In a healthy economy, it can be difficult for companies to find employees with the right skills and training. That is why CSM has created the Career and Workforce Hub to connect Career and Technical Education (CTE) students and alumni with employers. The Hub bridges the gap between employers and students by providing students with career exploration and preparation services, and working with businesses to create internships and employment placement.

The Career and Workforce Hub is headed by CSM's Director of Career Education, Ashley Phillips, who benefited from a pivotal internship opportunity early in her own career. She studied public administration and planned to work in human resources. "I had an internship in human resources," says Phillips. "Although I liked the people, the actual work wasn't fulfilling enough." That single internship experience helped her focus on her passion and pursue a career in her field that is personally rewarding.

Her vision, along with the Hub's, is to ensure that students have enriching experiences that help them build skills and focus on the careers they will have once they complete a class, certificate or degree at CSM.

Celebrating 96 Years of Academic Excellence

Schedule of Classes ~ Spring 2019 ~ Semester begins January 14

“I Can Do Anything”—A Student Shares Her Success Story

Ashley Perrilliat is no stranger to personal challenges. As a sophomore at California High School in San Ramon, she was diagnosed with scoliosis. She was an active cheerleader, softball and soccer player. But her spine had begun to curve dramatically and her increasing back pain affected her ability to think and perform academically and athletically.

In order to halt the continuation of this potentially debilitating condition, Ashley's doctor recommended she undergo an intensive spinal fusion surgery. Surgeons spent six hours inserting two rods and sixteen bolts into her spine to straighten it. After the operation, Ashley found herself facing years of physical therapy and recovery.

Because of the physical challenges connected to her recovery, Ashley was unable to be as academically, socially, and physically active as she had been in the past. She focused on healing but the pain left her feeling disconnected from her studies and struggling in her classes. Through the remainder of high school, she found it extremely difficult to make progress towards becoming the person she knew she wanted to be.

After her senior year in high school, Ashley and her family moved to Castro Valley. With her back fully healed and the change in environment, she felt empowered to

begin taking on new challenges. She says, “after going through three years of painful recovery, I realized I can do anything!” But being able to do anything meant finding the right place to thrive academically.

Many of her high school friends attended a local community college but Ashley decided to cast her net wider and go college shopping throughout the Bay Area. She visited multiple colleges in the East Bay but didn't feel they were the right fit for her. After hearing positive mentions of College of San Mateo, she ventured across the bridge to learn if the college lived up to its glowing reputation.

As soon as she set foot on the CSM campus, Ashley knew it was the place for her. Even considering the one-hour commute each way, Ashley felt CSM offered her the fresh start she was seeking.

Ashley began classes at CSM in the fall of 2017 as part of the Year One Promise program. While she was nervous and didn't know anyone, the all-encompassing support—financial, counseling, and community—she received provided a solid foundation that quickly eased her into college life. She even felt her confi-

Disability Resource Center Helps Students Achieve Their Goals

In his transition from high school to college, Carlos Fernandez was nervous about having to take notes and doing just about anything as a college student. Unable to use his hands, he didn't want to accept that he was disabled and needed help. He didn't want to feel isolated or “put into a box.”

At CSM, Carlos found the Disability Resource Center (DRC), an office that could help him become successful in his classes. Carlos says the DRC helped him write his papers, gave him easier tools for using textbooks, and even provided people to take notes for him during class. He says that without the DRC, he probably wouldn't have been able to get his student work done.

Students face a variety of challenges that are visible, such as sight or hearing challenges, as well as challenges that are invisible to others. Students feel insecure about their disabilities and the stigmas around them. Many high school students have a difficult time transitioning to college and they don't want to ask for help.

See “Disability Resource Center” on page 22

“Reach out to people whether they are disabled or not. And don't be afraid of making mistakes, because everyone does.”

—Carlos Fernandez, CSM Alumnus

Did you KNOW that...

- 98% of CSM students say that they would recommend CSM to a family member or friend.
- In the past 96 years, CSM has educated more than 625,000 students.
- More San Mateo County high school graduates attend CSM than any other post-secondary institution.
- September 20, 1963, is the day that 5,621 students began attending classes at the new College Heights campus.
- Bulldog alumni include Super Bowl-winning coaches and broadcasters Bill Walsh of the San Francisco 49ers and John Madden of the Oakland Raiders.

