"I never thought I could afford to go to college," says Karan Dogra, a first generation college student at CSM.

Even as affordable as community colleges are, some students still worry they won't be able to manage it. Claudia Menjivar, director of financial aid services, says "Students don't realize how much aid is available. Filling out a FAFSA can open a lot of doors!"

Indeed, CSM offers vast resources to offset much of the financial burden for its students, from scholarships to financial aid and beyond. During the 2016-2017 school year, CSM granted nearly \$9,000,000 in financial aid, vastly easing the budgetary load for over 5,000 students. It also awarded nearly \$550,000 in scholarships to 637 students.

Scholarships are available for a wide range of student circumstances. Many will not only cover tuition but also books, commuting expenses, meals or other items that can add up. Here are a few of the hundreds of scholarships available at CSM:

Promise Scholarship

The Promise Scholarship covers up to the full cost of student fees and textbooks for the first year that a student is enrolled (beginning in fall semester, continuing through spring semester and summer session). Last academic year, 236 students received a total of \$43,387 in Promise scholarships.

Schedule of Classes ~ Spring 2018 ~ Semester begins January 16

Veteran Thrives at CSM, Transfers to Stanford

Stephen McReynolds was 12 years old when the United States was attacked on 9/11. “I grew up watching news coverage of the wars in Afghanistan and Iraq, and I felt like I needed to do my part,” he says. Stephen enlisted in the United States Marine Corps a year after high school and began his service when he was 19. He served as an infantryman for six years, with tours of duty in Afghanistan and the Pacific.

After his duty ended, he enrolled at College of San Mateo. He didn’t have big ambitions. “I barely graduated high school,” he says. But with some hard work and a lot of support from CSM’s Veterans Resource & Opportunity Center (VROC), he thrived in college and transferred to Stanford University this fall. “To graduate from CSM with a 3.85 GPA and gain admission into Stanford University are both so special to me. It shows that people from difficult backgrounds should never aim for lower scholastic or professional achievement.”

Stephen lived on his own while attending CSM, utilizing financial aid and GI Bill benefits to cover his tuition and help defray housing costs. He says, “CSM is affordable but the cost of living in the area is unforgiving.” With this financial support, Stephen was able to focus on his studies and explore support services that would help him transition from military to civilian life.

“ People from difficult backgrounds should never aim for lower scholastic or professional achievement. ”

The VROC played a huge part in helping Stephen ease into civilian life and continue his education. Stephen initially felt a culture shock and was afraid he wouldn’t be able to connect with the younger student body, but the VROC gave him the camaraderie that he had missed. “The VROC is populated by a supportive group of people and it maintains a culture that allowed me to slowly but effectively transition into civilian life. Its staff has built such a strong program and they largely empower student vets, including myself, to achieve incredible success.”

Stephen’s involvement in the VROC led to other student leadership roles. As a VROC staff assistant he worked with the director, helped veterans enroll at CSM, and acted as a mentor to new student vets. He also acted as a representative for CSM’s Student Veterans of America chapter on the Inter Club Council (ICC). This experience, along with the guidance of Student Life and Leadership Assistant Fauzi Hamadeh, inspired Stephen to run for an elected position with the Associated Students of CSM (ASCSM). “After serving for the ICC and spending time

with Fauzi, I realized I wanted to create more visibility for the growing student vet population and represent their interests.” Stephen was elected as the vice chair of ASCSM for the 2016-2017 school year and acted as president for the spring 2017 semester. As president, Stephen also served on other boards and committees, which gave him the opportunity to lead a talented group of students. “Serving alongside my fellow officers was one of my best experiences since getting out of the military, and I cherish my time with ASCSM. From the officers to the advisors, they are all a talented bunch who taught me a lot and made me better.”

