In the summer of 1966, 39 students joined a new program at College of San Mateo that promised better resources for students of color. At the time, College of San Mateo was a well-respected vocational-technical campus serving more than 17,000 students, but it was not a diverse campus. To change that, CSM created the College Readiness Program, providing financial aid, tutoring and expanded outreach to help students achieve their educational goals.

Those 39 students had no idea they were about to become the model for the Community College Extended Opportunity Programs and Services (EOPS), a statewide program created by the state legislature in 1969. Born out of the Civil Rights Movement, EOPS is considered by many to be the original equity and student success program in California Community Colleges. EOPS provides academic, financial, and personal support for low-income students whose educational and socio-economic backgrounds might otherwise prevent them from successfully attaining their educational goals.

“EOPS is a program that engages our students holistically. Beyond the tangible support services, EOPS provides safe communal space and practices that are rooted in critical consciousness, community building and student empowerment. Through the triumphs, leadership and advocacy of our students, the EOPS legacy continues strong,” says Patrice Reed-Fort, CSM’s coordinator and counselor of EOPS/CARE and CalWORKs.

CSM Alumna & Entrepreneur Richael Young

Richael Young never wanted to be an entrepreneur. Growing up, she saw firsthand the struggles her self-employed parents often faced. From swings in revenue to never being able to take a day off, running their business was challenging. Richael knew that her path would be different because she wanted more stability in her career. But things didn't work out quite as she expected.

Today, Richael is the co-founder and CEO of Mammoth Trading, a company that specializes in water management policy and the design and operation of customized algorithmic, or "smart," water markets. Started in 2014, the company developed and launched the first active smart markets for groundwater and surface water in the United States. When asked how she ended up becoming an entrepreneur, Richael says, "I was in the right place, at the right time. I found something that I was incredibly passionate about, something that I was good at, and something that I enjoyed."

Richael began laying the groundwork to be "at the right place, at the right time" as a teenager. Through College of San Mateo's Concurrent Enrollment Program, she began taking classes at the age of 14. As she transitioned into a becoming a full-time CSM student, she began exploring opportunities outside of the classroom, primarily in student leadership.

In 2006, she was elected student trustee for the San Mateo County Community College District Board of Trustees. During her two-year term, she represented over 24,000 students across three colleges, bringing their collective voices to the governing board of the District. Being able to make an impact on students' lives while developing her communication and leadership skills led Richael to her next step as president of the Associated Students of CSM. Thereafter, she became the president of the Student Senate for California Community Colleges, which represents the state's 2.8 million community college students.

Reflecting on Richael's time at CSM, Fauzi Hamadeh, CSM staff member and student government advisor, says, "Richael's inquisitive nature, her bravery in asking tough questions, and her desire to find solutions that worked for everyone were hallmarks of her time at CSM."

In her final year at CSM, Richael was honored with the prestigious Jack Kent Cooke Foundation Transfer Scholarship for her student leadership contributions and

Message from the President

Fifty years ago, California took action to create a program that would change the lives of millions of community college students. Extended Opportunity Programs and Services (EOPS) has become a cornerstone of California Community colleges and an inspiration for programs around the country. It provides incredible support resources for low-income students whose educational and socio-economic backgrounds might otherwise prevent them from successfully attaining their educational goals. Our cover feature gives you the story behind it.

What many people don’t realize—even at CSM—is that the EOPS program took its inspiration in part from a pioneering support program here: the College Readiness Program (CRP). In the 1960s, CSM was looking to increase its student diversity. The College started offering financial aid assistance, tutoring, and more targeted outreach to underserved local populations like African Americans (in other words, the things we do today on a regular basis). CRP was successful, and helped to lead to discussions of supporting students at the state level. EOPS was born with the passage of state legislation in 1969.

EOPS has a special place in my heart. I started my career in the California Community Colleges over 21 years ago as the director/counselor for EOPS/CARE & CalWORKs at College of the Siskiyous in Weed, California. This program taught me how to serve our student populations from under-resourced areas of our community and the rewards of witnessing how the success of one student is also the success of an entire family. For me, the mission of EOPS is

also the mission of our community colleges. Happy 50th birthday to EOPS!

