Welcome to College of San Mateo! CSM serves over 10,000 students each semester. This summer, CSM will offer multiple sections in over 40 distinct fields of study. I believe that a major advantage of attending CSM is that we have a vibrant, large college environment—indeed we are bigger than some California State Universities! At the same time, we have a “small college” feel.

It is important that you gain access to the resources that you need, especially at a time when colleges and universities are making budget cuts. Please spend some time reviewing the section “Support Services for Students,” on pages 20–23 and make sure that you take advantage of all the support that we offer.

Whether you plan to transfer, train for a career or learn a new skill, CSM has something special to offer. While our faculty are highly respected experts in their disciplines, they are teachers first—they care deeply about your success. In fact, all of us at CSM share that same passion and we look forward to you being part of the CSM family.

This class schedule is designed to help you register for Summer 2011 classes at College of San Mateo. Most of the answers to your questions can be found within this booklet. Please keep this schedule for reference throughout Summer 2011. Additional important information about College programs is contained in the Catalog, available in the campus bookstore, through the mail (see page 11) or viewed online at collegeofsanmateo.edu/catalog.

Accuracy Statement
College of San Mateo and the San Mateo County Community College District have made every reasonable effort to determine that everything stated in this schedule is accurate. Courses and programs offered, together with other information contained herein, are subject to change without notice by the administration of College of San Mateo for reasons related to student enrollment or level of financial support, or for any other reason, at the discretion of the College. The College and the District further reserve the right to add, amend or repeal any of their rules, regulations, policies and procedures, in conformance with applicable laws.

Use of Photography
College of San Mateo, a non-profit California Community College, reserves the right to take and use photographs, video and electronic images of students and visitors taken on college property and at college-sponsored events for marketing and promotional purposes. Objection must be made in writing to the CR & Marketing Office.

## Summer 2011 Important Dates

To submit an Application for Admission, go to collegeofsanmateo.edu/apply.

All new and former students (who have not attended CSM, Cañada or Skyline since Spring 2010) are encouraged to apply early.

When the admissions application is processed, all students receive two pieces of information:

1. Your student identification number which will begin with a "G." This number is required for the enrollment process and to maintain your student information.
2. A college email account will be assigned to you. Log into your WebSMART student account to find your email address and password. All college electronic communication will come to your my.smccd.edu email address.

Registration Dates and Times (continued)

Priority Registration for Continuing Students (April 27 – May 9)
You are a continuing student if you were enrolled at CSM, Cañada or Skyline College during the Summer 2010, Fall 2010 or Spring 2011 semesters.

WebSMART online registration begins April 27.
In early-April, students will be sent a WebSMART registration appointment email which will contain their individual appointment date. Students may register on or after their appointment date.

WebSMART Registration Hours: Available 24 hours.

Admission and Registration for New and Former Students (May 10 – June 19)
Steps to Successful Enrollment, see pages 7-8.
Apply online at collegeofsanmateo.edu/apply.
After your application is processed, you will receive an email with specific instructions for completing the registration process. Based on the educational goal you select on the application you may be required to complete placement testing, attend an orientation/counseling workshop as part of the registration process. See pages 7-8 for further information.

Applicants for the Cosmetology and Nursing programs must submit an additional application. Students must complete specific prerequisites before applying for admission to the Nursing program. Please call for details and special timelines:

Cosmetology: 574-6364
Nursing: 574-6218

Late Registration for All Students (June 20 – June 25)
If you are unable to submit your application and register before the term begins, you may register after classes begin on June 20.

1. Submit your Application for Admission by logging on to collegeofsanmateo.edu/apply.
2. Complete matriculation requirements, if applicable.
3. You will be given information and a PIN code enabling you to register using the WebSMART registration system after you have obtained the instructor’s approval to enroll in the class.
4. Attend the first class meeting. If space is available, the instructor will give you a 4-digit authorization code.
5. Use WebSMART no later than Saturday, June 25 to complete the registration process using the authorization code given to you by the instructor.

Program Changes – Adding/Dropping Classes (Through June 19)
Students who have completed registration for the Summer 2011 session may add and/or drop classes by using WebSMART through June 19.

Adding Classes (June 20 – June 25)
To add a class, attend the first class meeting to obtain the instructor’s approval.
If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than 3 pm Saturday, June 25.

See page 13 for important information regarding deadlines for eligibility for credit or refund of fees.

Wait List Option (WL)
If a class has reached its maximum enrollment limit, you may be able to choose to add your name to the waitlist. You may add your name to multiple waitlists for the same course; however, if space becomes available for you to add a class, your name will be removed from remaining waitlists. With your name on the waitlist, you will be notified by email through your my.smccd.edu email account, if space opens up in the class. Upon notification, you have 72 hours to respond. If you fail to respond, the space will be offered to the next student and your name will be removed from the waitlist. If a space does not open up to allow your enrollment, you can go to the first class meeting where an instructor may choose to add students. If you have not accessed your my.smccd.edu email account, information to your “Student Email” (including your login and password) can be found by following the links in WebSMART.

Dropping Classes
Classes may be dropped without the instructor’s approval. Withdrawal from a class or classes must be initiated by the student by the appropriate deadline date.

After June 25
Throughout the remainder of the term (within published deadlines) use WebSMART to drop classes.

See Summer 2011 Important Dates on page 2. See also page 13 for important information regarding deadlines for eligibility for credit or refund of fees.

A student who stops attending a class is not automatically dropped from the class roster and may receive a penalty grade of F or NP. Instructors may drop students for non-attendance but are not obligated to do so. It is the student’s responsibility to withdraw officially, following prescribed timelines and procedures.

Under certain circumstances students may be permitted to withdraw from a class after the last date to officially withdraw, but before the end of the term. Further information can be obtained from the Office of Admissions and Records (Bldg. 10, Third Floor).

WebSMART Hours: Available 24 hours per day.
Office of Admissions and Records:
Monday & Thursday: 7:30 am to 4:30 pm
Tuesday & Wednesday: 7:30 am to 7 pm
Friday: 7:30 am to 12 pm
For evening hours, visit: collegeofsanmateo.edu/admissions.

Getting Started at CSM

Who May Attend CSM
Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See pages 7 and 8 for Enrollment steps.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on page 6 for details.

Open Enrollment
Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency
Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester or term are eligible to enroll as residents for that semester or term. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester or term. They are required to pay a tuition fee of $99 per unit at the time of registration, in addition to other required fees paid by California residents. Students may be required to present documentary evidence of eligibility for classification as residents.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

International Students
Residents of other countries may apply for admission as F-1 Visa students through the International Student Program. Special international student applications, related forms and additional information may be obtained from the International Student Office (Bldg. 10, Third Floor). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Office by these dates:

- Fall 2011 (August–December)
- April 15, 2011
- Spring 2012 (January–May)
- October 1, 2011

AB 540 Students
Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying non-resident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in the College Center (Bldg. 10, Third Floor, 574-6165). You may obtain the form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

- This law does not apply to non-immigrant students such as F, H, or J visa holders
- This law does not change or grant residency status; it exempts students from non-resident tuition.
- There is no time limit as to when the student attended and graduated from a California high school.
- The students who meet the exemption requirements are not eligible for any state-funded programs such as Extended Opportunity Programs and Services (EOP&S), or Board of Governor Fee Waiver (BOGW). U.S. citizens or legal residents may qualify for federal aid.
- The information submitted on the AB540 form will remain confidential.

Enrollment Management

- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.
Getting Started at CSM (continued)

College Connection
Concurrent Enrollment Program
The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9th–12th graders the opportunity to get an “early start” on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

Step 1: Apply for admission online at smccd.edu/collegeconnection.
Step 2: Meet with your high school counselor to select your college courses.
Step 3: Take placement tests at CSM if you are planning to register for English or math courses. Call (650) 574-6175 for information.
Step 4: Submit completed Course Request Form to the Admissions and Records Office at College of San Mateo, Building 10, Third Floor, by mail, in person, or by fax (650) 574-6506.
Step 5: Register for classes at collegeofsanmateo.edu/websmart.
Step 6: Sign in and use your assigned my.SMCCD email.

For more information, visit collegeofsanmateo.edu/cc.

Priority Enrollment Program (PEP)
For Graduating High School Seniors and Other New Or Returning Students
College of San Mateo offers a special enrollment program for graduating high school students and others who plan to enter the College in the Fall 2011 semester. This program, Priority Enrollment Program (PEP) is offered on dates in the months of April and May 2011. More information about PEP can be found on the PEP website collegeofsanmateo.edu/pep.

Transfer Students
If you attended a college or university other than College of San Mateo, Cañada College or Skyline College, you are a transfer student at College of San Mateo and must apply for admission. You may be eligible for exemptions from some of the matriculation requirements listed on page 8.

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGETC Certification should have their transcripts officially evaluated. For more information, review the Transcript Evaluation Request Form available on the College of San Mateo web site collegeofsanmateo.edu/forms.

Dismissed Students
Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To schedule a reservation for a workshop go to the Counseling Office in Building 10, Third Floor. Students must complete the workshop and the reinstatement process prior to the registration deadline date for the term for which they request enrollment.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Canada, or Skyline College since Summer 2010 must complete an application for admission prior to attending the Reinstatement Workshop.