While being active in student life, maintaining good grades, and holding down at least one to two jobs every semester, Stephen found himself applying to a variety of universities like Santa Clara University, UC Berkeley, Cornell and Notre Dame de Namur. Stephen was happy to gain admission into Santa Clara University and Notre Dame de Namur, but disappointed when UC Berkeley

Message from the President

It is a pleasure to introduce you to the spring semester at College of San Mateo. This schedule represents a wealth of knowledge accessible to you in nearly any field you can imagine. Each semester, nearly 10,000 students from all over the Bay Area pursue their passions and advance their careers at CSM. In this schedule you will find courses in computer programming, electronics technology, real estate, nursing, astronomy and just about any other subject you can think of.

At a time when the cost of education is rising ever higher, community colleges like CSM are providing a high quality and affordable way to get your degree or prepare for a career. Our cover story talks about the financial challenges that students face and the many ways CSM helps them get access to college, pay for it, and get through. Scholarships like the Promise Scholarship, the KASP Program and the Karl S. Pister Leadership Opportunity Award allow students to focus on their studies without worrying about money. Last year we awarded scholarships to 637 students worth a total of \$550,000. Plus, programs like Extended Opportunity Programs and Services (EOPS) and Cooperative Agencies Resources for Education (CARE) offer students tutoring, priority registration, assistance with buying books, and much more. We want to make sure that once we have helped a student pay for college, that student can learn and thrive.

Speaking of thriving, we are also excited to tell you about Stephen McReynolds, a veteran of the US Marines who fought in Afghanistan and came to CSM after his service. At CSM he worked hard, got involved and obtained admission to Stanford University. I spoke with Stephen last week, and he is very excited to be starting his first year of classes at Stanford this fall. Stephen says he wasn’t much of a student in high school, but thanks to the GI Bill and CSM’s excellent Veteran student support resources, he was able to achieve excellence as a student and transfer to one of the top universities in the country. Each year I am proud to see students like Stephen surpass their own expectations and reach goals they had never thought possible.

Also in this schedule, we profile three students who found different ways to pay for college through scholarships at CSM. The key is to fill out the Free Application for Federal Student Aid (FAFSA), which is how we determine a student’s financial need and identify sources of funding that we can use to help. I encourage all students to fill out a FAFSA each year—you never know what opportunities it will open for you. Few realize how many ways there are to pay for college. To see the hundreds of scholarships available at CSM, visit collegeofsanmateo.edu/scholarships.

For 95 years, CSM has provided a place for students to learn, discover, develop and thrive. It is always our pleasure to serve this community. Enjoy exploring our spring class lineup, and I will look forward to seeing you on campus.

Michael Claire

About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students per semester. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, student clubs, and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue to four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit collegeofsanmateo.edu/explorecsm. Guided campus tours can be scheduled through collegeofsanmateo.edu/tours.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

Student Scholarship Recipient Snapshots

Karan Dogra

“Ask about financial aid. The worst thing they can say is no, and most of the time they don’t. Apply for every scholarship you’re eligible for. I learned this after only applying for one. The next year, I knew to apply for as many as I could.”

Karan Dogra has been attending CSM for three years and was recently awarded two scholarships. He relocated to the Bay Area from India and is the first member of his family to attend college, which he feels puts a lot of pressure on him. Despite his challenges, CSM has been able to offer him the resources to help him achieve his goals.

Being new to this country, FAFSA and scholarships helped make college attainable for him. Karan began his college education at another community college, but didn’t feel like the fit was right. A friend told him about CSM, so he decided to apply and register. He learned about financial aid and scholarship opportunities and found out that he qualified. Karan feels strongly about networking and finding all of the resources one can by asking for help. He found that at CSM, asking for help really opened him up and built his confidence by making so much possible for him.

Karan says, “I feel like I’ve figured out how it all works, learning how to find resources and utilize them. CSM was extremely helpful in this regard. I’ve learned how to apply for scholarships, network and get involved with programs and clubs.”

Ashley Maxwell

“You think that college will cost so much less, but realize how much money it actually is, and have to start figuring out what you can do to defray costs. Some students are actually surprised that it’s not free or cheaper.”