This *Spring 2020 Schedule of Classes* also contains other inspirational stories. Richael Young came to CSM at the age of 14, had a stellar career here as a student leader, went on to the University of Illinois, and co-founded a water management company in Denver. Richael is an example of the kind of educational excellence, fearlessness, and passion that we see in our students at CSM.

Finally, we are fortunate to have added a number of exciting new faculty members in a wide variety of programs. CSM has added faculty in communication studies, cosmetology, counseling, EOPS, math, and nursing. We have spoken with seven of them to find out a little about their teaching philosophy, interests, and how they feel about coming to CSM. I’m excited about these talented new faculty members. Please say hello when you see them.

CSM will be celebrating its centennial in 2022. As we begin to plan the celebration, I find it inspiring to look back on our history, especially in programs such as CRP and EOPS. It’s also exciting to watch the success of our alumni, such as Richael Young. And it’s especially exciting to look forward to the future of our College—its students and its faculty.

I wish you a happy and successful spring semester. Thank you for your support of CSM!

Kim Lopez, Acting CSM President

About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students per semester. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, student clubs, and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue to four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit collegeofsanmateo.edu/exploreCSM. Guided campus tours can be scheduled through collegeofsanmateo.edu/tours.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

College of San Mateo is committed to equal opportunity regardless of age, gender, marital status, disability, race, color, sexual orientation, religion, national origin or other similar factors, for admission to the College, enrollment in classes, student services, financial aid and employment in accordance with the provisions of Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972 (45CFR 86), Section 504, Rehabilitation Act of 1973 (P.L. 93-112), and the Americans With Disabilities Act of 1990.

Welcome to Our New Faculty—Why CSM?

“With over 32 years of cosmetology experience, 15 years of that in an educational role, my dream was to be an educator. I had been invited to CSM as a guest artist in 1998 to teach a specific class in our discipline and remembered what an amazing facility it was. I applied and was hired as an instructional aid in the cosmetology department and fell in love with CSM’s culture and values. Last year, I learned my department was looking to hire a new instructor. This completely fit into my career goals and after six years, I finally became an Instructor. I feel lucky to be a part of a college that has such a great reputation in this community and in the cosmetology industry.”

—Kimberly Salido, Cosmetology

“During my time at CSM, I have taken on many roles: A (struggling) student, a math tutor, an SI instructor, a friend, a co-worker, a graduate, and now, a full-time instructor. Each and every one of these opportunities were gifts which enabled me to pursue new and greater goals for both my academic career and personal life. I am passionate about making sure that other people have the chance to benefit from the same life-changing growth CSM cultivates, so I chose CSM to guarantee that I am a part of the community dedicated to helping these gifts positively impact as many people as possible.”

—Joshua Rhodes, Mathematics

“Why did I choose to work at CSM? On the shallow side, I’m a bit like Princess Jasmine from the Disney animation *Aladdin*. I absolutely love fountains and CSM happens to have multiple throughout the campus. The campus is so lovely. Also, building 5, where the nursing program is housed is phenomenal. I often feel like I’ve died and gone to heaven. Getting a little deeper, I’m so fortunate to serve at a school where its missions parallel mine. I’m deeply invested in the concepts of equity, academic excellence, community involvement and shared governance. I’m so thankful to be working with administrators, faculty and staff at CSM to provide the very best learning environment for students to succeed.”

—Melinda Nguyen, Nursing

“It has always been a priority for me to make a positive impact in my community. I grew up in San Mateo County and CSM gave so much to me as a student. I was able to attend UC Berkeley for my undergraduate degree and San Jose State University for my master’s degree while working full time as CSM’s college recruiter. I have been blessed to help students reach their educational and personal goals as a staff member and now as member of the faculty. It is an honor to be back as a career counselor.”

—Alex Guiriba, Counseling

“As an alumna of CSM, I was fortunate to have been part of this vibrant and diverse student body. Professors and students alike made CSM a place I was excited to be, feeling supported on my personal journey to learn and grow as a scholar and individual. I took my first communication studies course here and immediately fell in love with the major. Across many disciplines, the passion my professors displayed for teaching made me excited to learn and continue with my education. Coming back to teach at CSM has made this journey come full circle as I now share my passion for communication studies with my students.”