Message from the President

One of the most important roles of a community college is to prepare people for jobs. Whether a student is preparing to transfer to a university to study engineering, honing skills to prepare for the CPA exam, or training to be a firefighter, CSM prepares people for the workforce. We provide career-planning services and show students how to write better resumes, create effective LinkedIn profiles and ace their next job interview.

In order to do that well, we also need to maintain close relationships with Bay Area employers.

We work with businesses to create internship opportunities and place students into good-paying jobs. We bring employers to campus to network with our students, and our faculty are always updating their curriculum to ensure we are preparing students for the latest professional practices and technology.

Our Career and Workforce Hub develops relationships with employers, ensures we are training grads for the jobs in our area, and prepares students to do those jobs. The cover story in our Spring 2019 Schedule of Classes tells you how.

This issue of the Schedule of Classes also offers glimpses into some of the personal and learning challenges students face when going to college. College is tough, and CSM is there with a little extra help. In our student profile, Ashley

Perrilliat tells about overcoming a debilitating disease, her recovery, and then coming to CSM to find resources and people to make her successful. She is now a student leader at CSM, thanks to a strong drive and a wonderful community.

You'll also read in this issue about the tools CSM provides for students who have physical or learning disabilities. Carlos Fernandez shares his fears about going from high school to college, his reluctance to ask for help, and the confidence and independence he gained from working with CSM's Disability Resource Center. This Center helps more students each year, and it truly makes a difference.

Teaching college is rewarding in many ways, and one of those is exploring your field and sharing that exploration with students. We asked six CSM professors what they are exploring, and their answers are on page 3. As it turns out, they are working on better ways to support students, developing personal skills, and even taking on global socio-political issues. These are inspirational, energetic lifelong learners (and I would love to take their classes!).

College of San Mateo has a well-earned reputation for its academic vibrancy and a warm community. This spring's schedule shows you a few of the many reasons why. Enjoy these stories, and have a great spring.

About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students per semester. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, student clubs, and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue to four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit collegeofsanmateo.edu/exploreasm. Guided campus tours can be scheduled through collegeofsanmateo.edu/tours.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

College of San Mateo is committed to equal opportunity regardless of age, gender, marital status, disability, race, color, sexual orientation, religion, national origin or other similar factors, for admission to the College, enrollment in classes, student services, financial aid and employment in accordance with the provisions of Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972 (45CFR 86), Section 504, Rehabilitation Act of 1973 (P.L. 93-112), and the Americans With Disabilities Act of 1990.

Faculty Voices: What Are You Exploring Right Now?

"I am exploring ways to deliver engineering material that is not only effective, but also increases student self-efficacy. One of the biggest challenges, beyond learning difficult concepts, is learning to believe in your own ability to apply them to solve real world problems."

—Jose Gutierrez, Engineering

"I am learning how to use a Chinese abacus, which has been one of my goals in life. Trying to coordinate my brain, eyes and fingers to move faster has been quite challenging."

—Vincent Li, Accounting

"I am currently exploring and creating the curriculum for the new upcoming Care and Prevention class for Fall 2019. This class will be a great stepping stone for any student interested in the sports medicine field."

—Jasmine Gittens, Athletics

"I'm currently exploring the connections between anticolonial liberation movements in India, Oceania, Black America and the Caribbean during the twentieth century. Understanding the transnational nature of these historic social movements can help us develop more complex views of social justice activism in the present."

—Malathi Iyengar, Ethnic Studies

"As the co-coordinator and English instructor for CSM's Puente Project, I'm always searching for contemporary authors—books by the poets Ada Limón and Marcelo Hernandez Castillo have given me some beautiful and challenging new reading this semester. Working with a learning community like Puente has also helped me to refocus on and discover new ways to build supportive community in all of my classes."

—Mick Sherer, English

"I'm exploring ways to make our first-year students more successful as they take ownership of their academic experience, develop skills for lifelong learning and find their voice. Each student has a lot to offer, and I want them to feel confident about contributing to society professionally, academically, creatively—in the ways that are meaningful for them."

Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See How to Apply and Enroll on page 5.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$233 (plus \$46 Enrollment Fee) per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing "T" or "U" visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

Getting Started at CSM

Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the proceeding term. Submit an Application for Admission at collegeofsanmateo.edu/apply. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Spring 2019 Important Dates on page 2.