Ashley Maxwell, a first year CSM student, believes one of the biggest challenges in attending college for her and her peers is the financial aspect. As a recent Promise Scholarship recipient, Ashley said she found her way financially thanks to all of the programs, scholarships and financial aid CSM offers.

Ashley’s main decision to come to a community college was based upon financial feasibility. Because she didn’t feel financially stable enough or mentally prepared to go to a university, she decided to start out at CSM. She signed up for classes and already knew about financial aid, but didn’t realize she actually needed it until she saw the costs adding up. She found that asking questions and listening to other students’ experiences led her to useful financial aid resources and options.

Ashley applied for and was awarded the Promise Scholarship, which paid for her textbooks and remaining fees. She is grateful for the resources she has found at CSM and feels that the financial support will help her achieve her goals at CSM.

Jose Chavarin Cordova

“My family always understood that they weren’t able to pay for tuition or housing. I wanted to be able to live on campus and the Karl S. Pister scholarship has allowed me to do that.”

Jose Chavarin Cordova is on his way to UC Santa Cruz after three years as a CSM student. As a recipient of the \$20,000 Karl S. Pister award, Jose plans on studying history and education. Jose says he could not have achieved this without all of the support and resources he found at CSM.

Jose says the biggest challenge of first-generation students is the socioeconomic issues that minorities and those from other countries face. They feel the need to help out their families but also to balance attending school along with working. “I was working 30 hours a week to pay off bills and trying to manage a full course load with my job. That was difficult.”

EOPS offered helpful resources like academic counseling, time-management and stress-relieving workshops, and clubs where students can be more involved.

After Santa Cruz, Jose plans to go to graduate school and start a career as a teacher or counselor. Jose wants to be someone that others look up to, and believes his challenges as a Latino have helped shape him to being the leader he wants to be—one who can help lift others up. His message to students is if he could do it, so can they.

Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See How to Apply and Enroll on page 5.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$228 per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing “T” or “U” visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

Getting Started at CSM

Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the proceeding term. Submit an Application for Admission at collegeofsanmateo.edu/apply. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Fall 2017 Important Dates on page 2.

Priority Enrollment Program (PEP)

For Graduating High School Seniors and Other New or Returning Students

College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2018. More information about PEP can be found at collegeofsanmateo.edu/pep.

Continuing Students Registration Priority

Continuing students maintain their registration priority by having a current Student Educational Plan (SEP), completing the matriculation process, maintaining good academic standing, and earning less than 100 degree applicable units with the district.

Students who attended the Spring 2017, Summer 2017, or Fall 2017 semesters are considered continuing students. Students will be sent a WebSMART registration appointment email which includes their registration appointment date. Continuing students may register at collegeofsanmateo.edu/websmart on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

College Connection Concurrent Enrollment Program

The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9th–12th graders the opportunity to get an “early start” on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

Step 1: Apply for admission online at collegeofsanmateo.edu/apply.

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: If you plan to register for English or math courses or a course that has an English or math prerequisite, take English and Math assessment at CSM. More information can be found at collegeofsanmateo.edu/assessment.

Step 4: Submit your Course Request Form via WebSMART.

Step 5: Register for classes at collegeofsanmateo.edu/websmart.

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit collegeofsanmateo.edu/ce.

Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGETC Certification should have their transcripts officially evaluated after applying for admission at collegeofsanmateo.edu/apply and enrolling in at least 0.5 unit. For more information, review the Transcript Evaluation Service information at smccd.edu/transeval.

Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To sign up for a workshop go to the Counseling Office in Building 10, Third Floor, Room 340 or schedule online (WebSMART - “schedule appointments”). After attending the workshop, the student must meet with a counselor to create or update a Student Educational Plan (SEP) in order to be considered for reinstatement.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Spring 2017 must complete an Application for Admission prior to attending the Reinstatement Workshop.