—Briana Avila, Communication Studies

“CSM is home. It was during my time here as an EOPS student that I began to realize my true potential and passion. Through all of the adversity I faced as a low-income, re-entry student with two small children, my EOPS family stood by my side every step of the way; providing unwavering support and encouragement. It is a tremendous honor to return to CSM and provide that same level of support and advocacy for current students as they strive to achieve their educational goals.”

—Patrice Reed-Fort, Counseling

“I chose CSM because the main focus is on the student. The faculty, students, administration, and staff are all actively seeking positive change for student success with curriculum redesign, early implementation of changes necessary according to new laws, and the many programs available to students. Collaboration is highly valued here at CSM. Working together we can help students attain their goals. Also, CSM is my community. I live in Redwood City and many of my neighbors, friends, and even my own family have taken classes here. I am very happy to be at CSM.”

—Michelle Beatty, Mathematics

Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See How to Apply and Enroll on page 5.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

Open Enrollment

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$273 (plus \$46 Enrollment Fee) per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing “T” or “U” visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

Getting Started at CSM

Application Process for NEW and FORMER Students

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the proceeding term. Submit an Application for Admission at collegeofsanmateo.edu/apply. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Spring 2020 Important Dates on page 2.

Priority Enrollment Program (PEP)

For graduating high school seniors

In the spring semester, College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in the fall semester. More information about PEP can be found at collegeofsanmateo.edu/pep.

Continuing Students Registration Priority

Continuing students maintain their registration priority by having a current Student Educational Plan (SEP), completing the matriculation process, maintaining good academic standing, and having earned less than 100 degree-applicable units within the district.

Students who attended the Spring 2019, Summer 2019, or Fall 2019 semesters are considered continuing students. Students will be sent a WebSMART registration appointment email which includes their registration appointment date. Continuing students may register at collegeofsanmateo.edu/webSMART on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

College Connection Concurrent Enrollment Program

The College Connection Concurrent Enrollment Program is a special program designed to provide current 9th–12th graders the opportunity to get an “early start” on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in up to 11 units.

Step 1: Apply for admission online at collegeofsanmateo.edu/apply.

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: If you plan to register for English or math courses or a course that has an English or math prerequisite, complete the English and Math assessment at CSM. More information can be found at collegeofsanmateo.edu/assessment.

Step 4: Submit your Course Request Form via WebSMART.

Step 5: Register for classes at collegeofsanmateo.edu/webSMART.

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit collegeofsanmateo.edu/ce.

Transfer Students

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education (CSUGE) Certification, or to an Intersegmental General Education Transfer Curriculum (IGETC) Certification should have their transcripts officially evaluated after applying for admission at collegeofsanmateo.edu/apply and being registered in 6 units. For more information, review the Transcript Evaluation Service information at smccd.edu/transeval.

Dismissed Students

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend an OnTRAC Workshop. To sign up for a workshop, schedule online (WebSMART - “schedule appointments”) or go to the Counseling Office in Building 10, Third Floor, Room 340. After attending the workshop, the student must meet with a counselor to create or update a Student Educational Plan (SEP) in order to be considered for reinstatement.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Spring 2019 must complete an Application for Admission prior to attending an OnTRAC Workshop.

International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Education Program (IEP). Special international student applications, related forms and additional information may be obtained from the Center for Global Engagement Office (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the IEP Office by these dates:

Spring Semester - Classes begin in January

New Student Applications: November 15

Transfer Student Applications (with Active I-20): January 2

Fall Semester - Classes begin in August

New Student Applications: July 1

Transfer Student Applications (with Active I-20): August 1

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non resident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

International Education Program

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and global perspectives to the classroom and the CSM community. The International Education Program supports our international students and provides opportunities beyond the classroom for all students to engage in events and experiences that involve the global community in which we live.

College of San Mateo’s International Education Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students’ enrollment at the college. Dedicated, student-centered professors, small-sized classes, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, visit collegeofsanmateo.edu/international or contact (650) 574-6525.

Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services including financial aid.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and some courses may require an on-campus orientation meeting and proctored exams. Hybrid courses are conducted mostly online but do have of face-to-face instructional hours with online work. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements.

Distance Education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student’s educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the Distance Education website at collegeofsanmateo.edu/distanceeducation. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM’s Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Instructional Technologist and Distance Education Coordinator are available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at collegeofsanmateo.edu/distanceeducation or call (650) 574-6271.

Fall 2020 Registration Dates & Times

Continuing Students: Nov. 8–11

New & Former Students: Nov. 13–20

How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor’s approval.

If space is available, the instructor will give you a five-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Monday, January 27.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: collegeofsanmateo.edu/fees/credit.asp.

Online classes – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

How to Apply and Enroll

COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use Counseling Services; or if you plan to apply for financial aid; or if you are a veteran and plan on collecting veteran’s educational benefits.

COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Steps 2 and 3.

Step 1: Apply for Admission and Identify an Educational Goal

All students are required to complete the Application for Admission. Fill out the application online at collegeofsanmateo.edu/apply. After the application has been received, you will be sent a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services. The CSM Welcome Center is designed to support students through the enrollment steps. Please contact the Welcome Center if you have any questions or need assistance completing the steps. Welcome Center: Building 10, Room 370, (650) 574-6175.

Step 2: Complete College Orientation Students can complete the college orientation by attending an in-person Welcome Orientation and Assessment workshop (which covers both enrollment steps 2 and 3). Students can sign up for the workshop by contacting the Welcome Center or through their WebSMART account. The college orientation is also available online through WebSMART.

Step 3: Complete Assessment In order to register for math, English or ESL courses, all students must complete Math and English or ESL Assessment.

For Math and English Assessment:
Option 1: Welcome Orientation and Assessment Workshop
Option 2: English and Math Assessment Form
For ESL Assessment:
Computerized testing for English as a Second Language (ESL) To schedule an assessment appointment, log into your student WebSMART account. The user ID is your G number and the password is your 6-digit birth date. Click on “Student Records and Student Appointments.”

- You must present a photo ID
- There is no fee for testing
- Assessment services is located in College Center Building 10, Third Floor, Room 370

For students who have completed an English or math course:
If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math course or a course that has an English or math prerequisite,

then your previous coursework must be approved. Visit collegeofsanmateo.edu/prerequisites for more information on how to complete the Prerequisite Equivalency form.

Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a one- or two-semester abbreviated Student Educational Plan (SEP) to help you get started for your first semester. Please return within your first semester to complete a comprehensive SEP, which will let you know all courses that are needed to meet your goal. To make an appointment to meet with a counselor, please call Counseling Services at (650) 574-5400 or visit College Center Building 10, Room 340.

Step 5: Register for Classes and Pay Fees

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

Step 6: Sign In and Use Your Assigned my.smccd.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation. Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

California College Promise Grant (CCPG)
(formally known as the Board of Governors Fee Waiver)
The California College Promise Grant is for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The CCPG pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 21).

Federal Pell Grant
You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of \$5,486 or less on the Student Aid Report

(SAR), you are eligible for a Federal Pell award. Less than half-time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: \$652 – \$6,095.

Cal Grant A, B and C Deadline to Apply is March 2 or September 2
Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,672; Cal Grant C \$1,094.

Federal Supplemental Educational Opportunity Grant (FSEOG)
FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: \$100–\$800. Priority application date: March 2. Visit www.icanaffordcollege.com

California Chafee Grant (CHAFEE)
The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: \$5,000.

Extended Opportunity Programs and Services (EOPS)
EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a CCPG application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

Student Employment Federal Work Study (FWS)
Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$10,047. Priority application date: March 2.

California DREAM Act
The DREAM Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including California College Promise Grant Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

Loans and Scholarships
Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit collegeofsanmateo.edu/financialaid or call the Financial Aid and Scholarship Office at 574-6146 for more information.