Priority Enrollment Program (PEP)

For graduating high school seniors

In the spring semester, College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2019. More information about PEP can be found at collegeofsanmateo.edu/pep.

Continuing Students Registration Priority

Continuing students maintain their registration priority by having a current Student Educational Plan (SEP), completing the matriculation process, maintaining good academic standing, and having earned less than 100 degree-applicable units within the district.

Students who attended the Spring 2018, Summer 2018, or Fall 2018 semesters are considered continuing students. Students will be sent a WebSMART registration appointment email which includes their registration appointment date. Continuing students may register at collegeofsanmateo.edu/websmart on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

College Connection Concurrent Enrollment Program

The College Connection Concurrent Enrollment Program is a special program designed to provide current 9th–12th graders the opportunity to get an "early start" on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in up to 11 units.

Step 1: Apply for admission online at collegeofsanmateo.edu/apply.

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: If you plan to register for English or math courses or a course that has an English or math prerequisite, take English and Math assessment at CSM. More information can be found at collegeofsanmateo.edu/assessment.

Step 4: Submit your Course Request Form via WebSMART.

Step 5: Register for classes at collegeofsanmateo.edu/websmart.

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit collegeofsanmateo.edu/ce.

Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education (CSUGE) Certification, or to an Intersegmental General Education Transfer Curriculum (IGETC) Certification should have their transcripts officially evaluated after applying for admission at collegeofsanmateo.edu/apply and being registered in 6 units. For more information, review the Transcript Evaluation Service information at smccd.edu/transeval.

Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To sign up for a workshop, schedule online (WebSMART - "schedule appointments") or go to the Counseling Office in Building 10, Third Floor, Room 340. After attending the workshop, the student must meet with a counselor to create or update a Student Educational Plan (SEP) in order to be considered for reinstatement.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Spring 2018 must complete an Application for Admission prior to attending the Reinstatement Workshop.

International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Education Program (IEP). Special international student applications, related forms and additional information may be obtained from the Center for Global Engagement Office (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the IEP Office by these dates:

Fall 2019 (August–December) July 1, 2019

Spring 2020 (January–May) November 15, 2019

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

International Education Program

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and global perspectives to the classroom and the CSM community. The International Education Program supports our international students and provides opportunities beyond the classroom for all students to engage in events and experiences that involve the global community in which we live.

College of San Mateo's International Education Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, visit collegeofsanmateo.edu/international or contact (650) 574-6525.

Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance Education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM Distance Education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in Distance Education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance Education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student's educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the Distance Education website at collegeofsanmateo.edu/distanceeducation. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Distance Education Office is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at collegeofsanmateo.edu/distanceeducation or call (650) 574-6271.

Spring 2019 Registration Dates & Times

Continuing Students: Nov. 2 – Nov. 5

New & Former Students: Nov. 7 – Nov. 12

How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor's approval.

If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Monday, January 28.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: collegeofsanmateo.edu/fees/credit.asp.

Online classes – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

How to Apply and Enroll

COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use Counseling Services; or if you plan to apply for financial aid; or if you are a veteran and plan on collecting veteran’s educational benefits.

COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Steps 2 and 3.

Step 1: Apply for Admission and Identify an Educational Goal

All students are required to complete the Application for Admission. Fill out the application online at collegeofsanmateo.edu/apply.

After the application has been received, you will be sent a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

Step 2: Complete College Orientation

All students who want to use counseling services must first complete a college orientation. Students can complete an in-person or online orientation. Students can make an appointment for the in-person orientation or complete the online

orientation through their WebSMART account.

Step 3: Complete English and Math Assessment

CSM Assessment Services conducts the college assessment program which includes English, Reading, ESL, and Mathematics assessment components. These assessments are intended to measure skills which research has shown to be closely related to academic success. These multiple measurements represent student strengths and capabilities.

Option 1: CSM English and Math Assessment Questionnaires

Option 2: English and Math Alternate Assessment Form

Option 3: Computerized testing for English, Mathematics and English as a Second Language (ESL)

Option 4: Paper/Pencil Testing for English

To schedule an assessment appointment, log into your student WebSMART account. The user ID is your G number and the password is your 6-digit birth date. Click on “Student Records and Student Appointments.”

