating High School Seniors and Other New or Returning Students*

College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2012. The program, Priority Enrollment Program (PEP) is offered on dates beginning in March 2012. More information about PEP can be found at [collegeofsanmateo.edu/pep](http://collegeofsanmateo.edu/pep). The Fall 2012 PEP program information will be available in January 2012.

### Transfer Students

If you attended a college or university other than College of San Mateo, Cañada College or Skyline College, you are a transfer student at College of San Mateo and must apply for admission. You may be eligible for exemptions from some of the matriculation requirements. Please visit [collegeofsanmateo.edu/collegepolicies/matriculation.asp](http://collegeofsanmateo.edu/collegepolicies/matriculation.asp) for more information.

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGEC Certification should have their transcripts officially evaluated. For more information, review the Transcript Evaluation Request Form available on the College of San Mateo website ([collegeofsanmateo.edu/forms](http://collegeofsanmateo.edu/forms)).

### Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To schedule a reservation for a workshop go to the Counseling Office in Building 10, Third Floor. Students must complete the workshop and the reinstatement process prior to the registration deadline date for the term for which they request enrollment.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Canada, or Skyline College since Fall 2010 must complete an application for admission prior to attending the Reinstatement Workshop.

### College Catalog

The College of San Mateo Catalog contains detailed course descriptions, suggested programs of study, a list of transferable courses, degree and certificate requirements, and general college information. The catalog can be obtained at the Bookstore or viewed online at [collegeofsanmateo.edu/catalog](http://collegeofsanmateo.edu/catalog).

### Bookstore

Books and supplies may be purchased at the College of San Mateo Bookstore (College Center, Building 10, Second Floor). Hours are Monday through Thursday from 7:45 am to 7:00 pm and Friday from 7:45 am to 2 pm (574-6366). To purchase and find information regarding course textbooks, go to [collegeofsanmateo.edu/bookstore](http://collegeofsanmateo.edu/bookstore).

### International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Student Program. Special international student applications, related forms and additional information may be obtained from the International Student Office (Building 10, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to [collegeofsanmateo.edu/international](http://collegeofsanmateo.edu/international).

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Office by these dates:

Fall 2012 (August–December) . . . . . April 15, 2012

Spring 2013 (January–May) . . . . . October 1, 2012

### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying non-resident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in Building 10, Third Floor. You may obtain the form from the CSM website at [collegeofsanmateo.edu/forms](http://collegeofsanmateo.edu/forms), or from the Admissions and Records Office.

## Spring 2012 Registration Dates & Times

### New & Former Students

November 15 – January 16

### Continuing Students

November 7 – January 16

### *How to add classes after the semester has started*

To add a class, attend the first class meeting to obtain the instructor's approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than 3 pm Sunday, February 5.

To enroll in a semester-long class, students must be in attendance by the second week of instruction. For evening classes that meet twice weekly, students must be in attendance by the third class meeting. For short courses, students must be in attendance in the class within the first 12% of the class meetings.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: [collegeofsanmateo.edu/fees/credit.asp](http://collegeofsanmateo.edu/fees/credit.asp).

## Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in distance education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into your educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at [collegeofsanmateo.edu/distancelearners/gettingstarted.asp](http://collegeofsanmateo.edu/distancelearners/gettingstarted.asp). For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's distance education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Office is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. Please contact Ron Andrade ([andrader@smccd.edu](mailto:andrader@smccd.edu)) at College Center, Building 10, Room 437, (650) 524-6933 or visit the distance education website at [collegeofsanmateo.edu/distancelearners](http://collegeofsanmateo.edu/distancelearners).

## International Education

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo's International Education Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact Maggie Skaff: [skaff@smccd.edu](mailto:skaff@smccd.edu) or (650) 574-6525.

## Steps to Successful Enrollment

**If Your Educational Goal is to** obtain an associate degree or certificate; transfer to a four-year university; improve basic skills in English, reading or math; **or** if you are applying for financial aid; **or** if you are undecided about your goal, **you must follow all steps shown above.**

**If Your Educational Goal is to** take courses for personal enrichment; upgrade job skills; maintain a certificate or license; participate in the High School Concurrent Enrollment Program; **or** if you have already completed an associate degree or higher in the United States; **or** if you are primarily a student at another college or university and taking courses at College of San Mateo to meet the requirements of institution, **you must follow steps 1, 4 and 5.**

### Step 1: Apply

All students are required to complete the Application for Admission. Fill out the Application online at [collegeofsanmateo.edu/apply](http://collegeofsanmateo.edu/apply).