College Catalog
The College of San Mateo Catalog contains detailed course descriptions, suggested programs of study, a list of transferable courses, degree and certificate requirements, and general college information. The catalog can be obtained at the Bookstore or viewed online at collegeofsanmateo.edu/catalog.

Bookstore
Books and supplies may be purchased at the College of San Mateo Bookstore (Bldg. 10, Second Floor). Hours are Monday through Thursday from 7:45 am to 7:00 pm and Friday from 7:45 am to 1 pm (574-6166). To purchase and find information regarding course textbooks, go to collegeofsanmateo.edu/bookstore.

CSM is on Facebook!
College of San Mateo has logged on to Facebook. If you are interested in hearing the latest news from the college, finding out about upcoming events, and reliving some of our past events, visit the CSM Page and become a “fan” of the college. You can also sign up for the Friends of CSM group and share your own comments, photos, and even videos of CSM activities and events. Visit collegeofsanmateo.edu/facebook.

Steps to Successful Enrollment (continued)

The registration steps you will need to complete are based on the educational goal you have selected on the Application for Admission.

Option A: Matriculating Students

Students who complete the Option A enrollment process have higher registration priority in future semesters. “Matriculation” is a process that assists students to understand and achieve educational goals. It includes the enrollment steps below and is designed for those who plan to complete a certificate, associate degree, transfer, plan to take courses to improve basic skills, and/or apply for financial aid at College of San Mateo.

Step 1: Apply

All students are required to complete the Application for Admission. Fill out the Application online at collegeofsanmateo.edu/apply.

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

Step 2: Take Placement Tests

Placement tests are designed to assess your skills in English or ESL, reading, and mathematics. Test results assist you to select courses, build an appropriate schedule of classes and determine if you meet prerequisites for certain courses. View sample test questions online at collegeofsanmateo.edu/testing.

To schedule placement tests log into your student WebSMART account. The USER ID is your G number and the password is your 6 digit birth date. In WebSMART, click on STUDENT RECORDS AND STUDENT APPOINTMENTS. At this site find CSM Placement Testing and schedule your placement test appointment online.

- You must complete the application for admission and have a student G number before scheduling a testing appointment.
- You must present a photo ID and your student G number on the day of testing (no exceptions).
- There is no fee for testing and it takes approximately 2.5 hours to complete.
- The Assessment Center is located in Bldg 10, Third floor.

If you are transferring from another college or university in the United States, have already successfully completed math and English classes, and think you do not need to complete CSM placement tests, then complete a Prerequisite Equivalency Form (available at collegeofsanmateo.edu/forms).

Take this completed form and required documentation to the Assessment Center and you may schedule a reservation for the workshop. See Step 3.

Step 3: Orientation/Counseling Workshop

Attend the College Orientation and Course Selection Workshop to receive an appointment to register for classes.

Schedule a reservation for a College Orientation and Course Selection Workshop in the Counseling Office when you complete your placement testing.

Bring your placement test results to the workshop. The two-hour workshop will cover the college registration process, identifying educational goals, how to use placement test results, how to select and register for courses, and more. At the conclusion of the workshop, you will receive a registration appointment. You will also be eligible to meet with a counselor if you wish to do so.

Be aware that latecomers are not admitted to the College Orientation and Course Selection Workshop. Arrive on time.

Step 4: Register for Classes

At the conclusion of the College Orientation and Course Selection Workshop you are eligible to register for classes. Use your WebSMART student account to complete the registration process including paying your fees.

Step 5: Sign in and Use Your Assigned My.SMCCD.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Follow up!

Most students need assistance as they identify educational and career interests, establish goals, and work to understand what must be done to accomplish specific goals. Plan to use the range of activities and services in your first semester to research and establish a student educational plan. To this end, use college services – Transfer Services, Career Services, Counseling Services, Financial Aid, EOPS, and Disabled Student Services. For more information go to the Counseling office in Building 10, Third Floor.

Option B: Non-matriculating Students

Students who are enrolled at another educational institution and taking courses at CSM to meet the requirements of their “home” institution; or taking courses for personal enrichment or job enhancement; or have completed an associate’s degree or higher in the United States may complete the steps to enroll as listed below.

Step 1: Apply

All students are required to complete the Application for Admission. Fill out the application online at collegeofsanmateo.edu/applied.

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a “G”). Use this number to conduct all college business and access college services.

Step 2: Register for Classes

You will receive an appointment to register that can be viewed on your student WebSMART account. To access your account, you will need to enter a USER ID (your G number) and password (your 6 digit birth date). Use your WebSMART student account to view your registration appointment and complete the registration process including paying your fees.

If you plan to enroll in an English or mathematics course, be advised that these courses have electronic prerequisite checking and you need to complete a placement test to determine course eligibility. If you have successfully completed an English or mathematics class in the United States, use the Prerequisite Equivalency Form (available at collegeofsanmateo.edu/forms).

If you would like to meet with a counselor you are required to first complete the Orientation/Counseling Workshop.

Step 3: Sign in and Use Your Assigned My.SMCCD Email

Beginning Fall 2011  
New Associate Degrees For Transfer To California State University Campuses Available At College Of San Mateo  
As a result of Senate Bill 1440, beginning fall 2011, California community colleges will offer associate degrees designed to support transfer to the California State University system. College of San Mateo will identify these as "Associate Degree for Transfer/SB 1440" and they will be offered in several major areas. A list of these degrees will be available in the 2011-2012 catalog and on the College of San Mateo Transfer Services website under Transfer Associate Degrees/SB 1440.  
CSM students who complete requirements for an Associate Degree for Transfer/SB 1440 will be eligible for an Associate in Arts or an Associate in Science degree AND meet minimum admission requirements for junior standing at a California State University campus. Although earning an Associate Degree for Transfer/SB 1440 does not guarantee a student admission to all California State University campuses or impacted majors, it does secure priority admission consideration for non-impacted majors to his/her local California State University campus.

To enhance a student's competitiveness and success as a CSU transfer applicant, in addition to completing the prescribed listing of general education course requirements (e.g., CSU GE or IGETC) and the major course requirements for the Associate Degree for Transfer/SB 1440, it is strongly recommended that he/she use www.assist.org to see if there are additional courses suggested or required for a particular transfer major.

Associate of Arts (A.A.) or Associate of Science (A.S.) degrees are based upon completion of a minimum of 60 units of coursework that includes both major and general education requirements.

Certificate programs usually entail one year of full-time study or less. Coursework requirements vary by program. Certificates of Achievement are 18 or more units; Certificates of Specialization are less than 18 units.

Transfer programs provide the opportunity for students to complete lower-division preparation (i.e. the first two years of the baccalaureate degree) in specific subject areas and majors offered at both public and private universities including all campuses of the University of California (UC) and the California State University (CSU).

Admissions and Records

Located in the College Center (Bldg. 10, Third Floor, 574-6165), this office is open 7:30 am to 4:30 pm on Monday & Thursday; 7:30 am to 7:00 pm on Tuesday & Wednesday; 7:30 am to 12:00 pm on Fridays.

**Attendance**
You are strongly advised to attend the first class meeting of each class in which you register. If you cannot attend, notify your instructor in advance. Without prior notification, you may be dropped by the instructor and a waiting student may be admitted in your place.

Students are responsible for attending classes regularly. An instructor may drop a student from a class for excessive absences. Attendance regulations are available in the CSM Catalog.

Excessive absence may result in instructor initiated withdrawal from class and/or a grade of F or NP.

**Withdrawal from College**
Students who find it necessary to withdraw from their entire program of classes at any time after registration must follow the official procedure for dropping classes as outlined on page 4.

Failure to comply with the prescribed withdrawal procedure and timelines may result in penalty For NP grades.

**Pass/No Pass Grading Option**
Most CSM courses are graded on the basis of the standard letter grades (A, B, C, D, F). Some courses are graded on a Pass or No Pass basis, and are so designated in the schedule of classes. Still other courses offer the student the choice between letter and Pass/No Pass grading; students electing the Pass/No Pass option in such courses must submit the appropriate form to the Office of Admissions and Records within the first 30% of the duration of the course. Changes are not permitted thereafter. See Important Dates on page 4 for the established deadline for semester or term-long courses.

Students should be aware that many colleges and universities, including College of San Mateo, place specific restrictions on the number, if any, of units graded on a Pass/No Pass basis that are acceptable toward degrees and certificates. Because the decision to request Pass/No Pass grading is irrevocable after 30% of the duration of the course, students should be cautious in making such a request.

**Course Repetition**
For full information on course repetition policy refer to the College Catalog.

Certain courses are approved for repetition by the College Committee on Instruction. These are courses that have increasing levels of performance and are identified as repeatable in the Schedule of Classes.

A student who has received a grade of D, F or NP/NC in a course taken in the San Mateo County Community College District may repeat the course up to two times for the purpose of grade alleviation. This allows a maximum of three attempts at a course. Courses which have been completed with a grade of A, B, C, or P are not repeatable for the purpose of improving the grade. However, a course may be repeated one time for proficiency purposes if, 1) a significant length of time has passed (a minimum of three years), or 2) the official course outline has been updated and the class content has changed substantially, or 3) the course is part of mandated training requirements as a condition of employment.