- You must present a photo ID
- There is no fee for testing
- Assessment Services is located in College Center Building 10, Third Floor, Room 370

Option 5: Complete a Prerequisite Equivalency Form

If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math course or a course that has an English or math prerequisite,

then your previous coursework must be approved. Visit collegeofsanmateo.edu/prerequisites for more information and to obtain the Prerequisite Equivalency form.

Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a 1 or 2 semester abbreviated Student Educational Plan (SEP) to help you get started for your first semester. Please return within your first semester to complete a comprehensive SEP, which will let you know all courses that are needed to meet your goal. Your SEP can be accessed through DegreeWorks in your WebSMART account.

Step 5: Register for Classes and Pay Fees

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

Step 6: Sign In and Use Your Assigned my.smccd.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

California College Promise Grant (CCPG)

(formally known as the Board of Governors Fee Waiver)

The California College Promise Grant is for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The CCPG pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 21).

Federal Pell Grant

You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of \$5200 or less on the Student Aid Report

(SAR), you are eligible for a Federal Pell award. Less than half-time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$596 – \$5,920.

Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,670; Cal Grant C \$548.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit www.icanaffordcollege.com

California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

Extended Opportunity Programs and Services (EOPS)

EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a CCPG application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

California DREAM Act

The DREAM Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including California College Promise Grant Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

Loans and Scholarships

Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit collegeofsanmateo.edu/financial or call the Financial Aid and Scholarship Office at 574-6146 for more information.

Financial Aid Steps

Step 1: Apply

For 2018–19, file a 18–19 FAFSA at www.fafsa.ed.gov. College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). Log in to WebSMART for dates and sign-up.

Step 2: Processing of Application

Please allow 1–2 weeks for your application to be processed and sent to the college. After you receive your Student Aid Report (SAR), check it for accuracy.

Step 3: Submit Documents

Check WebSMART to see what documents are required. Submit these documents to College of San Mateo’s Financial Aid Office.

Step 4: File Review

Files are reviewed in order of date received. During the process, additional documents may be requested.

Step 5: Notification of Result

Eligible students will be notified by email to their “my.smccd.edu” account. Check WebSMART to view the types and amount of financial aid awarded.

Step 6: Aid Funds are Paid!

Funds will be electronically deposited into your bank account. Prepaid cards are also available.

Educational Goals at CSM

View the College Catalog and the College website, collegeofsanmateo.edu, for more information about goals and opportunities at College of San Mateo.

University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

Associate Degrees for Transfer (AA-T/AS-T)

Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located within the "Degrees and Certificates Offered at CSM" section below and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to www.sb1440.org or www.adegreewithaguarantee.com.

Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to collegeofsanmateo.edu/catalog.

Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 67 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog at collegeofsanmateo.edu/catalog.

Bachelor Degree to Associate Degree

Students who have already been awarded a Bachelor's degree from a regionally accredited college or university in the United States and wish to pursue an associate's degree at College of San Mateo may be exempt from College of San Mateo local Associate degree requirements if the lower division degree-applicable coursework completed for the Bachelor's degree includes current Title 5 minimum associate degree requirements. (Title 5, 55063) This policy does not apply to Associate Degrees for Transfer (AA/AS-Ts). Students must still complete a minimum of 12 units in residence to establish residency at College of San Mateo and must complete at least 50% or 12 units, whichever is less, of coursework applied to the associate degree major in residence at College of San Mateo. The units applied to meet residency requirements may also be the units that are needed to meet the major requirements. For more information refer to the college catalog at collegeofsanmateo.edu/catalog or use Counseling Services.

Monitor Your Progress toward University

Transfer, AA-T/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work

with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.*

*Students participating in the CSM Financial Aid program are required to declare one primary educational goal.

Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All students who complete matriculation steps have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and English and math assessment results, and monitoring academic standing.

Degree and Certificates Offered at CSM

The A.A./A.S. Degree Requirements worksheet can be obtained from the CSM Online Catalog at collegeofsanmateo.edu/catalog, the Counseling Center, or at collegeofsanmateo.edu/degrees/requirements.asp.

Associate Degree for Transfer (AA-T/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

"Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!"