Financial Aid Steps

Step 1: Apply
For 2019–20, file a 19–20 FAFSA at www.fafsa.ed.gov. College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after October 1). Log in to WebSMART for dates and sign-up.

Step 2: Processing of Application
Please allow 1–2 weeks for your application to be processed and sent to the college. After you receive your Student Aid Report (SAR), check it for accuracy.

Step 3: Submit Documents
Check WebSMART to see what documents are required. Submit these documents to College of San Mateo’s Financial Aid Office.

Step 4: File Review
Files are reviewed in order of date received. During the process, additional documents may be requested.

Step 5: Notification of Result
Eligible students will be notified by email to their “my.smccd.edu” account. Check WebSMART to view the types and amount of financial aid awarded.

Step 6: Aid Funds are Paid!
Funds will be electronically deposited into your bank account. Prepaid cards are also available.

6 EDUCATIONAL GOALS: ASSOCIATE DEGREES, CERTIFICATES, TRANSFER

Educational Goals at CSM

View the College Catalog and the College website, collegeofsanmateo.edu, for more information about goals and opportunities at College of San Mateo.

University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor’s degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

Associate Degrees for Transfer (AA-T/AS-T) Benefit Students Intending to Transfer to CSU

California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located within the “Degrees and Certificates Offered at CSM” section below and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to www.sb1440.org or www.adegreewithaguarantee.com.

Associate in Arts and Associate in Science Degree Programs

At College of San Mateo you can select from 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to collegeofsanmateo.edu/catalog.

Certificate Programs

You can earn a certificate in achievement or a certificate of specialization in over 67 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog at collegeofsanmateo.edu/catalog.

Bachelor Degree to Associate Degree

Students who have already been awarded a bachelor’s degree from a regionally accredited college or university in the United States and wish to pursue an associate’s degree at College of San Mateo may be exempt from College of San Mateo local associate degree requirements if the lower division degree-applicable coursework completed for the bachelor’s degree includes current Title 5 minimum associate degree requirements. (Title 5, 55063) This policy does not apply to Associate Degrees for Transfer (AA/AS-Ts). Students must still complete a minimum of 12 units in residence to establish residency at College of San Mateo and must complete at least 50% or 12 units, whichever is less, of coursework applied to the associate degree major in residence at College of San Mateo. The units applied to meet residency requirements may also be the units that are needed to meet the major requirements. For more information refer to the college catalog at collegeofsanmateo.edu/catalog or use Counseling Services.

Monitor Your Progress toward University

Transfer, AA-T/AS-Ts, Associate Degrees, and Certificates

Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work

with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

Multiple Educational Goals

At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.*

**Students participating in the CSM Financial Aid program are required to declare one primary educational goal.*

Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

Program Planning and Enrollment Management

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All students who complete matriculation steps have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and English and math assessment results, and monitoring academic standing.

Degrees and Certificates Offered at CSM

The A.A./A.S. Degree Requirements worksheet can be obtained from the CSM Online Catalog at collegeofsanmateo.edu/catalog, the Counseling Center, or at collegeofsanmateo.edu/degrees/requirements.asp.

Associate Degree for Transfer (AA-T/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

“Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!”

Work and earn credit at the same time!

The Cooperative Education (Coop Ed) Program at College of San Mateo offers students the opportunity to earn elective units of credit for establishing and learning occupational-related goals while on the job. Students may earn up to three (3) units of Cooperative Education credit each semester. Participation in this program provides an excellent opportunity to apply what you are learning in the classroom to actual on-the-job experiences. Please visit collegeofsanmateo.edu/coop for contacts, application, and orientation information.