**Open Entry/Open Exit Courses**
A number of courses in this schedule are designated as open entry courses. You may enroll in these courses at any point in the term provided that enough instructional hours remain to allow you to earn the minimum number of units for the course.

When registering for an open entry/open exit/variable units course, you must designate the number of units for which you want to enroll. The available range of units is indicated in the course listing. No enrollment fee credit/refund is available if you earn fewer units than the number for which you enrolled. You may stop attending class when the instructor informs you that you have earned the number of units for which you enrolled. However, it is possible to increase the number of units during the term by application through the Office of Admissions and Records and payment of the additional enrollment fee.

**Auditing**
Students can audit any course except those courses in programs that require special preparation and/or where admission is on a limited basis. Registration for courses to be audited take place the week immediately following the close of the Drop/Add period. Instructions for auditing can be found on the Enroll as an Auditor form available at collegeofsanmateo.edu/forms.

**Incomplete Grades**
A final grading symbol of I (Incomplete) may be assigned in case of incomplete academic work due to unforeseeable, emergency and justifiable reasons. Conditions for removal are set forth by the instructor in a written record which also indicates the grade to be assigned if the student fails to meet the stated conditions. The student receives a copy of this record, and a copy is filed in the Office of Admissions and Records. A final grade is assigned by the instructor when the stipulated work has been completed and evaluated. If the work is not completed within the prescribed time period, the grade previously determined by the instructor is entered in the permanent record.

An I (Incomplete) must be made up no later than one year following the end of the semester or term in which it was assigned. The student does not re-enroll in the course in order to do the make-up work.

**August Grads**
Applications for A.A./A.S. Degrees or Career Program Certificates to be conferred in August 2011 must be filed in the Office of Admissions and Records by Friday, July 8, 2011.

In order to evaluate your record for graduation, transcripts from all other colleges and universities which you have attended must be on file in the Office of Admissions and Records by Friday, July 8, 2011. It is the student's responsibility to request these transcripts in a timely manner.

**Final Grades**
Final grades are not mailed to students; they are available at all times on WebSMART during published service hours. Summer 2011 final grades will be available beginning August 16, 2011; access WebSMART at collegeofsanmateo.edu/websmart.

**Transcripts**
Official transcripts of a student's academic record can be sent to colleges and universities, employers, and other institutions. Transcripts may be requested using the student WebSMART account. On WebSMART under "Student Records," find "Request Official Transcript" link for this purpose. Only courses taken at College of San Mateo, Cañada College and Skyline College will appear on the transcript. Transcripts from high schools and other colleges will not be forwarded. The first two official transcripts requested by a student are free; a fee of $5 per transcript is charged if the student has previously requested two or more transcripts. A rush transcript may be obtained for an additional $10.

If "in progress" transcripts are sent to colleges and universities, the student must also submit a request for required final transcripts to be sent to those institutions after grades have been posted at the end of a term.

Students may obtain an unofficial copy of their transcript on WebSMART. Courses taken prior to Summer 1981 will not appear on this copy.
Prerequisites, Corequisites, and Recommended Preparation

The Board of Trustees of the San Mateo County Community College District allows colleges to establish prerequisites, corequisites, and recommended preparation for courses and educational programs. Prerequisites and corequisites must be determined to be necessary and appropriate and must be established in accordance with Title 5 regulations in the California Administrative Code. They are designated in course descriptions in the college catalog and appear in the class schedules.

A prerequisite is a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or program. As an example, students must successfully complete, or test out of, elementary algebra (Math 110 or Math 111 & 112), prior to enrolling in intermediate algebra (Math 120 or 122). Thus, Math 110 or Math 112 is a prerequisite for Math 120 or 122. A prerequisite course must be completed successfully before enrolling in a course which follows. Successful completion is defined as earning a grade of "C" or better.

A corequisite is a course that a student is required to take simultaneously in order to enroll in another course.

Recommended preparation for a course or program is a condition that a student is advised, but not required, to meet before enrollment. Recommended preparation is designated in course descriptions in the catalog. A number of courses list English 848 and Reading 400 as recommended preparation which alerts students to the writing and reading skills that are important to student success.

Computerized Prerequisite Checking

The San Mateo County Community College District enforces all prerequisite and corequisite requirements. All mathematics and English classes have computerized prerequisite checking in place. When attempting to register for an English or math course that has a prerequisite, the computer registration system searches the San Mateo County Community College District student data base for one of two things, 1) the successfully completed prerequisite course(s) or, 2) placement test results which meet the skill level prerequisite requirements. If neither prerequisite identifier is in place, registration for the class is blocked. If a student is currently enrolled in the prerequisite course(s) (e.g. Math 110), the system allows registration into the next level course (e.g. Math 120). However, if the "in progress" prerequisite course is not successfully completed, the student will be administratively withdrawn from the course. Beginning on the Fall 2011 semester additional courses will have computerized prerequisite checking. A complete listing of these courses will be published in the fall schedule.

How Can Students Meet Prerequisite Requirements?

There are several ways students can meet prerequisite requirements.

1. complete the prerequisite course(s) within the San Mateo County Community College system, with a grade of "P or C" or higher; or
2. complete placement tests in the San Mateo County Community College District (the process includes multiple measures evaluation) with results that meet the prerequisite skill level; or
3. complete the prerequisite course at another accredited college/university in the United States; or
4. meet prerequisites through the College Board Advanced Placement Exam results (AP Tests).

For 3 and 4, students must use the Prerequisite Equivalency Petition to secure approval. Prerequisite Equivalency Forms are available on the college website at collegeofsanmateo.edu/forms.

How Can Prerequisites and Corequisites Be Challenged?

A prerequisite or corequisite may be challenged only on one or more of the following grounds.

- The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
- The prerequisite or corequisite was established in violation of district policies or Title 5 regulations.
- The prerequisite or corequisite is unlawfully discriminatory or applied in an unlawfully discriminatory manner.
- The prerequisite or corequisite has not been made reasonably available and the student is subject to undue delay in goal attainment.

Students who wish to challenge prerequisites or corequisites must, within the established time frame, complete the Prerequisite Challenge Petition and attach required documentation. For semester or term-length courses, petitions with documentation must be submitted to the Assessment Center, (Bldg. 10, Third Floor) at least five working days prior to the last day of the published late registration period. For courses that are not semester or term-length, the petition with documentation must be submitted to the Assessment Center, (Bldg. 10, Third Floor) at least five working days prior to the last day of the published late registration period. It is the responsibility of the students to provide compelling evidence to support the challenge. Prerequisite Challenge Petitions are available on the college website, collegeofsanmateo.edu/forms. On the Forms page find the Prerequisite Challenge Petition.

* Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization may be exempted from paying the health services fee. Contact the Health Center for details.

** A student has the right to refuse to pay the $1 student representation fee for religious, political, moral or financial reasons. This refusal must be submitted in writing to the Student Life and Leadership Development Office.

*** This fee is optional. Please refer to "Required Of" column for further information. A two-term parking permit is available for $70. Parking permits for low income students are $20 per semester; low income students are those who demonstrate financial need under federal or state standards. For lost or stolen permits, please see Parking Regulations on page 56.

+ NOTE: Student enrollment fees are set by California’s legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Fee and Refund Questions? Contact the Business Office at (650) 574-6412
Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee also will be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Office for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

Fees are due and payable at the time of registration. Students who need assistance in paying fees are encouraged to contact the Financial Aid Office (Bldg. 10, Third Floor, 574-6146).

All student records are withheld and class registration will be restricted until all outstanding debts to the District colleges have been cleared.

AB 540 Students
Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying non-resident tuition. See page 5 for more information.

Credit and Refund Policy

Enrollment Fee
Nonresident Tuition Fee
Health Services Fee
Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or within the first 10% of the class meetings, will receive credit toward future fees for the full amount of all fees paid for those classes. View course refund deadlines on WebSMART.

Example: If a short course has eight meetings, 10% of 8 = 0.8, and this is rounded up to 1.0. Therefore, the student must officially withdraw no later than the day of the first class meeting to be eligible for a credit or refund.

A $10 processing fee (plus an additional $50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes.

For semester or term-length classes dropped after the deadline, (or short courses dropped after the first 10% of the class meetings), these fees are not refundable unless an action of the College (e.g., class cancellation) prevents a student from attending class.

Student Body Fee and Student Representation Fee
Students enrolling during the normal registration period in semester or term-length classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop term-length classes with eligibility for fee credit or partial refund (see Important Dates). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Student Life and Leadership Development Office.

Variable Unit Courses
No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:
1. If a parking permit has been issued, it must be returned to the Cashiers Office or the Security Office by Monday, June 27 before a credit or refund of the parking fee will be processed.

2. Credit balances remain on student accounts for a maximum of five (5) years.

3. A student may either choose to maintain a credit balance on account or contact the Cashiers Office (Bldg. 10, Third Floor, 574-6412) to arrange for a refund.

4. Refunds are NOT issued automatically and are subject to a $10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional $50 processing fee.

5. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.

6. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. A withdrawal initiated by an instructor may NOT result in a credit or refund.

7. Fees will be credited or refunded if an action of the College (e.g., class cancellation) prevents a student from attending.

8. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

Board of Governors Enrollment Fee Waiver (BOGW)
The Board of Governors of the California Community Colleges has established a program that waives the enrollment fees for all qualified applicants.

