

# Scholarship Application Form

*for students intending to pursue  
Engineering majors in college*

**Application Deadline: May 30, 2024**

Contact: Martha Dadala; 4080483-8400 [mdadala@markthomas.com](mailto:mdadala@markthomas.com)

The American Public Works Association is a nonprofit, professional association of public works agencies, private companies, and individuals dedicated to promoting professional excellence and public awareness through education, advocacy, and the exchange of knowledge. The Silicon Valley Chapter of APWA intends to offer two (2) Scholarships (each \$2,000) to Community College students who reside in the San Francisco Bay Area and will transfer to undergraduate Engineering program at any accredited 4-year University in 2024. Scholarship recipients will be invited to participate in an APWA meeting within the next few months where they will be treated to lunch and have opportunities to network with engineers in the community.

US Citizen (yes/no)		Full Time Student?	

Will you be transferring to a 4-year college/university on or by Fall 2024?

Briefly explain your community service activities in the past two years:

Please write a brief explanation of why you are interested in your major and your career goals.

Briefly explain a significant hardship or obstacle you have encountered and how you overcame it? How this scholarship might help you overcome any obstacles or hardships you face in reaching your educational and career goals.

These scholarships are for Community College students who will transfer to any accredited 4-year University with Civil /Environmental/Construction Engineering major. Scholarships may be based on financial needs.

To be eligible for a scholarship you must:

1. Submit a completed application form indicating a sincere interest and the coursework in Civil Engineering.
2. Provide an official transcript of all academic work showing a minimum GPA of 3.0.
3. Submit one letter of recommendation supporting your Engineering interests/career goal and email directly to [mdadala@markthomas.com](mailto:mdadala@markthomas.com).
4. Submit a letter of acceptance for an underground Engineering program (Full Time) at any accredited 4-year University within the United States.

Interested students can complete and submit the application, transcript, college acceptance letter, and letter of recommendation via email to [mdadala@markthomas.com](mailto:mdadala@markthomas.com) by May 30, 2024