LEARNING COMMUNITIES

HONORS/INTERDISCIPLINARY STUDIES						
Students accepted into this unique interdisciplinary community will join a dedicated group of faculty and students, working together to create a rich intellectual experience at CSM. Students will earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project Interdisciplinary Studies research seminar. For more information, contact David Laderman (laderman@smccd.edu). MANA						
MANA is a transfer and support program with the goal of increasing proficiency in communication skills for success in college, work and life. The MANA program focuses on the Pacific Islander American student experience and is open to all students. The three primary components of the program are Ethnic Studies, Communication and Academic Support. Students in the first year of the MANA Learning Community are encouraged to take ETHN 104 and FILM 140. Students in the second year of the MANA Learning Community are encouraged to take HIST 201. The courses are open to all students. For more information and registration access, contact Finausina Tovo (tovof@smccd.edu). Visit collegeofsanmateo.edu/mana

WRITING IN THE END ZONE (WEZ)

WRITING IN THE END ZONE (WEZ) is an interest-based learning community that links collegiate football and English composition. While exploring the demands and rewards of being student-athletes, WEZ students will strengthen their reading, writing, and critical thinking skills. All WEZ students enroll in sections of ENGL 105 and ENGL 110 which are linked to fitness and theory of football classes associated with active participation in the College of San Mateo football program. For more information, contact Teeka James (james@smccd.edu) or Bret Pollack (Pollack@smccd.edu). Visit collegeofsanmateo.edu/wez

Complete Your Transfer-Level Math Course in One Year!

To give students the best possibility to complete a transfer-level math course within one year, the math department has developed support courses that are linked to pre-transfer-level math classes. These courses are designed to help students develop additional skills needed to succeed in their math classes. Please check your placement scores and speak with a counselor if you are unsure if either of these courses is right for you. A student must register for a support course (Math 82o, 89o or 8oo) before registering for a math course (Math 12o, 19o or 2oo).

Enrollment Management

- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

Notes:

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

Evening/Weekend Classes

Final examinations for all evening, Saturday, and Sunday classes will be given during the last class meeting for all courses:

Day of Regular Class Meeting	Final Examination
Monday classes	Monday, May 18
Tuesday classes	Tuesday, May 19
Wednesday classes	Wednesday, May 20
Thursday classes	Thursday, May 21
Friday classes	Friday, May 22
Saturday classes	Saturday, May 16
Sunday classes	Sunday, May 17

Evening courses that meet two nights per week meet both nights during Finals. The first night is a regular class meeting and the Final Exam is held on the second night.

Fees

Class registration will not be allowed if there is any outstanding balance due and students will be dropped from classes for non-payment of fees. Upon registering for classes, all payment deadline information will be sent immediately to the student’s my.smccd.edu email account. For more important information, visit collegeofsanmateo.edu/fees.

Student enrollment fees are set by California’s legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a California College Promise Grant (CCPG). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Education Program for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

- If you need assistance in paying your fees, you are encouraged to:
- Enroll in an inexpensive payment plan via WebSMART
 - Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
 - Complete the California College Promise Grant (CCPG) Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmvps@smccd.edu.

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

Credit and Refund Policy

Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 17, Room 112.

Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Cashier’s Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.
7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Richael Young *(continued from page 1)*

academic achievement. This coveted, generous award provided Richael the financial assistance and freedom to pursue the major of her choice at the university of her choice.

In 2009, she transferred to University of Illinois at Urbana-Champaign where she earned a B.S. degree in civil and environmental engineering, an M.S. in agricultural and applied economics, and an M.S. in environmental engineering. It was during this time that Richael applied the same drive and passion that helped her find success in student leadership to water issues. Through internships and graduate research projects, Richael worked on water projects for various organizations throughout the United States and Mexico.

And this is where it all came together: a great education, relevant field experience, and well-honed leadership skills. From these, Richael developed the knowledge, confidence, and passion to begin working on large-scale issues like water scarcity. She founded Mammoth Trading to bring a capitalistic solution to an environmental problem. She says, “We demonstrate that it is possible to grow business profits today while sustaining resources for future generations. We hope to redefine environmental stewardship as being complementary—not in conflict—with growing local economies, and we use the power of markets to do so.”

Her efforts were soon noticed at the highest levels of government. In March, 2016, Richael was one of only 150 people invited to attend the first-ever White House Water Summit as part of World Water Day where she spoke to a captive audience about water markets.

Looking back, Richael credits CSM with providing her a solid academic foundation and the freedom to pursue opportunities that helped her grow as a leader. “The professors and mentors I had at CSM were among the best I’ve ever had. They became lifelong friends, as did many of my peers in student government. I wouldn’t be who I am or where I am if it hadn’t been for them or my time at CSM.” She also gives the Jack Kent Cooke Foundation credit for allowing her to pursue her dreams. Instead of worrying about student loan debt, Richael was able to put her energy and resources into building a business that is on the way to changing the world for the better.