To apply for the Board of Governors Enrollment Fee waiver, complete the application (see pages 15–18) and submit it to the Financial Aid Office (Bldg. 10, Third Floor) or apply online. Log in to WebSMART and select Board of Governors Fee Waiver Application.

For most students, the application process is simple and can be completed within ten minutes. Students who qualify for a Board of Governors Enrollment Fee Waiver will have their enrollment fees waived for the entire academic year. Students who had a waiver for the academic year will need to reapply.

When submitting the Board of Governors Enrollment Fee Waiver application, please inquire about the many federal and state financial aid programs that are available to College of San Mateo students.

A Spanish version of the BOGW application is available in CSM’s Financial Aid Office and in the Office of Admissions & Records.

What Kinds of Financial Aid Can I Receive?

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs.

**Board of Governor’s Fee Waiver (BOGFW)**
The State of California offers a BOGFW for students who are residents of the State of California, attend a Community College, and who are eligible for need-based financial aid. The BOGFW pays the enrollment fee for the student for the academic year when eligibility has been determined. Other fees, such as parking (at a reduced rate of $20 for BOGFW students), health, student body and student representation, must be paid by the student.

**Federal Pell Grant**
You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of 3800 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are pro-rated based on enrollment status: Full-time 12 or more units; Half-time 6-8.5 units; Three-quarter time 9-11.5 units; Less than half .5-5.5 units. Awards range from: $400 to $4,750

**Cal Grant A, B and C**
Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B $1,551; Cal Grant C $576.

**Federal Supplemental Educational Opportunity Grant (FSEOG)**
FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: $100 to $800. Priority application date: March 2. Visit www.icanaffordcollege.com

**California Chafee Grant (CHAFEE)**
The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: $5,000.

**Academic Competitive Grant (ACG)**
The Academic Competitiveness Grant (ACG) encourages high school students to complete a rigorous secondary school curriculum which would lead to college admission. Eligible ACG applicants are required to be US citizens, Federal Pell Grant recipients at the time the ACG is awarded, first or second academic year students enrolled in a two- or four-year degree program, and enrolled full time. Students must also submit a high school curriculum validation form to the Financial Aid Department. First year ACG award: $750. Second year ACG award: $1,300.

**Extended Opportunity Programs and Services (EOPS)**
EOPS is a State-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

**Student Employment**

**Federal Work Study (FWS)**
Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: $6,000. Priority application date: March 2.

**Loans**
Loans are financial aid funds that the student borrows now and repays after s/he completes a program of study or stops going to school. Loan amounts vary from $500-$6,500.

**Scholarships**
Scholarships are awarded for a variety of criteria. Awards range from $100-2,500. Scholarships are available from College and Foundation resources and many external organizations. Contact the Financial Aid Office at 574-6514 for more information.
California Community Colleges 2011-2012 Board of Governors Fee Waiver Application

This is an application to have your ENROLLMENT FEES WAIVED. This FEE WAIVER is for California residents only. If you need money to help with books, supplies, food, rent, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) immediately. Contact the Financial Aid Office for more information. The FAFSA is available at www.fafsa.ed.gov or at the Financial Aid Office.

Note: Students who are exempt from paying nonresident tuition under Education Code Section 68130.5 (AB 540) are NOT California residents. If you are NOT a California resident, you are not eligible for a fee waiver. Do not complete this application. You may apply for financial aid by completing the FAFSA.

Has the Admissions or Registrar’s Office determined that you are a California resident? ☑ Yes ☐ No

IMPLEMENTATION OF THE CALIFORNIA DOMESTIC PARTNER RIGHTS AND RESPONSIBILITIES ACT

The California Domestic Partner Rights and Responsibilities Act extends new rights, benefits, responsibilities and obligations to individuals in domestic partnerships registered with the California Secretary of State under Section 297 of the Family Code. If you are in a Registered Domestic Partnership (RDP), you will be treated as an Independent married student to determine eligibility for this Enrollment Fee Waiver and will need to provide income and household information for your domestic partner. If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required for the parent’s domestic partner.

Note: These provisions apply to state student financial aid ONLY, and not to federal student financial aid.

Are you or your parent in a Registered Domestic Partnership with the California Secretary of State under Section 297 of the Family Code? (Answer “Yes” if you or your parent are separated but have NOT FILED a Notice of Termination of Domestic Partnership with the California Secretary of State’s Office.) ☑ Yes ☐ No

If you answered “Yes” to the question above treat the Registered Domestic Partner as a spouse. You are required to include your domestic partner’s income and household information or your parent’s domestic partner’s income and household information in Questions 4, 11, 12, 13, 14, 15, 16, 17.

Student Marital Status: ☑ Single ☑ Married ☑ Divorced ☑ Separated ☑ Widowed ☑ Registered Domestic Partnership

DEPENDENCY STATUS

The questions below will determine whether you are considered a Dependent student or Independent student for fee waiver eligibility and whether parental information is needed. If you answer “Yes” to ANY of the questions 1-10 below, you will be considered an INDEPENDENT student. If you answer “No” to all questions, you will be considered a Dependent student thereby reporting parental information and should continue with Question 11.

1. Were you born before January 1, 1988? (If “Yes,” skip to question 13) ☑ Yes ☐ No

2. As of today, are you married or in a Registered Domestic Partnership (RDP)? (Answer “Yes” if you are separated but not divorced or have not filed a termination notice to dissolve partnership. If you answer “Yes,” skip to question 13.) ☑ Yes ☐ No

3. Are you a veteran of the U.S. Armed Forces or currently serving on active duty for purposes other than training? (If “Yes,” skip to question 13) ☑ Yes ☐ No

4. Do you have children who will receive more than half of their support from you between July 1, 2011-June 30, 2012, or other dependents who live with you (other than your children or spouse/RDP) who receive more than half of their support from you, now and through June 30, 2012? (If “Yes,” skip to question 13) ☑ Yes ☐ No

5. At any time since you turned age 13, were both your parents deceased, were you in foster care, or were you a dependent or ward of the court? (If “Yes,” skip to question 13) ☑ Yes ☐ No

Six Steps to Financial Aid at CSM

Step 1: File Forms
For 2011-12 file an 11-12 FAFSA at www.fafsa.edu.gov. College of San Mateo’s college code is 001181. FILE EARLY for the upcoming year (anytime after January 1)!

Step 2: Student Aid Report Received
After you apply, you’ll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution (EFC). The EFC, a measure of your family’s financial strength, is used to determine your eligibility for federal student aid.

Step 3: Check SAR for Accuracy
Your Student Aid Report (SAR) must be checked for accuracy and then brought to the Financial Aid Office for review. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office

Step 4: Complete Paperwork
Student submits all required documents to College of San Mateo Financial Aid Office. File is complete!

Step 5: Notification of Result
If you are eligible, College of San Mateo will send you an award letter outlining the amount and types of Financial Aid you qualify for at CSM. You can also check WebSMART to learn the status of your financial aid.

Step 6: Aid Funds are Paid!
Financial Aid funds are paid!

The entire process may take 1–3 months, so apply early!
For more information, see pages 14 and 22

Support Services for Students

**CalWORKs Program**
There are additional services available to students who are currently receiving TANF (Temporary Aid to Needy Families). CalWORKs (California Work Opportunity and Responsibility to Kids) is a state funded Welfare to Work program designed to assist individuals to get the job they need in order to become self-reliant. Support services include: child care, books, transportation, work-study, academic counseling, career planning, and assistance meeting county requirements. For more information, contact the CalWORKs office (Bldg. 10, First floor, 574-6154) or visit collegeofsanmateo.edu/calwork.

**CARE Program**
The CARE program (Cooperative Agencies Resources for Education) provides services to single parents receiving CalWORKs (formerly known as AFDC) to increase their educational skills, become more confident and self-sufficient, and move from welfare to independence. Support and services include: child care, transportation, tutoring, peer advising, parenting workshops, books and supplies.

To be considered for the CARE program, a student must: 1) be 18 years of age or older; 2) be a single parent and head of household; 3) be receiving CalWORKs; 4) have one child under 14 years of age; and, 5) qualify for the EOPS program. For more information, contact Ruth Turner in the EOPS Office (Bldg. 10, First floor, 574-6154).

**Campus Tours**
Beginning April 13 through July 20, campus tours are available every first and third Wednesdays of the month from 11 am to noon. Individual tours require one week advance notice and group tours of eleven people or more require two weeks advance notification. For more information, visit collegeofsanmateo.edu/tours, email csmtours@smccd.edu, or call 574-6483.

**Career Services and Student Employment**
- Interest assessment
- College major research
- Career research
- Career counseling
- Career courses
- Student employment
- Job Search assistance
- Career fairs, events, activities
- WIN internship program
- Volunteer opportunities

Located in Building 10, Third floor, in the Counseling Center, Career Services assists students to conduct career research, explore interests and college majors, determine educational and career goals and objectives, find employment, learn job search strategies, and actively participate in academic and career planning. For more information, visit collegeofsanmateo.edu/career.

**Career and Life Planning Classes**
The Department of Counseling, Advising, and Matriculation offers a number of classes that help students learn about educational goals, college planning, university transfer, how to choose a college major, career assessment, job search strategies, and more. Look under Career and Life Planning in this schedule for a complete list of this term’s offerings.

