SMCCCD AcademicWorks Scholarship Application Tips

The 2020-21 College of San Mateo Scholarship application is now open. The application deadline is **March 2, 2020 at <u>11:59pm</u>**.

For information on the application process, the link to the application and other scholarship resources, please view the College of San Mateo Scholarship homepage at <u>http://collegeofsanmateo.edu/scholarships/</u>.

To go directly to the application and apply, go to <u>https://smccd.academicworks.com/opportunities</u>.

All of the scholarship opportunities are listed in alphabetical order with a prefix that indicates which campus is offering the scholarship (CAN = Cañada, CSM = College of San Mateo, SKY = Skyline). Students will be asked to select their home campus in the application and may only apply to scholarships based on that selection.

Steps to Apply

1. First time users: Must create a log-in by clicking the "Sign Up" button on the right corner of the application homepage. If you have been issued a "my.smccd.edu" email, please provide your "my.smccd.edu" email address and create a password to sign up for an account. Upon signing up, you will receive a confirmation email to ensure your identity. *Please make sure to check your spam folder for this email.* Once you have confirmed your account, you can begin accessing the system and applying for scholarships.

If you have recently applied for admissions to either College of San Mateo, Cañada College or Skyline College, you must use your personal email that you used on the admissions application to access AcademicWorks. Once you are issued a "my.smccd.edu" email, contact your financial aid office or email us at <u>scholarships@smccd.edu</u>. We will need to link your emails.

Please note, if you receive an error message that your email address cannot be found, if a new or returning student, you need to apply for admissions at http://collegeofsanmateo.edu/admissions/apply.asp. If a current student, contact your Scholarship office for assistance at scholarships@smccd.edu or visit the Financial Aid office.

2. **First time users:** Will be required to "Sign-Up" using your "my.smccd.edu" email address and a password you create. An email will be sent to your my.smccd.edu email address that allows you to "Sign-In" to the scholarship application.

3. First time users and Continuing users: Return to the application and click "Sign In" on upper left. Enter your confirmed email address and password to access the scholarship application (then click "Sign In" on lower right).

4. Complete the application questions (save to update application as you go – button on lower right). If you need assistance, attend a Scholarship Workshop - see dates and times on <u>Scholarship website</u>.