EOPS 50-Year Anniversary *(continued from outer front cover)*

Today, EOPS offers eligible students assistance with counseling, priority registration, book service, tutoring, semester parking permit, grants, computer and printing access, assistance in the completion of financial aid and scholarship applications, transfer services, university tours, and study skills workshops. Its sister program, Cooperative Agencies Resources for Education (CARE), provides additional school supplies, parenting and self-development workshops, meal cards, and assistance with childcare costs.

EOPS serves about 450 students each year, and CSM’s research suggests that this is only half of eligible students on campus. There is clearly a need for continued and expanded support of EOPS, even five decades after its inception.

In the years since, EOPS has adapted in many ways. The program is developing a peer mentor group and a Student Outreach and Recruit (SOAR) team in order to build a supportive and strong community of student leaders. EOPS is recruiting students for outreach and in-reach within the program to strengthen their community.

This fall, EOPS alumni, students, counselors and staff, CSM administration, Interim Chancellor Michael Claire, and other community leaders gathered to celebrate the 50th anniversary of this landmark program. A representative of State Senator Jerry Hill presented EOPS with a declaration recognizing the role of the program in helping thousands of disadvantaged CSM students achieve their educational goals.

EOPS has inspired a number of important innovations in California and across the country.

- The first Transfer Center originated in an EOPS program, with the overriding efforts to provide students with exposure to various transfer institutions. Most colleges in the state now include a Transfer Center as part of their core of student services.
- Tutorial assistance programs began in EOPS with the recognition that underprepared and disadvantaged EOPS students could benefit dramatically from tutoring and learning assistance programs. Today, virtually all community colleges in California have tutoring programs.
- Matriculation has as its model EOPS with component activities in assessment, orientation, admissions, outreach, counseling, and program evaluation.

Parking Regulations

Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am–10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for \$58 each for the fall and spring semesters (Fall/Spring Permit \$106) and \$27 for the summer session. Parking permits for students with California College Promise Grant (CCPG) waivers are \$30 per semester (fall or spring) and \$25 for the summer session.

Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Cashier's Office) and then pay for the permit and pick it up in the Cashier's counter. Temporary parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail. Parking permit fees are nonrefundable unless an action of the College (i.e. cancellation of all of the student's classes) prevents the student from attending. Lost or stolen parking permits are nonrefundable.

Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$3 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in **student lots only**. **Citations will be issued beginning on Monday, January 27, 2020 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

Disabled Parking

Blue Handicapped parking spaces have been provided in Lots 2, 3, 4, 5, 6, 8, 11 and 12 (see Campus Map). A vehicle must have and display a valid California State Disabled Person Placard (issued by DMV) to

park. Disability parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones. No student, staff, daily, patron or visitor parking permit required when displaying a valid CA DP placard.

Visitor Parking

Visitors to campus may park free for the first 40 minutes in visitor parking areas in Marie Curie Lot 5, Forum Lot 8, and Olympian Lot 12. Visitors must purchase a daily permit (\$3 per day) for time beyond 40 minutes at the permit machines located in the lots. These permits must be displayed face-up on the dashboard. No student parking is allowed in visitor lots.

Visitors may also park in a student lot after purchasing and displaying a \$3 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map. No visitor parking permit required when displaying a valid CA DP placard.

San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club (SMAC) are required at all times for parking in designated areas in Beethoven lot 2 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit smccd.edu/sanmateoathleticclub.

Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met.)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation. Fees are assessed for vehicles plugged-in over four (4) hours. Visit smccd.edu/sustainability/electricvehiclecharging.php.

Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

No student parking is permitted in the designated "Employee of the Month" parking spaces. These spots are reserved for authorized staff only and unauthorized vehicles may be ticketed.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:25 p.m. Routing information is available by calling 1-800-660-4BUS or visiting samtrans.com and caltrain.com. Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 17, Room 112.