**Child Development Center**
The Mary Meta Lazarus Child Development Center provides a child care program for children two and one-half through five years old who have a parent attending CSM or another District college. Children are selected on a non-discriminatory basis.

Families may be eligible for financial assistance. Fees for subsidized child care services are based on family size, gross monthly income and need for child care in accordance with criteria set by California Department of Education.

Fees for non-subsidized child care at the Mary Meta Lazarus Child Development Center are as follows:

**Registration Fee $50**
(charged once each semester)

**Part-time (under 5 hours per day)**
- Monday through Friday: $765/mo (ages 3-5)
- Monday through Friday: $885/mo (ages 2 1/2 - 3)
- Monday through Thursday: $585/mo (ages 3-5)
- Monday through Thursday: $675/mo (ages 2 1/2 - 3)

**Full-time (5 hours or more per day)**
- Monday through Friday: $850/mo (ages 3-5)
- Monday through Friday: $1055/mo (ages 2 1/2 - 3)
- Monday through Thursday: $650/mo (ages 3-5)
- Monday through Thursday: $805/mo (ages 2 1/2 - 3)

The Child Development Center, located in Building 33, is open from 7:30 am to 5 pm, Monday through Friday. For more information, call Louise Piper at 574-6279 or visit collegeofsanmateo.edu/childcenter.
Counseling Services

Counseling Services offer assistance in the areas of academic, transfer, and career counseling to CSM students. Academic counseling services are designed to: 1) help students make decisions and set educational goals; 2) provide academic planning assistance to complete certificate, associate degree, and/or university transfer goals; 3) help students evaluate academic readiness and plan coursework to build skills; 4) teach students important skills to enhance classroom and academic success; and 5) work with students to resolve personal concerns that may interfere with the ability to succeed. Due to limited availability of counseling faculty, students must attend a college orientation and course selection workshop prior to having access to a counseling appointment.

Disabled Students Programs and Services

Disabled Students Programs & Services (DSP&S) provides assistance to students with verified physical, psychological and specific learning disabilities. Support services and accommodations are provided to help students develop independence and to successfully participate in college classes. Contact the Disability Resource Center to get started (Bldg. 10, First floor, 574-6438). Additional programs for students with disabilities include:

- Disability Resource Center (Bldg. 10, First floor, 574-6438)
- Learning Disabilities Assessment Center (Bldg. 10, First floor, 574-6433)
- Assistive Technology Center (Bldg. 10, First floor, 574-6432)
- Adapted Physical Education (Bldg. 5, 578-7219)
- Transition to College (Bldg. 10, First floor)

Extended Opportunity Programs and Services (EOPS)

EOPS is a support service available for full-time students who need additional services to successfully pursue their educational and vocational goals. Support services include: priority registration, counseling, book service, transportation, tutoring, application fee waivers and peer advising.

To be considered for the EOPS program, a student must meet the following criteria: 1) be enrolled full-time (12 units); 2) qualify to receive the Board of Governors Enrollment Fee Waiver (BOGW); 3) meet the EOPS guidelines definition of an educationally underprepared student; and 4) have completed less than 70 degree applicable units. For more information visit the EOPS Office (Bldg. 10, First floor, 574-6154) or go to collegeofsanmateo.edu/eops.
Financial Aid
Students who would be unable to attend college without financial aid can receive help in paying for educational expenses—enrollment fees, books, transportation, room and board, and other related costs.

In order to qualify for financial aid, students and/or their families must demonstrate financial need. Interested students must complete the application process through the Financial Aid Office, and should begin this process at the earliest possible date. For step-by-step process, see page 19. Determination of eligibility takes approximately eight to 12 weeks.

Office hours are Monday and Thursday, 8 am to 4:30 pm; Tuesday and Wednesday, 8 am to 7 pm; Friday, 8 am to 12 pm. For information, visit the Financial Aid Office (Bldg. 10, Third floor, 574-6147) or go to collegeofsanmateo.edu/finaid.

Health Services
In the CSM Health Services Center, the college nurse provides services to currently registered CSM students: consultation on health problems; referrals to psychologists, physicians, and health or social agencies; drug and alcohol counseling and referral; arrangements for emergency transportation; health screenings for blood pressure, hearing, vision, TB, pregnancy, and strep; anonymous HIV counseling and testing; nutrition and stress counseling; and immunizations. Additional physician services available by appointment include: physicals, lab work and prescription medications. Emergency care and first aid are available to all SMCCCD students, faculty and staff. Emergency accident insurance coverage is in effect when students are on campus or attending college-sponsored events. Low-cost medical and dental insurance is available for purchase.

For office hours and more information, visit the Health Services Center (Bldg. 1, First floor, 574-6396) or go to collegeofsanmateo.edu/healthcenter.

Labs and Centers
There are a variety of labs and centers on campus that offer use of computers and tutoring/academic support services. For more information, please visit collegeofsanmateo.edu/labs.

Library Services
For information regarding services and business hours, call 574-6100 or visit collegeofsanmateo.edu/library.

Multicultural Center
The Multicultural Center is designed to meet the needs of multicultural students through academic/personal counseling as well as general financial aid information in a supportive, culturally-enriching environment. The staff is made up of full-time, bicultural and bilingual certificated counselors and support personnel. The Multicultural Center is located in Building 10, first floor. For more information, call 574-6154 or visit collegeofsanmateo.edu/multicultural.

Psychological Services
Psychological Services offers confidential individual consultation/counseling regarding stress, crisis and personal concerns. Referrals to other on- and off-campus resources are also available. Appointments may be made through the Health Center, Building 1, Room 226, or by calling 574-6396. For more information, visit collegeofsanmateo.edu/psychservices.

Scholarships
College of San Mateo offers many scholarships with awards ranging from $100 to approximately $2,000. CSM students who have completed at least 12 graded CSM units and who have a GPA of 2.75 or above may apply. Both students returning to and transferring from CSM the following fall are eligible. Scholarships are awarded on the basis of academic achievement and are for the most part not need-based.

CSM Scholarship applications are available online at collegeofsanmateo.edu/scholarships or in the Financial Aid Office. Completed packets will be accepted beginning November 1, 2010 with a deadline of 12 noon on February 1, 2011.

For hours and additional information, contact the Financial Aid office (Bldg. 10, Third floor, 574-6141) or go to collegeofsanmateo.edu/finaid.

Student Life and Leadership Development Office
College of San Mateo has a vibrant student life, supported through the Student Life and Leadership Development Office, which provides students the chance to extend their learning outside the classroom. These activities allow students the opportunity to learn and develop skills in leadership, interpersonal communication, advocacy, and event planning.

Through the Associated Students, CSM’s student government, students participate in the governance of the college. Members of student government also develop, promote, and implement programs and services that are of benefit to the general student population. Student clubs and organizations provide students the opportunity to interact with individuals who have shared interests and shared cultural backgrounds. Clubs and organizations also have the opportunity to sponsor campus-wide events and activities.

The Student Life and Leadership Development Office located in Building 17, Room 112, is also one of the locations on campus where students and the general public are welcome to ask questions about any of the College’s programs and services. The Student Life and Leadership Development Office also provides services such as off-campus housing assistance; on- and off-campus referral services; local transit information, including bus pass and bus token sales; information regarding campus posting; and deals with issues related to on-campus vending machines.

More information is available on the Student Life and Leadership Development Office website at collegeofsanmateo.edu/studentlife or by calling 574-6141.

Student Body Card
All students who have completed registration and paid the $8 student body fee are entitled to a photo I.D. student body card. After classes have begun, you may obtain your Student Body Card at the Student Life and Leadership Development Office. This photo identification card will provide rapid access to student labs and centers. It also entitles you to special discounts from 10% to 40% off at local businesses, movie theaters, shops and restaurants. On-campus discounts are
available at the cosmetology salon, CSM Bookstore (non-book items), and all athletic events. The funds collected from the student body fee help support numerous programs and services on campus including: scholarships, emergency student loans, child care, athletics, guest speakers and concerts. If you would like more information about the student body card benefits, or would like the student body fee reimbursed, please contact the Student Life and Leadership Development Office through the last day to drop term-length classes with eligibility for fee credit or partial refund. See Important Dates on page 2.

Transfer Services
Located in Bldg. 10, Third floor, in the Counseling Center, Transfer Services provides information and workshops on such topics as transfer planning, writing the application essay, choosing a college and completing transfer admission applications. Transfer Services also schedule representatives from other universities and colleges, including UC, CSU and private universities, to meet with students on a regular basis. CSM has Transfer Admission Agreements with a number of four-year UC and private institutions which can guarantee transfer admission. For more information, call 358-6839, or visit our website at collegeofsanmateo.edu/transfer.

Veterans Benefits
College of San Mateo offers instruction to veterans, service members, dependents and survivors of veterans and to other eligible persons, and is authorized by the Department of Veterans Affairs to certify students’ educational programs for veterans benefits. Honorably discharged veterans with at least 18 months of active military service are eligible for educational benefits for a period of 10 years following discharge. Benefits are also available to members of the active reserve who pursue approved college studies.
To initiate benefit payments, an eligible student must request that certification of enrollment be sent to the Department of Veterans Affairs. Contact the Veterans Assistants in the Office of Admissions and Records for more information at 358-6856, 358-6858 or visit collegeofsanmateo.edu/veterans.
Special Programs

Community Education Classes
Explore your opportunities and expand your knowledge without stress or grades. Consider the many fun, not-for-credit short classes, seminars and workshops offered by the Office of Community Education.