International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Education Program. Special international student applications, related forms and additional information may be obtained from the International Student Center (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Center by these dates:

Spring 2018 (January-May) November 15, 2017

Fall 2018 (August–December) July 1, 2018

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

International Education Program

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo’s International Student Center provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students’ enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact (650) 574-6525.

Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in distance education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student’s educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at collegeofsanmateo.edu/distanceeducation. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM’s Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Resource Center is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at collegeofsanmateo.edu/distanceeducation or call (650) 574-6271.

Spring 2018 Registration Dates & Times

Continuing Students: Nov. 1 – Nov. 6
New & Former Students: Nov. 7 – Jan. 15

How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor’s approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Monday, January 29.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: collegeofsanmateo.edu/fees/credit.asp.

Online classes – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

How to Apply and Enroll

COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use counseling services; or if you plan to apply for financial aid; or if you are a veteran and plan on collecting veteran’s educational benefits.

COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Steps 2 and 3.

Step 1: Apply for Admission and Identify an Education Goal

All students are required to complete the Application for Admission. Fill out the Application online at collegeofsanmateo.edu/apply.

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

Step 2: Complete College Orientation

All students who want to use counseling services must first complete a college orientation. Students can complete an in-person or online orientation. Students can make an appoint-

ment for the in-person orientation or complete the online orientation through their WebSMART account.

Step 3: Complete English and Math Assessment

CSM Assessment Services conducts the college assessment program which includes English, Reading, ESL, and Mathematics assessment components. These assessments are intended to measure skills which research has shown to be closely related to academic success. These multiple measurements represent student strengths and capabilities.

Option 1: CSM English and Math Assessment Questionnaires

Option 2: English and Math Alternate Assessment Form

Option 3: Computerized testing for English, Mathematics and English as a Second Language (ESL)

Option 4: Paper/Pencil Testing for English

To schedule an assessment appointment, log into your student WebSMART account. The user ID is your G number and the password is your 6-digit birth date. Click on “Student Records and Student Appointments.”

- You must present a photo ID.
- There is no fee for testing.
- Assessment Services is located in College Center Building 10, Third Floor, Room 370.

Option 5: Complete a Prerequisite Equivalency Form

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math

course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit collegeofsanmateo.edu/prerequisites for more information and to obtain the Prerequisite Equivalency form.

Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a 1 or 2 semester abbreviated student educational plan (SEP) to help get you started for your first semester. Please return within your first semester to complete a comprehensive educational plan, which will let you know all courses that are needed to meet your goal. Your SEP can be accessed through your WebSMART account in DegreeWorks.

Step 5: Register for Classes and Pay Fees

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

Step 6: Sign In and Use Your Assigned my.smccd.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

Board of Governor’s Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 21).

Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of \$5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-

time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$596 – \$5,920.

Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,670; Cal Grant C \$548.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit www.icanaffordcollege.com

California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

Extended Opportunity Programs and Services (EOPS)

EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

California DREAM Act

The DREAM Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including Board of Governors Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

Loans and Scholarships

Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit collegeofsanmateo.edu/financial or call the Financial Aid and Scholarship Office at 574-6146 for more information.

Financial Aid Steps

Step 1: Apply

For 2017–18 file a 17–18 FAFSA at www.fafsa.ed.gov. College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). Log in to WebSMART for dates and sign-up.

Step 2: Student Aid Report Received

After you apply, you’ll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution

(EFC). The EFC, a measure of your family’s financial strength, is used to determine your eligibility for federal student aid.

Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

Step 4: Submit Documents

Submit all required documents to College of San Mateo’s Financial Aid Office. File is complete!

Step 5: Notification of Result

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of Financial Aid they qualify for at CSM.

Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account. Prepaid cards are also available.

6 EDUCATIONAL GOALS: ASSOCIATE DEGREES, CERTIFICATES, TRANSFER

Educational Goals at CSM

View the College Catalog and the College website, collegeofsanmateo.edu, for more information about goals and opportunities at College of San Mateo.

University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor’s degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

Associate Degrees for Transfer (AA/AS-T)

Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located within the “Degrees and Certificates Offered at CSM” section below and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to www.sb1440.org or www.adegreewithaguarantee.com.

Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from over 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to collegeofsanmateo.edu/catalog.

Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 70 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates require 12–40 units of coursework and can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog at collegeofsanmateo.edu/catalog.

Bachelor Degree to Associate Degree

Students who have already been awarded a Bachelor’s degree from a regionally accredited college or university in the United States and wish to pursue an associate’s degree at College of San Mateo may be exempt from College of San Mateo local Associate degree requirements if the lower division degree-applicable coursework completed for the Bachelor’s degree includes current Title 5 minimum associate degree requirements. (Title 5, 55063) This policy does not apply to Associate Degrees for Transfer (AA/AS-Ts). Students must still complete a minimum of 12 units in residence to establish residency at College of San Mateo and must complete at least 50% or 12 units, whichever is less, of coursework applied to the associate degree major in residence at College of San Mateo. The units applied to meet residency requirements may also be the units that are needed to meet the major requirements. For more information refer to the college catalog at collegeofsanmateo.edu/catalog or use Counseling Services.

Monitor Your Progress toward University

Transfer, AA/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work

with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.*

**Students participating in the CSM Financial Aid program are required to declare one primary educational goal.*

Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All students who complete matriculation steps have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and English and Math assessment results, and monitoring academic standing.

Degree and Certificates Offered at CSM

Associate Degree for Transfer (AA/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

“Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!”

LEARNING COMMUNITIES

#Information:FactsOrAltFacts?

#Information:FactsOrAltFacts? is a learning community of students taking Philosophy 100, English 165, and Library 100 working collaboratively with instructors on the theme of information, misinformation, facts, alternative facts, and the place of knowledge in society. We will share selected reading, writing, and research assignments.

This cohort will participate together outside of class in activities such as the CSM Global Speaker Series, college fairs, and activities designed exclusively for the learning community, such as a field trip to the Internet Archive in San Francisco.

Honors Project

Honors/Interdisciplinary Studies

Students accepted into this unique interdisciplinary community will join a dedicated group of faculty and students, working together to create a rich intellectual experience at CSM. Students will earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project Interdisciplinary Studies research seminar. For more information, contact David Laderman at laderman@smccd.edu or visit collegeofsanmateo.edu/honorsproject.

Mana

Mana is a transfer and support program with the goal of increasing proficiency in communication skills for success in college, work and life. The Mana program focuses on the Pacific Islander American student experience and is open to all students. The three primary components of the program are Ethnic Studies, Communication and Academic Support. Students in the first year of the Mana Learning Community are encouraged to take ETHN 104 AB and FILM 122 BA. HIST 201 AC is primarily for students in the Mana Learning Community. The courses are open to all students. For more information and registration access, contact Finausina Tovo at tovo@smccd.edu or visit collegeofsanmateo.edu/mana.

Project Change

Project Change is the first learning community to provide wrap-around student support services and direct access to postsecondary education for current and formerly incarcerated youth. This program unites CSM and San Mateo County community organizations together in a joint effort to help students make the transition to community college. For more information, contact Katie Bliss at blisskatie@smccd.edu or visit collegeofsanmateo.edu/projectchange.

Writing in the End Zone

Writing in the End Zone (WEZ) is an interest-based learning community that links collegiate football and English composition. While exploring the demands and rewards of being student-athletes, WEZ students will strengthen their reading, writing, and critical thinking skills. All WEZ students enroll in sections of ENGL 105 and ENGL 110 which are linked to fitness and theory of football classes associated with active participation in the College of San Mateo football program. For more information, contact Teeka James at james@smccd.edu, Bret Pollack at pollack@smccd.edu or visit collegeofsanmateo.edu/wez.

FAST TRACK
110+120

The accelerated Math 110 and Math 120 courses are designed to help students reach eligibility for transfer level math in one semester. Students who are considering this accelerated option are advised to limit work hours and additional courses in order to be successful. In classroom supplemental instruction will be offered along with two counseling courses that will focus on math self-efficacy and math study strategies. Students should plan to spend additional time outside of class for study.