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a "G"). Use this number to conduct all college business and access college services.

### Step 2: Take Placement Tests

Placement tests are designed to assess your skills in English or ESL, reading, and mathematics. Test results assist you to select courses, build an appropriate schedule of classes and determine whether you meet prerequisites for certain courses. View sample test questions online at [collegeofsanmateo.edu/testing](http://collegeofsanmateo.edu/testing).

To schedule placement tests, log into your student WebSMART account. The USER ID is your G number and the password

is your 6 digit birth date. In WebSMART, click on STUDENT RECORDS AND STUDENT APPOINTMENTS. At this site find CSM Placement Testing and schedule your placement test appointment online.

- You must complete the application for admission and have a student G number to schedule a testing appointment.
- You must present a photo ID and your student G number on the day of testing (no exceptions).
- There is no fee for testing and it takes approximately 2.5 hours to complete.
- The Assessment Center is located in College Center, Building 10, Third Floor, Room 370.

If you are transferring from another college or university in the United States, have already successfully completed math and English classes, and think you do not need to complete CSM placement tests, then complete a Prerequisite Equivalency Form (available at [collegeofsanmateo.edu/forms](http://collegeofsanmateo.edu/forms)). Take the completed form and required documentation to the Prerequisite Drop Box located outside of the Assessment Center. Proceed to Step 3

### Step 3: Counseling Services Course Selection Workshop

Attend the Counseling Services and Course Selection Workshop in College Center, Building 10, Room 191. You are required to bring your placement test results and to be on time. Latecomers are not admitted to the workshop, so plan to arrive on campus early. At the completion of the workshop you will be able to register for classes and you are eligible to schedule an appointment to meet with a counselor.

This two and a half hour workshop covers the registration process, use and management of WebSMART, educational goals, placement test results, course selection, and more. Reservations for Counseling Services and the Course Selection Workshop are scheduled through your student WebSMART account, or go to the Counseling Center, College Center, Building 10, Room 340.

### Step 4: Register for Classes

Your appointment to register will be sent to your student WebSMART account. To log-in, you will need a User ID (G number) and password (six digit birth date). Use your student WebSMART account to view your registration appointment, register for classes and pay fees.

Many courses with prerequisites are subject to computerized prerequisite checking. When registering for a class, the course number entered on WebSMART is verified by the registration system through the College District's student database for 1) the successfully completed prerequisite course, or 2) the placement test results that indicate the skill level prerequisite requirements. If neither requirement is met, registration for the course will be blocked. If you have completed the prerequisite course outside of the College District, then see Step 2 or go to [collegeofsanmateo.edu/prerequisites](http://collegeofsanmateo.edu/prerequisites) for more information.

### Step 5: Sign In and Use Your Assigned My.SMCCD.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

## Financial Aid

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs.

### Board of Governor's Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays the enrollment fee for the student for the academic year when eligibility has been determined. Other fees, such as parking (at a reduced rate of \$20 for BOGFW students), health, student body and student representation, must be paid by the student.

### Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of 5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; half-time 6–8.5 units; three-quarter time 9–11.5 units; less than half .5–5.5 units. Awards range from: \$277–5550.

### Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,551; Cal Grant C \$576.

### Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit [www.icanaffordcollege.com](http://www.icanaffordcollege.com)

### California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16<sup>th</sup> and 18<sup>th</sup> birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

### Extended Opportunity Programs and Services (EOPS)

EOPS is a statefunded program that provides book vouchers,

grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

### Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$6,000. Priority application date: March 2.

### Loans

Loans are financial aid funds that students borrow now and repay after they complete a program of study or stop going to school. Loan amounts vary from \$500–\$6,500.

### Scholarships

Scholarships are awarded for a variety of criteria. Awards range from \$100–2,500. Scholarships are available from College and Foundation resources and many external organizations. Contact the Financial Aid Office at 574-6514 for more information.

## Financial Aid Steps

### Step 1: Apply

For 2011-12 file a 11-12 FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). College of San Mateo's college code is 001181. FILE EARLY for the upcoming year (anytime after January 1)!

### Step 2: Student Aid Report Received

After you apply, you'll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution (EFC). The EFC, a measure of your family's financial strength, is used to determine your eligibility for federal student aid.

### Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy and then brought to the Financial Aid Office for review. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

### Step 4: Submit Documents

Submit all required documents to College of San Mateo's Financial Aid Office. File is complete!

### Step 5: Notification of Result

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of Financial Aid they qualify for at CSM.

### Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account.

## Educational Goals at CSM

View the College Catalog and the College website, [collegeofsanmateo.edu](http://collegeofsanmateo.edu), for more information about goals and opportunities at College of San Mateo.

### University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer.

### Senate Bill 1440 - New Associate Degrees for Transfer (AA-T or AS-T) Benefit Students Intending to Transfer to CSU

California community colleges, as a result of SB 1440, offer associate degrees designed to support transfer to the California State University system and concurrent completion of an associate degree with one clear pathway of coursework. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located in the CSM Catalog and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to [www.sb1440.org](http://www.sb1440.org).

### Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from over 80 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from

College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to the CSM Catalog.

### Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 80 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial community. Typically certificates require 12-40 units of coursework and can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog.

### Gainful Employment Disclosure Information

Final regulations published in the Federal Register on October 29, 2010, [75 FR 66665 and FR 66832], by the U.S. Department of Education, require all institutions that participate in the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, to report certain information about students who enrolled in Title IV - eligible educational programs that lead to gainful employment in a recognized occupation. College of San Mateo's report on educational programs leading to gainful employment is available at [collegeofsanmateo.edu/degrees](http://collegeofsanmateo.edu/degrees).

### Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and

transfer. You are not limited to selecting one educational goal.\*

\*Students participating in the some special programs (such as the CSM Financial Aid program) are required to declare one educational goal.

### Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

### Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All enrolled students have access to counseling services and should consult with a counselor early in the educational process for guidance and academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts and updating personal contact information and educational goal information, managing registration and enrollment, retrieving grades and placement test results, and monitoring academic standing.

### Notes:

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

### Evening/Weekend Classes

Final examinations for all evening, Saturday and Sunday classes will be given during the last class meeting for all courses:

Day of Regular Class Meeting	Final Examination
Monday classes	Monday, May 21
Tuesday classes	Tuesday, May 22
Wednesday and Monday/Wednesday classes	Wednesday, May 23
Thursday and Tuesday/Thursday classes	Thursday, May 24
Friday classes	Friday, May 25
Saturday classes	Saturday, May 19
Sunday classes	Sunday, May 20

### Note:

Monday/Wednesday classes follow the Wednesday final examination schedule, and Tuesday/Thursday classes follow the Thursday schedule.

## Looking for College Forms?

### Commonly requested forms, such as:

## College Policies

There are a number of college policies that are important for students to know. These include, but are not limited to:

- Crime Awareness/Student Right To Know
- Drug-Free Campus
- Guidelines for Addressing Cheating and Plagiarism
- Sexual Assault
- Sexual Harassment
- Smoking
- Student Conduct and Disciplinary Actions
- Student Grievances and Appeals
- Student Rights and Nondiscrimination
- Privacy Rights

For specific information about each of these policies, including appropriate staff to contact for further information or assistance, please refer to the CSM Catalog, which is available on the CSM website at [collegeofsanmateo.edu/catalog](http://collegeofsanmateo.edu/catalog).

## Fees

**Fees are due and payable at the time of registration. Students will not be able to register for classes if they have any outstanding balance. From January 5–16, you will be dropped each evening by 10 pm if fees are not paid in full. For more important information, visit [collegeofsanmateo.edu/fees](http://collegeofsanmateo.edu/fees).**

**Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.**

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee also will be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Office for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

Fees are due and payable at the time of registration. Students who need assistance in paying fees are encouraged to contact the Financial Aid Office (College Center, Building 10, Third Floor, 574-6146).

All student records are withheld and class registration may be restricted until all outstanding debts to the District colleges have been cleared.

### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying non-resident tuition. See page 3 for more information.

# Parking Regulations

## Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am-10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5 and Galileo Lot 6. Student parking permits are available for \$40 each for the fall and spring semesters (Fall/Spring Permit \$70) and \$20 for the summer session: parking permits for students with California Board of Governors (BOG) waivers are \$20 per semester.

## Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

## Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Business Office) and then pay for the permit and pick it up in the Cashier's Office.

## Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$2.00 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session. The grace period pertains only to permits with all other parking regulations enforced at all times in all parking lots and roadways.