The program features over 400 classes in topics such as creative arts, science, business, computers, languages, real estate, dance and fitness, home and garden, music, photography, and financial planning. Classes are conveniently located at CSM, Skyline and Cañada. Additionally, highly interactive online classes are available 24/7.

Broaden your world and discover a wide range of classes, workshops and fun activities offered locally, at convenient times and affordably priced. For more information, call Community Education at 574-6149 or visit communityed.smccd.edu.

Emeritus Institute
Emeritus Institute offers short courses designed to meet the needs and interests of mature adults. With its variety of courses, this program appeals to those who appreciate the arts, music or are interested in historical events. For further information, call Community Education at 574-6149, or visit communityed.smccd.edu.

CSM Coastside
To better provide for the coastal community, the San Mateo County Community College District has established a site in Half Moon Bay. CSM Coastside functions as a one-stop service center for prospective and continuing students with the application and registration processes, financial aid applications and information, placement and skills assessment, and general counseling.

CSM Coastside also offers courses at coastal locations and provides support for those students taking online courses.

For more information, visit collegeofsanmateo.edu/coastside or call (650) 726-6444.

Middle College High School
San Mateo Middle College High School is an alternative education collaboration between the San Mateo Union High School District and College of San Mateo. The program’s primary goal is to provide a supportive and challenging environment, along with the opportunity for academic success and career exploration, to students whose needs are not met in a traditional high school environment.

As part of the Middle College program, these high school juniors and seniors take three SMUHSD-approved classes taught by SMUHSD instructors on the CSM campus; they round out their schedules with CSM courses. In many cases, students can earn both high school credits and college units. Located in building 17, room 154, the Middle College program also includes comprehensive academic and career advising and access to all of CSM’s support services. Students in the Cabrillo Unified School District may also be eligible to attend the program. For more information, call 574-6101, visit collegeofsanmateo.edu/middlecollege, or contact middlecollege@smuhsd.org.

Crime Awareness/Student Right to Know Policy

In order to make College of San Mateo a safe and pleasant environment for students and employees, the College has established procedures in compliance with Federal Public Law 101-542 (Crime Awareness and Campus Security Act of 1990). CSM is an extremely safe campus; a fact confirmed by the most recent FBI-reported data. (For more information about Student Right to Know data, including completion or graduation rates, please contact CSM’s Office of Institutional Research at 574-6196 or csmresearch@smccd.edu.) Persons seeking information concerning CSM campus law enforcement procedures, crime prevention efforts and crime statistics should contact the Chief of Public Safety at 574-6415.

Drug-Free Campus Policy

College of San Mateo prohibits the use, possession, sale or distribution of alcohol, narcotics, dangerous or illegal drugs or other controlled substances on College property or at any function sponsored by the College.

For further information on the Drug-Free Campus Policy, contact the Health Services Center (Bldg. 1, Room 226, 574-6396).

Guidelines Addressing Cheating and Plagiarism

As the College Policies on page 30 in the College of San Mateo Catalog states, “The principle of personal honor is the basis for student conduct. The honor system rests on the sincere belief that College of San Mateo students are mature and self-respecting, and can be relied upon to act as responsible and ethical members of society.”

Although instructors may hope that students will act responsibly and ethically at all times, situations will arise in which it is clear, beyond a reasonable doubt, that a student cheated or plagiarized. The College of San Mateo Academic Senate has developed guidelines for such situations by providing specific definitions of cheating and plagiarizing, and addressing the related instructor responsibilities, student responsibilities and sanctions. The entire document can be found in the College of San Mateo Catalog.

Cheating and Plagiarism are violations of the Student Conduct Code and will result in appropriate disciplinary action.

Students seeking further information concerning these guidelines should contact the Office of the Vice President, Student Services (Bldg. 10, Fourth floor, 574-6118).

Off-Campus Transportation Guidelines Field Trips/Excursions

Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the district, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

Although the district may assist in coordinating the transportation and/or recommend travel times, route or caravanning, be advised that the district assumes no liability or responsibility for the transportation and any person driving a personal vehicle is not an agent of the district.

Off-Campus Classes

Some classes may be conducted off campus. Unless you are specifically advised otherwise, you are responsible for arranging for your own transportation to and from the class site.

Sexual Assault Policy

It is the policy of the San Mateo County Community College District to educate all students, faculty, and staff on the prevention of sexual assault. The District and Colleges will provide information to all faculty, staff, and registered students on the definition of sexual assault, how to prevent it, and how to report it if assaulted. “Sexual assault” includes but is not limited to rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

For further information concerning this policy please see the College Catalog.

Any faculty, staff member, or student who has been sexually assaulted should immediately contact the Health Services Center, 574-6396, or the Security Office, 574-6415.

Sexual Harassment Policy

It is the policy of San Mateo County Community College District and College of San Mateo to prohibit, in any and all forms, the sexual harassment of its students and staff. Sexual harassment of students by other students or staff, and/or the harassment of staff by students or other staff is considered intolerable behavior that will be investigated and acted upon immediately.

For further information concerning this policy please see the College Catalog.

Students or staff claiming grievance because of alleged violations of this policy should contact the Vice-Chancellor of Human Resources and Employee Relations, 358-6767.

Smoking Policy

In order to provide a safe learning and working environment for students and employees, smoking is limited to parking lots only. For a map of parking lots in campus, please see the inside back cover or visit colleg eosanmateo.edu/smokingpolicy. Violation of this policy could lead to disciplinary action under usual disciplinary procedures. For a complete copy of the Smoking Policy and Guidelines, see the College Catalog.

Statement on Academic Freedom

The San Mateo County Community College District is dedicated to maintaining a climate of academic freedom encouraging the sharing and cultivation of a wide variety of viewpoints.

More information on this statement is available by contacting the office of the Vice President, Instruction at 574-6404 or the office of the Academic Senate President at 574-6235.

Student Conduct

Students enrolled in the Colleges of the District are expected to conduct themselves as responsible citizens and in a manner compatible with the District and College function as an educational institution. Students are also subject to civil authority and to the specific regulations established by each College in the District. Violators shall be subject to disciplinary action, including possible cancellation of registration, and may be denied future admission to the Colleges of the San Mateo County Community College District. A list of actions which are prohibited and may lead to appropriate disciplinary action is contained in the College Catalog, which is available for review in College offices and for free in the College of San Mateo Bookstore. For further information concerning any aspect of student conduct, students should contact the Office of the Vice President, Student Services (Bldg. 10, Fourth floor, 574-618).

Disciplinary Actions

Decisions regarding the following types of disciplinary action are the responsibility of the Vice President, Student Services. Unless the immediate application of disciplinary action is essential, such action will not be taken until the student has had an opportunity to utilize the established appeal procedures found in Rules and Regulations, Section 7.73. General disciplinary actions include warning, temporary exclusion, censure, cancellation of registration, disciplinary probation and restitution. Disciplinary action shall not of itself jeopardize a student's grades, nor will the record of such actions be maintained in the student's academic files. A student subject to disciplinary action has a right to appeal.
the decision in accordance with Rules and Regulations, Section 7.73.

Other specific disciplinary actions which may be taken are suspension and expulsion. Suspension is the termination of student status for a definite period of time. A suspended student may not be present on campus and is denied College privileges including class attendance and all other student body or College-granted privileges. The chief executive officer of the College or his/her designee may suspend a student, as deemed appropriate, for specified time periods. Expulsion of a student is the indefinite termination of student status and all attending rights and privileges. Expulsion of a student is accomplished by action of the Board of Trustees on recommendation of the College President and the Chancellor-Superintendent. An expelled student shall not be allowed to register in any subsequent semester or term without the approval of the College President. Detailed information is provided in the College Catalog, which is available for review in College offices and for free in the CSM Bookstore. For further information concerning any aspect of student disciplinary actions, students should contact the Office of the Vice President, Student Services at 574-6118.

Student Grievances and Appeals

Students are encouraged to pursue their academic studies and become involved in other sponsored activities that promote their intellectual growth and personal development. The College is committed to the concept that, in the pursuit of these ends, the student should be free of unfair and improper actions on the part of any member of the academic community. If, at any time, a student feels that he/she has been subject to unjust actions, or denied his/her rights, redress can be sought through the filing of an appeal or grievance. Detailed information is provided in the College Catalog, which is available for review in College offices and for free in the CSM Bookstore. For further information concerning any aspect of student grievances or rights of appeal, students should contact the Office of the Vice President, Student Services (Bldg. 10, Fourth floor, 574-6118).

Student Rights and Nondiscrimination Policy

College of San Mateo is committed to equal opportunity regardless of age, gender, marital status, disability, race, color, sexual orientation, religion, national origin or other similar factors, for admission to the College, enrollment in classes, student services, financial aid and employment in accordance with the provisions of Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972 (45CFR 86), Section 504, Rehabilitation Act of 1973 (P.L. 93-112), and the Americans With Disabilities Act of 1990.