Inclusive Access - *New Digital Textbooks Program at CSM*

The Inclusive Access - Digital Texbooks program is a new textbook model created in collaboration with top publishers and the bookstore that converts books into dynamic digital content that lowers the cost of course materials for all students in the course.

The digital content also includes interactive learning platforms, interactive abilities with CANVAS and other benefits:

- Automatically billed to your WebSMART account at the beginning of the semester for enrolled students
- Discounted access for digital content
- Discounted print book upgrade (if available) at the bookstore

To opt out and not participate in the program for courses that are part of the Inclusive Access program, please visit the College of San Mateo Bookstore website at collegeofsanmateo.edu/bookstore, click on Inclusive Access, and follow the instructions on that page.

Fees

Fees are due and payable at the time of registration. **Students will not be able to register for classes if they have any outstanding balance.** On **Thursday, January 4, 2018** students who have any outstanding fee balances for Spring 2018 will be dropped from all classes at midnight for non-payment of fees. If a student has paid all fees by the deadline, but then adds additional classes on or after **Friday, January 5, 2018**, these additional fees must be paid by the next day at midnight or the student will be dropped from those additional classes added. For more important information, visit collegeofsanmateo.edu/fees.

Student enrollment fees are set by California’s legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Center for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

- If you need assistance in paying your fees, you are encouraged to:
- Enroll in an inexpensive payment plan via WebSMART
 - Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
 - Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmpvps@smccd.edu.

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

Credit and Refund Policy

Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 12, Room 211.

Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Cashier’s Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Veteran Thrives at CSM *(continued from page 1)*

rejected his application. Then Stanford came knocking, and that was an opportunity he couldn’t pass up.

“I just started my first quarter at Stanford and I still can’t believe I’m here.” Stephen plans to study management science and engineering and is excited for what Stanford has in store for him. “I look forward to enjoying my time at Stanford, finding more balance and focusing on my schoolwork and veteran advocacy.”

However, Stephen still feels like CSM is a home away from home. “I will always fondly remember my time at CSM and how it shaped me. This campus allowed me to build the confidence I needed by taking and excelling in great classes taught by great teachers. It also afforded me the opportunity to be a leader and positive role model on campus for students and veterans alike. Whenever I stumbled, there was always someone who would pick me up or help me correct my course. Before CSM, I would have never thought I could get into a school like Stanford much less succeed there. Despite the challenge ahead, I now have full confidence in my abilities. I’ll always be a Bulldog—I’ll just be a Cardinal-colored one.”

A Wealth of Resources Help CSM Students *(continued from outer front cover)*

KASP Program

The objective of the Kruttschnitt Aspire Scholarship Program is to identify, select and support transfer-oriented, committed and academically promising students with the highest financial need. The KASP Program focuses on traditionally underserved and underrepresented students, including students who have access to state financial aid through the California Dream Act (“Dreamers”) but who are not eligible for federal financial aid. The scholarship is for \$6,000 per year for up to two years per student. The scholarship funds up to 30 new students per year.

The Karl S. Pister Leadership Opportunity Award

This scholarship enables outstanding UC-qualified junior-level community college students to complete their undergraduate studies at UC Santa Cruz. The program provides a \$20,000 scholarship distributed over two years, mentoring and academic support, and assistance finding paid or volunteer summer work experience. One candidate is chosen by UC Santa Cruz out of three CSM candidates.

One of the biggest challenges students face is navigating to the correct scholarships, financial aid, textbooks and other resources, and that’s where the financial aid experts come in. Every student has access to a counselor who can assist them with whatever they need. In addition, new student orientation explains all of the programs and assistance available.

Karen Chadwick, who works in financial aid, says, “The best advice I can give to students applying for financial aid and scholarships is to pay attention to important deadlines and don’t be afraid to follow up! Once you apply for financial aid and/or scholarships there may be a chance you have to submit additional documentation or information. Students should check their CSM email regularly for correspondence from our office. If they have not heard from us they should follow up with the financial aid office. We are more than happy to help student’s complete the application process.”

