Olivia Viveros

ViverosO@smccd.edu

MESA serves underrepresented, economically and educationally disadvantaged or first-generation students. Our programs fuel diversity by propelling historically underrepresented groups toward STEM degrees and professional careers.

Bldg 16 Room 151

Jessica Damian

DamianJ@smccd.edu

METaS is a grant, which provides funding to support on-campus opportunities and resources for Latino or low-income students pursuing STEM majors.