It is important that students, staff and all others associated with the College understand the importance of reporting concerns about possible violations of this policy. The College's commitment to equal opportunity demands full investigation of possible violations and an opportunity for a fair and impartial hearing on any matter relating to these laws and policies.

Any person seeking information concerning these laws and policies or claiming grievance because of alleged violations of Title VI of the 1964 Civil Rights Act and Sec. 504 of the Rehabilitation Act of 1973 and the Americans With Disabilities Act of 1990 should contact the Vice Chancellor, Human Resources/Employee Relations, 358-6767.

All grievances will be reviewed in terms of Title VI and Title IX law, and persons involved will be advised of the provisions of the law and their legal rights. If normal channels are not available or fail to meet legal requirements, the necessary action will be initiated. The office will maintain a record of all Title VI and Title IX grievances and will report to the Affirmative Action Committee the general nature of such grievances and progress toward their resolution.

Start and end dates for section 53490: 6/21 6/30

### CRER 107 INTRODUCTION TO CHOOSING A COLLEGE MAJOR
This short course assists students to research and identify a college major and to understand major requirements and course planning. It highly recommended for students who are undecided about a major for an Associate degree or for university transfer. University transfer students need to complete lower division major courses to assure successful transfer. This course offers discussion and exercises to support decision making and facilitates guided research. Pass/No Pass grading. **A $5.00 materials fee is payable upon registration.** May be taken twice for a total of 1 unit. (AA: Area E5d, CSU)

**Evening Course**
53784 CRER 107 J2 TTh 6:30 8:20 14-215 Romero, K. 0.5
Start and end dates for section 53784: 7/12 7/21

### CRER 120 COLLEGE AND CAREER SUCCESS
A comprehensive approach to life and career planning. Emphasizes self-assessment, decision-making, educational planning, college success strategies and techniques for addressing changes associated with college and career. Explores college life, responsibilities, and career options. **A $6.00 materials fee is payable upon registration, plus additional testing fees.** Pass/No Pass or letter grade option. (AA: Area E5d, CSU: Area E)

### ENGLISH 100 COMPOSITION AND READING

Intensive reading and writing based on the study of primarily nonfiction materials. Students write a minimum of 8,000 words; writing emphasizes expository forms. Plus minimum 16 hours by arrangement per term. **Prerequisite:** ENGL 838/848 or 400 with a grade of C or higher; OR ESL 400 with a grade of C or higher OR appropriate skill level indicated by the English placement tests and other measures; OR ENGL 836 with a grade of C or higher and READ 836 with Pass or a grade of C or higher or eligibility for 400-level Reading courses (indicated by the Reading placement tests and other measures). **Recommended Preparation:** Reading courses at the 400 level are designed for students enrolled in ENGL 100 or higher level courses. (AA: Area E2a/Area E5c, CSU: Area A3, UC: Area 1B)

### ENGLISH 110 COMPOSITION, LITERATURE, AND CRITICAL THINKING

Introduction to the major imaginative genres of poetry, drama, and fiction. Students will write eight to ten thousand words in expository essays and other kinds of assignments employing methods of literary analysis and demonstrating skill in critical thinking. Plus minimum 16 hours by arrangement per term. **Prerequisite:** ENGL 100 with a grade of C or higher. (AA: Area E2a/Area E5c, CSU: Area A3, UC: Area 1B)

### ENGLISH 161 CREATIVE WRITING I

Craft of writing short fiction and poetry. Students write a minimum of two short stories and a complete poetry project. **A $5.00 materials fee is payable upon registration. Prerequisite:** eligibility for ENGL 100 or equivalent. Pass/No Pass or letter grade option. (AA: Area E2a, CSU: Area C2, UC)

### ENGLISH 162 CREATIVE WRITING II

Further instruction in the writing of fiction and/or poetry. Students plan and complete an extensive creative writing project through agreement with the instructor. **A $5.00 materials fee is payable upon registration.** Pass/No Pass or letter grade option (AA: Area E2b, CSU: Area C2, UC)

### ENGLISH 163 CREATIVE WRITING III

Instruction in the writing of fiction or poetry for advanced students, with an emphasis on longer works. **A $5.00 materials fee is payable upon registration.** Pass/No Pass or letter grade option. May be taken twice for a maximum of 6 units. (AA: Area E2b, CSU: Area C2, UC)

MATH 115 GEOMETRY
Geometric properties of plane and solid figures, using real number system. Plus 16 hours by arrangement per term. Extra supplies may be required. Prerequisite: Satisfactory completion of MATH 110 or 112 or an equivalent course at a post-secondary institution with a grade of C or higher or appropriate score on the College Placement Test and other measures as appropriate.

51785 MATH 115 A8 MTWH 10:30 12:50 18-205 Feinman, Y. 5.0
Start and end dates for section 51785: 6/20 8/11

MATH 120 INTERMEDIATE ALGEBRA
A comprehensive review of elementary algebra with certain topics studied in greater depth. Extension of fundamental algebraic concepts and operations, problem solving and applications, linear, quadratic, rational, and radical equations, equations in two variables, graphs, systems of equations, complex numbers, exponential and logarithmic functions, sequences and series. Plus 16 hours by arrangement per term. Extra supplies may be required. Prerequisite: Satisfactory completion of MATH 110 or 112 or appropriate course on the College Placement Test and other measures as appropriate. Recommended Preparation: MATH 115 and READ 830. (AA: Area C1/Area E2c)

MATH 122 INTERMEDIATE ALGEBRA I
First half of MATH 120. A comprehensive review of elementary algebra with certain topics studied in greater depth. Extension of fundamental algebraic concepts and operations, problem solving and applications, linear, quadratic, rational and radical equations, equations in two variables, graphs, systems of equations, complex numbers, exponential and logarithmic functions, sequences and series. Plus minimum 16 hours by arrangement per term. Extra supplies may be required. Prerequisite: satisfactory completion of MATH 110 with a grade of C or higher or MATH 112 with a grade of C or higher or appropriate score on the College Placement Test and other measures as appropriate. Recommended Preparation: MATH 115 and READ 830. (AA)

50684 MATH 122 A6 MTWH 10:30 12:35 16-141 Loukianoff, V. 3.0
Start and end dates for section 50684: 6/20 7/28

MATH 123 INTERMEDIATE ALGEBRA II
Second half of MATH 120. A comprehensive review of elementary algebra with certain topics studied in greater depth. Extension of fundamental algebraic concepts and operations, problem solving and applications, linear, quadratic, rational, and radical equations, equations in two variables, graphs, systems of equations, complex numbers, exponential and logarithmic functions, sequences and series. Plus minimum 16 hours by arrangement per term. Extra supplies may be required. Prerequisite: MATH 122 with a grade of C or higher. Recommended Preparation: MATH 115 and READ 830. (AA: Area C1/Area E2c)

Distance Learning Guide

What You Should Know About CSM Distance Learning Courses

Distance Learning courses at College of San Mateo consist of online courses. The online courses require students to have access to a computer with an individual email account and/or Web access. Students complete most of their course work outside the classroom, on their own time, usually at home, or in the Library.

- Distance learning courses are recommended for students who work well independently and have solid study skills and self-discipline.
- On-campus meetings are frequently held for each course during the semester. (* indicates MANDATORY introductory meeting.)
- Distance learning courses parallel courses taught in the classroom and are transferable to most four-year colleges and universities.
- Distance Learning students have the same status as regularly enrolled students.
- Distance learning courses are as effective as regular college courses in terms of student learning.

Distance Learning Support Services

The Distance Learning Office is located in Building 10, Room 435 (524-6933). Staff is available to answer your questions about courses, the registration process, study materials and instructor access. Or you can email: andrader@smccd.edu.

Distance Learning Website:
[collegeofsanmateo.edu/distancelearners](http://collegeofsanmateo.edu/distancelearners)

Textbooks by Telephone

The CSM Bookstore (574-6366) accepts textbook orders by phone for Distance Learning students. Allow 10 days for delivery. Credit card orders only. Information about textbooks for specific courses, and online book purchases are available at [collegeofsanmateo.edu/bookstore](http://collegeofsanmateo.edu/bookstore).

In addition to regular hours, the Bookstore will be open on Saturday, June 25, 9 am to 2 pm.

Important Components of Distance Learning Courses

1. On-Campus Meetings
   Some distance learning courses require students to come to the CSM campus at designated times to meet with the instructor and other students. Introductory meetings, reviews, and exams are held on-campus unless otherwise stipulated by the instructor. Most courses have from three to five scheduled on-campus meetings during the semester. Students may also telephone, use email or meet with instructors during office hours.
   The introductory meeting and other scheduled on-campus meetings are required unless otherwise indicated.
   If you don’t attend the introductory meeting, you may be dropped from the class roster.

2. Internet Access
   Students enrolled in online courses are expected to visit the web site frequently and to participate in email and online discussions.
   Facilities are available in the CSM Library for accessing the course web site.

3. Reading Assignments
   Students are required to read the textbook, study guide, handouts or Web information as assigned by the instructor.

4. Written Assignments
   Students complete written work or special projects as assigned by the instructor.

Distance Learning Registration

- Register online or in person.
- Cost is only $26 per unit for California residents. (See note under Fees on this page.)
- A student enrolled in distance learning courses who officially drops by the stated deadline may be eligible for a partial refund or credit of the enrollment fee/non-resident fee. Please see “Credit and Refund Policy” on page 13.