It’s not just the money

Many students find support at CSM that goes beyond financial assistance. Dozens of learning communities, student clubs, mentors and advisors are there to help students plan their time, develop good study habits, get access to computers or just to find support from students like them.

Student Ashley Maxwell, new to CSM this year and a financial aid and scholarship recipient, says, “I’m thankful for the Promise Scholarship, financial aid and clubs, especially since it was a process I didn’t expect. Support from Umoja really helped my stability, helped me connect around the campus, and put me in contact with others who could help.”

In addition to financial aid and scholarships, students can apply for EOPS and CARE. These programs provide substantial support to students such as tutoring, priority registration, help with transportation, assistance in purchasing text books, workshops and more. In addition, students also have the opportunity to join Learning Communities such as Umoja, Puente and Mana. These programs help students succeed in college with the support of counselors, instructors and administrators on campus.

Student Chavarin Jose Cordova says, “EOPS was very helpful with academic counseling, provided great structure, time-management and stress-relieving workshops, and clubs where students can be more involved. They also have free printing, computers and once a year offered a trip to southern California for free to visit colleges. There are lots of opportunities to be involved on campus. Paying for parking, gas cards and books was a huge service.”

Annual Security Report

San Mateo County Community College District’s (SMCCCD) 2017 Annual Security Report (ASR), required by the Clery Act, includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings owned or controlled by SMCCCD; and on public property within, or immediately adjacent to and accessible from SMCCCD. Our 2017 Annual Security Report also outlines various campus safety and security policies, such as those concerning crime reporting, prevention and response to sexual and gender violence, alcohol and drug use crime prevention, emergency response and evacuation procedures, and other matters. The 2017 Annual Security Report also includes important tips to help every member of the community remain safe and avoid becoming a victim of crime. The 2017 Annual Security Report is now available at collegeofsanmateo.edu/securityreport. You can also obtain a copy of this report by contacting the Department of Public Safety at the District Office, or any of the three campuses.

Parking Regulations

Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am–10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$53 each for the fall and spring semesters (Fall/Spring Permit \$96) and \$26 for the summer session. Parking permits for students with California Board of Governors (BOG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Business Office) and then pay for the permit and pick it up in the Cashier's Office. Temporary Parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$3 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in student lots only. **Citations will be issued beginning on Wednesday, January 31, 2018 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

Disabled Parking

Blue Handicapped parking spaces have been provided in Lots 2, 3, 4, 5, 6, 8, 11 and 12 (see Campus Map). A vehicle must have and display a valid California State Disabled Person Placard (issued by DMV) to park. Disability parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones. No

student, staff, daily, patron or visitor parking permit required when displaying a valid CA DP placard.

Visitor Parking

Visitors to campus may park free for the first 40 minutes in visitor parking areas in Marie Curie Lot 5, Forum Lot 8, and Olympian Lot 12. Visitors must purchase a daily permit (\$3 per day) for time beyond 40 minutes at the permit machines located in the lots. These permits must be displayed face-up on the dashboard. No student parking is allowed in visitor lots.

Visitors may also park in a student lot after purchasing and displaying a \$3 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map. No visitor parking permit required when displaying a valid CA DP placard.

San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club (SMAC) are required at all times for parking in designated areas in Beethoven lot 2 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit smccd.edu/sanmateoathleticclub.

Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation. Fees are assessed for vehicles plugged-in over four (4) hours. Visit smccd.edu/sustainability/electricvehiclecharging.php.

Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

No student parking is permitted in the designated “Employee of the Month” parking spaces. These spots are reserved for authorized staff only and unauthorized vehicles may be ticketed.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:25 p.m. Routing information is available by calling 1-800-660-4BUS or visiting samtrans.com and caltrain.com. Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 12, Room 211.
