## Partnership with San Mateo County Health Brings Free Flu Shots to SMCCCD Campuses

In collaboration with SMCCCD District Nurses, San Mateo County Health is offering free flu shots for students, faculty, and staff. If you work or take classes at College of San Mateo, Skyline College, or Cañada College you can come to any college campus for a free flu shot (weather permitting). Drive-ups are preferred and walk-ups are welcome for individuals who are able to come to campus, but who do not have access to a vehicle. No pre-registration required.

You must wear a facial covering and clothing that provides easy access to your shoulder for a flu shot. Do not come to campus for a flu shot if you are sick or have tested positive for COVID-19 or been in close contact with a suspected or confirmed COVID-19 case in the last 14 days.

Prior to receiving a flu shot you will need to pass a temperature check, COVID-19 symptom and history screening, have no contraindications to the flu vaccine, provide information to be entered into CAIR (CA immunization registry), and give a verbal consent. We look forward to seeing you soon!

# Students Receive Their COVID-19 Photography Books

Last spring, when face-to-face learning was replaced with virtual instruction, CSM's photography faculty and students were confronted with a daunting challenge. How would they complete a portfolio of 12 prints while working virtually without access to a darkroom or digital lab?

Photography Professor Richard Lohmann's solution was to replace the class assignments with a new assignment: shoot weekly photos that document the students' life during a pandemic. To replace the final portfolio, they

used these images to create a 105-page, hardbound book titled *Living under Covid-19: A Visual Diary*.

*CSM Photography Professor Richard Lohmann*

*Clara Coady, a CSM photography student shows off her new book of student photography.*

Students used photography to document and describe their experiences coping with the sudden transition studying and working in a virtual world, social isolation, and an unknown future. At the end of the semester they collectively shot over 3,000 photographs.

In late October, each of the Lohmann's photography students enthusiastically received their printed book. It was the culmination of a project that Lohmann never imagined before the arrival of the coronavirus. His adaptability allowed his students to explore new creative avenues with remarkable dedication. This book is their personal memento of this significant period in history.

## Looking for a Part-Time Job? Become a Student Ambassador

CSM's Marketing & Outreach Office is looking for current students to assist with outreach and recruitment efforts.

Student ambassadors serve as liaisons between the College, local high schools, and the greater community. They give presentations, assist with College events, and answer questions from current and prospective students.

Interested students should plan to be at CSM for at least four semesters including the current semester if applying for an ambassador position.

Visit the [Student Ambassador webpage](#) for more information.