It’s easy to enroll in CSM distance learning courses. Once you have selected the course(s) you want to take, enroll as follows:
Continuing Students
If you were enrolled at CSM, Cañada College, or Skyline College during Summer 2010, Fall 2010, and/or Spring 2011, follow the How to Register instructions for continuing students on page 3 to take advantage of your registration priority and register using WebSMART.

New and Former Students
Students who have never enrolled at CSM, Cañada College or Skyline College, or whose last enrollment was prior to Summer 2010, may submit their application for admission on the web at collegeofsanmateo.edu/apply or in person at the Office of Admissions and Records (Bldg. 10, Third floor). For hours and more info, visit collegeofsanmateo.edu/admissions.

We will send you specific instructions and provide a registration appointment date and PIN code to enable you to register and pay fees using WebSMART registration. You will be able to register or change your program on or after your appointment date.

Late Registration
The advance registration deadline for Summer 2011 online courses is the day before the class begins or the introductory meeting is held. Course authorization codes, available from the instructor, are necessary to register on the day the class begins or thereafter. Please note that attendance at introductory meetings is required for many distance learning classes. If you have not registered before the introductory meeting and are unable to attend, contact the instructor to learn whether it is still possible to enroll in the course you have chosen and to take the necessary steps for late registration.

Fees
You may charge your fees to your VISA, MasterCard, Discover or American Express card, or you may pay by check if you prefer to do so. If you register only for distance learning courses, you need not pay health services or parking fees.

However, if your on-campus meetings are at any time other than a Friday evening or Saturday, you will have to purchase a parking permit from the Security Office (Bldg. 1, Room 269) or Cashier’s Office (Bldg. 10, Third floor) or from the machines in Lots 1, 2, 6 or 11 (see campus map on inside back cover).

Distance learning students pay the State-mandated enrollment fee ($26 per unit) and the student fee ($1). (See Fees, page 13) In addition, if you have not been residents of California (as defined in the Education Code) continuously since June 19, 2010, they must pay an additional nonresident tuition fee of $191 per unit. Foreign students also need to pay an additional $9 per unit nonresident capital outlay fee for a total of $200 per unit.

Getting Started in Your Course:

Attend the Introductory Meeting
Many courses have mandatory introductory meetings which will provide you with an opportunity to have questions answered, to obtain specific information, to find out how to proceed through the course, and to meet your instructors and your fellow classmates. Instructors for online courses will distribute course material in person and online. You do not have to be preregistered to attend. You may register on the day of the introductory meeting if there is space in the class. (See Late Registration for details.)

Students Unable to Attend the Introductory Meeting
Students not in attendance at the introductory meeting may be dropped unless they have made prior arrangements with the instructor. However, this is not an automatic withdrawal—the student is responsible for officially withdrawing from the class by using fax, WebSMART or written notification to Admissions and Records by appropriate deadline date(s). Check the detailed course listings to learn whether attendance at the introductory meeting is mandatory for your course(s). If you have completed registration and are unable to attend the scheduled introductory meeting, contact your instructor before the meeting to obtain necessary information.

Dismissed Students
Students dismissed at College of San Mateo, Cañada College or Skyline College must go through a process to request reinstatement and permission to enroll in classes. The first step of this process is to attend a CSM Reinstatement Workshop. To schedule a reservation for a workshop call (650) 574-6400 or go to the Counseling Office.

Pass/No Pass Grading Option
Most CSM courses are graded on the basis of the standard letter grades (A, B, C, D, F). Some courses are graded on a Pass or No Pass basis, and are so designated in the schedule of classes. Still other courses offer the student the choice between letter and Pass/No Pass grading; students electing the Pass/No Pass option in such courses must submit the appropriate form to the Office of Admissions and Records within the first 30% of the duration of the course. Changes are not permitted thereafter.

Students should be aware that many colleges and universities, including College of San Mateo, place specific restrictions on the number, if any, of units graded on a Pass/No Pass basis that are acceptable toward degrees and certificates. Because the decision to request Pass/No Pass grading is irrevocable after 30% of the duration of the course, students should be cautious in making such a request.

Transferable Courses
All CSM distance learning courses are applicable for A.A./A.S. degree credit and are transferable to most four-year universities for bachelor’s degree credit.

Drop/Withdrawal
If you officially drop a Summer 2011 course by the stated ‘last day to drop with refund’ deadline, you may be eligible for a partial refund of enrollment fee/nonresident fee. The final deadline for withdrawal from each telecourse is listed with the description of each telecourse. See “Credit and Refund Policy” on page 13.

Final Grades Reported on WebSMART and SMART
Final grades will be available on WebSMART beginning August 16, 2011.
**Distance Learning**

**Attendance at meeting is mandatory. Students who are not at the mandatory introductory meeting may be dropped from the class. However, this is not an automatic withdrawal—the student is responsible for officially withdrawing from the class through the Office of Admissions and Records.**

**Scoring**

Add 3 points for each “A” that you circled, 2 for each “B” and 1 for each “C”.

If you scored 20 or over, distance learning is a real possibility for you.

If you scored 11 to 19, you may need to make a few adjustments in your schedule and study habits to succeed.

If you scored 10 or less, distance learning may not currently be the best alternative for you; talk to your counselor.

**Explanation**

The 10 questions in the questionnaire reflect some of the facts about taking distance learning courses:

1. Distance learning students sometimes can end up neglecting courses because of personal or professional circumstances, unless they have compelling reasons for taking the course.

2. Some students prefer the independence of distance learning; others find it uncomfortable.

3. Distance learning courses give students greater freedom of scheduling, but they can require more self-discipline than on-campus classes.

4. Some people learn best by interacting with other students and instructors, but distance learning courses often do not provide much opportunity for this type of interaction.

5. Distance learning courses require you to work from written directions without face to face instruction.

6. It may take as long as two weeks to get comments back by mail from your instructor.

7. Distance learning courses require at least as much time as on-campus courses.

8. Distance learning courses frequently use technology for teaching and telecommunication.

9. Printed materials are the primary source of directions and information in distance learning courses.

10. All distance learning courses require some on-campus work: introductory, review sessions, exams, and labs. Student schedule flexibility is important.
Online Courses

Deadline Dates
Deadline dates for courses are listed under the individual course in Web Schedule (collegeofsanmateo.edu/webschedule).

General requirements for all online courses:
- Complete the required registration procedure.
- Attend the introductory meeting and other on-campus meetings (**indicates MANDATORY).
- Read the required textbooks.
- Visit the web site weekly to keep apprised of schedule changes, new texts, etc.
- Participate actively in email and online discussions.
- Complete class assignments, exams and specific course requirements.

NOTE: These courses are offered online. Students MUST have e-mail and Web access. For complete course descriptions, prerequisites, and recommended preparations, see listings under the respective departments. For further information about a specific class, its schedule, recommended software, or other questions, visit the course website or contact the instructor.

Support CSM

Your opportunity to participate

collegeofsanmateo.edu/supportcsm
A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session. The grace period pertains only to permits with all other parking regulations enforced at all times in all parking lots and roadways.

Visitor Parking
Visitors may park in PayBySpace Visitor Lots 2A or 2D ($0.25 for each 15 minutes). After entering the space number in which the vehicle is parked into the machine and depositing sufficient money to purchase required time the permit machine located at each of the Visitor Lots will issue a receipt that need not be displayed in the vehicle.

Visitors may also park in a student lot after purchasing and displaying in the vehicle (face up on dashboard) a $2 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lot 2A and 2E, Galileo Lot 6B, and Stadium lot 11. For the location of the parking lots please see a campus map.

Traffic and Parking Regulations
The speed limit on the campus is 15 mph. Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles parked backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm. Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles
The riding of skateboards on campus is prohibited by District Regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit
SamTrans bus service has two direct routes to the campus (#250 and #260) and connecting bus routes from the Hillsdale Shopping Center and the Caltrain Station serving the CSM campus throughout the day. All buses have wheelchair lifts and also serve students attending evening classes. Routing information is available by calling 1-800-660-4BUS or via the Web at www.santrans.com and www.caltrain.com. Printed schedules and maps are also available at the College of San Mateo Student Life Office in Building 17, Room 112 and in the lobby of Building 1.
One-day Permits
$2 per day. Valid only during class hours from 7:00 am to 10:00 pm
Permit machines indicated by D on the map: Hillsdale Lot 1, Beethoven Lot 2,
Galileo Lot 6, and Stadium Lot 11

Visitor Parking
Visitors to campus may park in PayBySpace visitor parking in Beethoven Lot
2A and 2D (between 7:00 am and 5:00 pm) and Forum Lot 8 (between 7:00
am and 10:00 pm). Visitors must purchase a visitor permit ($1 per hour) at the
PayBySpace permit machines located in the lots (indicated by V on the map).

Student Parking

Located in the heart of the campus, CSM’s signature new building, College Center, offers sweeping views of the San Francisco Bay Area.

This four-story, 140,000 square foot building, opening in April 2011, will be a hub of college life, providing a “one-stop” center of student services. It will also serve as the site for the College’s new Learning Center, a centralized tutorial and student support lab where students will receive assistance across the disciplines.