## Visitor Parking

Visitors may park in PayBySpace Visitor Lots Beethoven 2A, 2D and 8 (\$0.25 for each 15 minutes). After entering the space number in which the vehicle is parked into the machine and depositing sufficient money to purchase required time the permit machine located at each of the visitor lots will issue a receipt that need not be displayed in the vehicle.

Visitors may also park in a student lot after purchasing and displaying in the vehicle (face up on dashboard) a \$2 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. For the location of the parking lots please see a campus map.

## San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club are required at all times for parking in Olympian Lot 12. All other permits are not valid. For more information, call 378-7373 or visit [smccd.edu/sanmateoathleticclub](http://smccd.edu/sanmateoathleticclub).

## Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles parked backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

## Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD Regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

## Public Transit

SamTrans bus service has two direct routes to the campus (#250 and #260) and connecting bus routes from the Hillsdale Shopping Center and the Caltrain Station serving the CSM campus throughout the day. All buses have wheelchair lifts and also serve students attending evening classes. Routing information is available by calling 1-800-660-4BUS or via the Web at [www.samtrans.com](http://www.samtrans.com) and [www.caltrain.com](http://www.caltrain.com). Printed schedules and maps are also available at the Student Life and Leadership Office in Building 17, Room 112.

## Message from the President

Welcome to College of San Mateo! This year, we will celebrate CSM's 90th anniversary and the remarkable journey that took the College from 35 students in 1922 to over 10,000 students today. So much has changed over the past nine decades; however, our passion and commitment to helping CSM students succeed has remained constant. Today, we take pride in knowing that CSM has provided quality education to generations of students and contributed to improving the community we serve. Throughout this year, we will celebrate this milestone anniversary with events that honor our past and embrace our future.

If you are familiar with our Schedule of Classes, you will notice that it has a new look. With this new format, we are able to produce a schedule that is more environmentally friendly while generating cost savings that will go directly back into the classroom. I invite you to browse through the next few pages, which include articles highlighting successful CSM students and events. In addition to the Schedule of Classes, I encourage you to visit CSM's website, a comprehensive and up-to-date resource for students, at [collegeofsanmateo.edu](http://collegeofsanmateo.edu).

If you have not visited the CSM campus recently, I urge you to do so. CSM has used voter-approved bond funds to transform the campus to meet the contemporary learning needs of our students. In recent years, however, our San Mateo County Community Colleges lost hundreds of millions of dollars in state support because the State is no longer funding facilities construction, hazardous materials abatement, scheduled maintenance, and instructional equipment. San Mateo County voters will vote on Measure H this November. Measure H is intended to ensure that CSM, Skyline College, and Cañada College will continue to be able to offer affordable, quality education to local students in state-of-the-art facilities.

We are proud of the CSM tradition of excellence and service. As we celebrate our 90th year, we promise to continue that tradition for future generations of students and for our community.

## On Behalf of Our 40,463 Students, We Thank You

### For passing Measure G, benefitting community college students

#### Measure G dollars were used to:

- Save or add 660 course sections annually
- Provide an additional class for 17,160 students
- Add 4,000 hours of counseling
- Fund innovations like Math Boost, Accelerated College and online programs

Community Colleges have been hit hard by State budget cuts. The San Mateo County Community College District lost \$11.3 million in State funding in the past three years and faces an additional \$9 million cut next year. This loss comes at a time when our County is experiencing record unemployment, more high school graduates seeking college, and fewer spaces at the University of California and the California State University. County voters recognized this and voted overwhelmingly in June, 2010 to support our college students. We thank you for your investment in public higher education in San Mateo County.

## Thank You, San Mateo County Voters

#### Board of Trustees San Mateo County Community College District

Richard Holober, President

#### Accuracy Statement

College of San Mateo and the San Mateo County Community College District have made every reasonable effort to determine that everything stated in this schedule is accurate. Courses and programs offered, together with other information contained herein, are subject to change without notice by the administration of College of San Mateo for reasons related to student enrollment or level of financial support, or for any other reason, at the discretion of the College. The College and the District further reserve the right to add, amend or repeal any of their rules, regulations, policies and procedures, in conformance with applicable laws.

#### Use of Photography

College of San Mateo, a non-profit California Community College, reserves the right to take and use photographs, video and electronic images of students and visitors taken on college property and at college-sponsored events for marketing and promotional purposes. Objection must be made in writing to the Community Relations & Marketing Office.