LEARNING COMMUNITIES**HONORS/INTERDISCIPLINARY STUDIES**

Students accepted into this unique interdisciplinary community will join a dedicated group of faculty and students, working together to create a rich intellectual experience at CSM. Students will earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project Interdisciplinary Studies research seminar. For more information, contact David Laderman (laderman@smccd.edu). Visit collegeofsanmateo.edu/honorsproject.

MANA

MANA is a transfer and support program with the goal of increasing proficiency in communication skills for success in college, work and life. The MANA program focuses on the Pacific Islander American student experience and is open to all students. The three primary components of the program are Ethnic Studies, Communication and Academic Support. Students in the first year of the MANA Learning Community are encouraged to take ETHN 104 and a FILM course. HIST 201 is primarily for students in the MANA Learn-

WRITING IN THE END ZONE

WRITING IN THE END ZONE (WEZ) is an interest-based learning community that links collegiate football and English composition. While exploring the demands and rewards of being student-athletes, WEZ students will strengthen their reading, writing, and critical thinking skills. All WEZ students enroll in sections of ENGL 105 and ENGL 110 which are linked to fitness and theory of football classes associated with active participation in the College of San Mateo football program. For more information, contact Teeka James (james@smccd.edu) or Bret Pollack (pollack@smccd.edu). Visit collegeofsanmateo.edu/wez.

Complete Your Transfer-Level Math Course in One Year!

To give students the best possibility to complete a transfer-level math course within one year, the math department has developed support courses that are linked to pre-transfer-level math classes. These courses are designed to help students develop additional skills needed to succeed in their math classes. Please check your placement scores and speak with a counselor if you are unsure if either of these courses is right for you. A student must register for a support course (Math 820, 890 or 800) before registering for a math course (Math 120, Math 190 or Math 200).

Notes:

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

Evening/Weekend Classes

Final examinations for all evening, Saturday, and Sunday classes will be given during the last class meeting for all courses:

Day of Regular Class Meeting	Final Examination
Monday classes	Monday, May 20
Tuesday classes	Tuesday, May 21
Wednesday classes	Wednesday, May 22
Thursday classes	Thursday, May 23
Friday classes	Friday, May 24
Saturday classes	Saturday, May 18
Sunday classes	Sunday, May 19

Evening courses that meet two nights per week meet both nights during Finals. The first night is a regular class meeting and the Final Exam is held on the second night.

SparkPoint brings together the most effective nonprofit and government partners to help clients build assets, grow income and manage debt. SparkPoint clients work with a coach who helps create a step-by-step plan to set and achieve personal financial goals. Because change does not happen overnight, SparkPoint commits to working with clients for up to three years. SparkPoint Centers help families move towards financial prosperity.

Fees

Fees are due and payable at the time of registration. **Students will not be able to register for classes if they have any outstanding balance.** On **Thursday, January 3, 2019** students who have any outstanding fee balances for Spring 2019 will be dropped from all classes at midnight for non-payment of fees. If a student has paid all fees by the deadline, but then adds additional classes on or after **Friday, January 4, 2019**, these additional fees must be paid by the next day at midnight or the student will be dropped from those additional classes added. For more important information, visit collegeofsanmateo.edu/fees.

Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a California College Promise Grant (CCPG). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Education Program for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

If you need assistance in paying your fees, you are encouraged to:

- Enroll in an inexpensive payment plan via WebSMART
- Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
- Complete the California College Promise Grant (CCPG) Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmpvps@smccd.edu.

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

Credit and Refund Policy

Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 12, Room 211.

Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Cashier's Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Disability Resource Center (continued from page 1)

Carlos chats with Disability Resource Director Carol Newkirk. Photo by Julio Ruggiero.

DRC offers solutions for many students to be successful in college. They can arrange an extended period of time for testing for students who have a hard time taking timed tests. They can help with spell check, readers and scribes to assist students on exams. There are note taking and tape-recorded lecture services for students who have difficulties taking efficient notes. The DRC's distraction free environment offers an ideal place to study. And they have Ubi-Duo, a communication device for deaf or hard-of-hearing students.

The services provided by the DRC are in demand. They now serve 830 students—an increase of almost 50% in the last two years.

As part of the DRC, Carlos mentioned that being around others that are disabled “opened his eyes on how society looks at us and ways you can start to bring down those barriers and the stigmas that come with being disabled.” He says he has gained much from his experience with the DRC; and is now in his senior year at Palo Alto University. He hopes to do an internship soon on spinal cord injuries.

Carlos has good advice for any student, no matter their ability: “Reach out to people whether they are disabled or not,” he says. “And don’t be afraid of making mistakes, because everyone does.”

To learn more about the DRC, visit collegeofsanmateo.edu/drc, email csmdrc@smccd.edu, or call (650) 547-6438.

Career and Workforce Hub (continued from outer front cover)

The Hub reflects the increasing need for students to focus on their education and professional career aspirations concurrently. It allows CSM to respond to urgent economic and community needs, and create access for underrepresented students.

With the Hub, students and alumni can work on the tools they need to secure an internship or job such as resume writing, interviewing skills, LinkedIn profile optimization and networking. The Hub also sponsors speakers series, networking events and opportunities to connect to experts for informational interviews. Employers can work directly with the Director of Career Education to advertise open jobs and internships and develop a pipeline of trained candidates.

Students or alumni who need help updating a resume or LinkedIn profile, or finding an internship to explore their major, may contact the Career and Workforce Hub for assistance. Employers looking to access skilled local employees can contact the Hub at (650) 574-6296.

Student Success Story (continued from page 1)

Ashley credits her active involvement in student government, clubs, and committees with helping her build many invaluable friendships with her peers.

dence rise when she joined a co-ed indoor soccer league.

Heading into her second semester, Ashley was ready to make up for the time that she felt she lost during high school. She joined clubs, participated in committees, and was elected senator of the Associated Students of CSM. Ashley began building new friendships that provided the support and motivation to reach new academic heights. Completing her first year with a 4.0 GPA, she knew she was on the right path. She is now thriving in her second year at CSM.

Ashley credits much of her success at CSM to the relationship she developed with her counselor, Kathleen Sammut. Together they developed a Student Educational Plan (SEP) that helped lay the path for Ashley's time at CSM. Ashley says “Kathleen really helped me build my confidence, plan my future, and pushed me to get more active on campus.”

Through her CSM classes and regular meetings with Sammut, Ashley sees herself majoring in communications with a possible minor in business. Her career interests are varied and she is considering a career as an entrepreneur, journalist, broadcaster, marketer, or public relations specialist. After exploring her options at CSM, she plans to transfer to UCLA or a Historically Black College or University (HBCU).

Parking Regulations

Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am–10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$54 each for the fall and spring semesters (Fall/Spring Permit \$98) and \$27 for the summer session. Parking permits for students with California College Promise Grant (CCPG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Cashier's Office) and then pay for the permit and pick it up in the Cashier's counter. Temporary parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$3 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in **student lots only**. **Citations will be issued beginning on Tuesday, January 29, 2019 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

Disabled Parking

Blue Handicapped parking spaces have been provided in Lots 2, 3, 4, 5, 6, 8, 11 and 12 (see Campus Map). A vehicle must have and display a valid California State Disabled Person Placard (issued by DMV) to park. Disability parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones. No

student, staff, daily, patron or visitor parking permit required when displaying a valid CA DP placard.

Visitor Parking

Visitors to campus may park free for the first 40 minutes in visitor parking areas in Marie Curie Lot 5, Forum Lot 8, and Olympian Lot 12. Visitors must purchase a daily permit (\$3 per day) for time beyond 40 minutes at the permit machines located in the lots. These permits must be displayed face-up on the dashboard. No student parking is allowed in visitor lots.

Visitors may also park in a student lot after purchasing and displaying a \$3 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map. No visitor parking permit required when displaying a valid CA DP placard.

San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club (SMAC) are required at all times for parking in designated areas in Beethoven lot 2 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit smccd.edu/sanmateoathleticclub.

Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met.)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation. Fees are assessed for vehicles plugged-in over four (4) hours. Visit smccd.edu/sustainability/electricvehiclecharging.php.

Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

No student parking is permitted in the designated "Employee of the Month" parking spaces. These spots are reserved for authorized staff only and unauthorized vehicles may be ticketed.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:25 p.m. Routing information is available by calling 1-800-660-4BUS or visiting samtrans.com and caltrain.com. Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 12, Room 211.
